Sec. 1.1. Notwithstanding other provisions of this ordinance or of Los Angeles Administrative Code Section 4.108, a full eight-hour day of work shall be deemed to have been fully performed and completed on any day when any employee who is assigned to a refuse collection crew reports for duty at the time and place designated and fully performs all work assigned to him/her on that day. Compensation for overtime shall be allowed for time worked in any one day in excess of eight hours except that all time worked on legal holidays shall be compensated at the rate of time and one-half. Whenever the class of position to be left unfilled as a condition to the filling of a position in accordance with this section is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72, payment of the adjusted compensation may then be made to the person employed in accordance with this section if he/she is otherwise qualified to receive adjusted compensation.

Sec. 4. The personnel authority contained in this ordinance shall be limited by the amount of money available on the records of the Controller for the payment of salaries and wages in the appropriate departmental account.
