Summary: At the Encino Neighborhood Council General Meeting held on March 28, 2018 the full board met under the required Brown Act notice with a quorum of 18 members. The board passed the motion in opposition to Senate Bill 827 (17 for the motion, 0 against, and 1 abstaining). The ACT LA Letter Opposing SB-827 is an integral part of the motion; 37 Progressive groups believe SB 827 would hurt housing in the City of Los Angeles. These are organizations that receive little or no corporate money, have been building from the bottom-up for years, and are firmly rooted in the Black, Latino, and Asian-American communities that are suffering most under our current housing and homelessness crisis.

The Encino Neighborhood Council supports the Los Angeles City Council and Councilmember Paul Koretz's office in opposing SB 827, in particular due to the fact that it negates years of local planning and zoning that protects our community. Although the ENC is in favor of additional low and middle-income housing to alleviate the current housing shortage, it should conform to local codes and ordinances.
