Comments for Public Posting: I am a resident of Mar Vista. This public comment is submitted in support for CF 23-0244. The City Attorney's office (CAO) is the enforcement body for the City and as such it makes sense for the CAO to be allowed to utilize ACE. It is an administrative tool that may allow the CAO to avoid the filing of misdemeanors if they believe that the ACE process can better address the situation. This tool complements what they already do and gives the CAO a choice of action as to how they might best pursue enforcement to achieve enforcement of the LAMC. Please vote to support the pending Council File 23-0244. Thank you.
