Council File No: 18-0279-S1

Comments for Public Posting: No huge trucking warehouse that operates 24/7 should be allowed to build in the residential neighborhood area. --Allowing 768 truck trips per day is too many for the location, which is surrounded by homes, apartments, the outdoor sports fields of the Rosecrans Recreation Center, Amestoy School, and senior care centers. There should be no 24-hour operations. Truck movement should end at 6 p.m. on weekdays and by 5 p.m. on Saturdays and Sundays. --The truck routes shall be designated before any further approvals are granted. Although trucks will not technically travel through residential neighborhoods, they will drive past apartments and homes on Redondo Beach Blvd., Vermont Avenue, and Rosecrans Avenue on their way to the 110 freeway, and past Rosecrans Recreation Center on Vermont Avenue as well as Amestoy Elementary School, Kei-Ai South Bay Healthcare Center, and Gardena Convalescent Center.
