Re: Withdrawal of Appeal and Comment Letter on Draft Environmental Impact Report
for the Prologis Vermont and Redondo Project (CPC-2017-1014-CU-ZAA-SPR,
ENV-2017-1015-EIR, SCH No. 2017121007)

Dear City Clerk, PLUM Committee, and City Planning:

Advocates for the Environment hereby withdraws the appeal it filed on May 13, 2025, refiled on July 7, 2025 under special circumstances, which appealed the Planning Commission's May 8, 2025 decision to approve the Prologis Vermont and Redondo Project (**Project**). With this letter we also withdraw the comment letter that Advocates for the Environment submitted regarding the Project on May 5, 2025. We have reached a settlement agreement and no longer oppose the Project.

Please feel free to contact me if you have any questions about this withdrawal.

Sincerely,

A handwritten signature in black ink that reads "Aria Soeprono". The signature is fluid and cursive, with the first name "Aria" being more prominent.
