Dear PLUM Committee:

I support the Art Deco Society of Los Angeles' application to make the Las Palmas/Selma Apartments an historic cultural monument. I feel that this building meets the criteria and is an excellent example of the endangered garden apartment style of residential architecture. I understand that this well maintained apartment complex is largely intact inside and out and that historic building permits show relatively few alterations to the property since 1939.

I encourage you to vote to recommend adopting the proposal at the City Council level. Thanks very much for your time.

THE PROPOSED MONUMENT:  
SELMA LAS PALMAS COURTYARD APARTMENTS
