☐ **No** This Office finds that the Grant does not comply with City financial policies as follows (see below):

The total cost of the Joint Powers of Verification Unit program is \$797,515, of which \$772,076 will be reimbursed to the City by the County of Los Angeles for salaries (\$495,836), fringe benefits (\$216,084), central services and department administrative costs (\$58,556), and equipment and operating expenses (\$1,600). Reimbursements from the County will be processed through monthly invoices. Salary funding will support the direct cost and fringe benefits of nine positions, including one Administrative Coordinator IV, one Administrative Coordinator I, one Legal Clerk I, and six Witness Service Coordinators. 10. Grant Award Summary (Continued from Page 2)

The total cost of the program is \$797,515, of which \$772,076 will be reimbursed to the General Fund as follows: \$495,836 in direct salaries, \$216,084 in indirect costs for fringe benefits, \$500 for office supplies, \$500 for equipment rental, and \$600 in telephone costs. Grant funding will support nine positions: one City Attorney Administrative Coordinator IV, one City Attorney Administrative Coordinator I, one Legal Clerk I, and six Witness Service Coordinators. Of the total \$83,995 in indirect costs for central services and departmental administration and support, \$58,556 is funded through the grant award, whereas the remaining \$25,439 in indirect costs represents a General Fund obligation. No additional position authorities are requested at this time, as these positions are authorized in the 2021-22 City Budget.

It should be noted that the total program cost and General Fund Impact differ in this report compared to the City Attorney's transmittal dated July 14, 2021 due to an inadvertent error in calculating the cost of fringe benefits. The total JPVU budget is \$797,515, which includes the full calculation of the General Fund impact of \$25,439 for indirect costs (central services and department administration and support) not covered by grant funds. The \$216,084 figure includes the full calculation of fringe benefit costs. The City Attorney concurs with the changes outlined in this report.

Re: FY 2020/21 Joint Powers of Verification Unit Continuation Funding - Year 1/3
CF# 18-0529

Transmitted herewith for Mayor and City Council consideration is FY 2021/22 continuation funding totaling \$772,076 for a new three year term. Council previously accepted a prior three year grant term (July 1, 2018 to June 30, 2021 – Council File #18-0529) to maintain the operations of this unit to provide claims verification for crime victims.

JPVU enhances the City's existing services by allowing the program to expedite the "Victims of Crime Compensation Claims" verification and reimbursement process for victims who are entitled to financial assistance. The JPVU grant is funded through the State Victim Compensation and Government Claims Board. Government Code Section 13959 states that it is in the public interest to assist residents of the State of California in obtaining restitution for the pecuniary losses they suffer as a direct result of criminal acts. Under this code, certain victims of crime may receive payment for unreimbursed losses directly resulting from a crime.

During the first eleven months of FY 2020-2021 (July 1, 2020 through June 30, 2021), JPVU processed 1,166 new claims and 7,773 bills related to medical/mental health expenses, loss of support, wage loss, funeral/burial and/or moving/relocation expenses for ongoing claims previously processed. The value of FY 2020-21 claims processed has exceeded \$2.85 million.
