**Comments for Public Posting:** I am opposed to ALL manufacture and sale of Animal Fur products. Fur involves extreme cruelty both in the forced impregnation of the animals involved, and the end Electrocutation, scalding and slaughter with various inhumane methods. fur is obsolete and barbaric. We have options that are cruelty free and fashionable and warm like Primaloft and other man made materials. STOP ALL BREEDING AND KILLING OF HELPLESS ANIMALS AND MAKE THE SALE OF ANIMAL SKIN AND FUR ILLEGAL AND PUNISHABLE BY LAW.
