TO REMOVE 515 N. BEACON FROM CONSIDERATION
FOR HOMELESS PARKING AND BRIDGE HOUSING

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and
Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

PETITION

**TO REMOVE 515 N. BEACON FROM CONSIDERATION
FOR HOMELESS PARKING AND BRIDGE HOUSING**

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

PETITION

TO REMOVE 515 N. BEACON FROM CONSIDERATION
FOR HOMELESS PARKING AND BRIDGE HOUSING

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and
Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

PETITION

**TO REMOVE 515 N. BEACON FROM CONSIDERATION
FOR HOMELESS PARKING AND BRIDGE HOUSING**

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

PETITION

TO REMOVE 515 N. BEACON FROM CONSIDERATION
FOR HOMELESS PARKING AND BRIDGE HOUSING

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

**REMOVE 515 N. BEACON FROM CONSIDERATION
JR HOMELESS PARKING AND BRIDGE HOUSING**

Whereas, the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000), community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatters rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatter rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.

PETITION
TO REMOVE 515 N. BEACON FROM CONSIDERATION
FOR HOMELESS PARKING AND BRIDGE HOUSING

Whereas the City of Los Angeles has spent millions of TAXPAYER DOLLARS to beautify the entrance to the Harbor and Port, and millions more to rebuild the former Ports O' Call to become the new Public Market, and

Whereas, the CRUISE SHIPS berth is directly across from this site, and

Whereas, the City is choosing among 3 bidders to redevelop RANCHO San Pedro, and

Whereas, the welfare of our tourist attractions: Cruise ships, USS Iowa, Catalina Express, Crafted, Browerij West, SS Lane Victory and businesses in the downtown area continue to struggle with declining sales due to the continued influx of homeless, drug dealers, panhandlers and the mentally ill, and

Whereas, San Pedro already houses more than our fair share of homeless, providing services for them, including halfway houses (current count is above 73 for a population of 83,000) community early-release correctional centers, and more, and

Whereas, San Pedro does not have adequate police & our children are exposed to things they should not have to see, we are concerned that if a homeless shelter is built with Overnight Safe Parking for homeless, these problems will increase & they will never leave. We are at risk for rampant illness, lawsuits, and squatter rights.

Therefore, we the stakeholders of San Pedro, request that 515 N Beacon St. be removed from consideration for the Bridge Housing Shelter and Safe Parking vehicle dwelling projects.
