Robert, Julie,

Please see the report below for a summary of Site 1267 and 1276, and let me know if you need any additional information. Similar to the reports for Sites 1267 and 1324, this report is based on the information available in various SRP systems and applications.

Thanks,
Arsen

SRP Site #1267 and #1450 (overlapping requests) - Access Request

- Address for Site 1267 is: 1244 N CHEROKEE AVE, LOS ANGELES
- Address for Site 1450 is: 1228 N CHEROKEE AVE
- Original request for Site 1267:
 - Submitted by Department on Disability on 01/11/2017 (from a previous request to DoD on 12/14/16) through MyLA311; SRID 1-420421231
 - FIX CRACKED/BROKEN SIDEWALK
 - Ms. Patty Brittan advised she has mobility issues and her sister lives at 1251 N. Cherokee. Due to the lifted and uneven sidewalks she has to walk in the middle of the street. The City tree roots are expanding into her front yard as well. (Sidewalks are unsafe). Chris Wax is a tenant of Patty and Barbara, he advised the roots are destroying the sidewalk and people are constantly tripping on this stretch of sidewalk. His neighbor uses a wheelchair, and must access the street to maneuver around the sidewalk.
- Original request for Site 1450:
 - Submitted by Department on Disability on 01/10/2017 (from a previous request to DoD on 12/12/16) through MyLA311; SRID 1-419855661
 - FIX CRACKED/BROKEN SIDEWALK
 - Caller advised her sister has mobility issues and resides at 1228 N. Cherokee. Due to the lifted and uneven sidewalks she has to walk in the middle of the street. The City tree roots are expanding causing the sidewalk to lift. Ms. Barbara advised the tree roots are expanding into 1251 N. Cherokee, and at her other residence at 1244 N. Cherokee, where she has tenants.
- Preliminary field assessment completed by BSS on 2/4/17 and 2/8/17 (merged for both requests):
