**Re: Flavored Tobacco Ban (Support)**

Dear Mayor of the City of Los Angeles, Eric Garcetti

The student leaders of United Parents and Students (UPAS) along with our parents, community members and teachers are strongly in support of a City of Los Angeles ban on flavored tobacco products, including mint and menthol. As you know, UPAS is an organization comprised of parents and students who work to address barriers outside of the classroom that affect the learning process in school. We the student leaders represent over 4,000 students from 6 different schools across Los Angeles.

Over the past few years there has been a drastic increase in the use of flavored tobacco products, especially vaping products, within our schools and communities. We have seen firsthand the illegal use of these products in school settings including but not limited to: classrooms, restrooms, locker rooms and local parks.

Tobacco remains the leading cause of preventable death in our country, and sadly more than 4 out of 5 young adults ages 18-24 who have ever used tobacco reported that the first product they used was flavored. Furthermore, over half of current high school e-cigarette users report using a menthol or mint flavored product.<sup>1</sup>

This issue is very important to us. On a daily basis we as students have to navigate gang violence, poverty, food deserts and homelessness. We should not also have to fight tobacco companies who target black and brown youth. We are doing our part to bring drug prevention programs to our schools and to provide education and awareness workshops to our parents. We are counting on you to protect us on a legislative level and support passing this ban on flavored tobacco products. Cities like Beverly Hills and Manhattan Beach have prioritized their community's health and their student's health. We believe that the City of Los Angeles can and should do the same.

We look forward to seeing your leadership on this issue. Thank you for your continued support of United Parents and Students and the people of Los Angeles.

Sincerely,

The Student Leaders of United Parents and Students
