Comments for Public Posting: Please do not approve the vacation rental ordinance. We already have huge problems with party houses and the home sharing ordinance is not being enforced. The city needs more rentals, not more vacation houses. We have plenty of hotels for vacations. Please do not deny hotels that revenue when they need it drastically and do not deny LA residents the opportunity to find places to rent.

Comments for Public Posting: With the current Safer LA orders in effect, now is not the time to bring in more tourists and partiers to our neighborhood. It's reckless and dangerous. Also, I've seen first hand how party houses can ruin the quality of life on our street. With the home sharing ordinance being so poor enforced, how can you even consider an expansion at this time?? The Vacation Rental Ordinance would cause significant problems in my neighborhood of Bel Air and should not be passed.
