Subject: Council Item File Number: 18-1246 OPPOSE

Councilmember Marqueece Harris-Dawson,

A 2019 report found that 7,289 units of housing around Los Angeles, much of it rent-stabilized or affordable housing, had been lost to short-term rentals. There are already too many illegal short-term rentals in our neighborhoods, making housing more expensive and displacing long-time residents. Please don't let short-term rentals crowd out affordable housing in our city.

I urge you to reject the Vacation Rental Ordinance, Council File Number: 18-1246, which would allow second homes to be used as short-term rentals and listed on platforms like Airbnb and VRBO. We need more aggressive enforcement of the current home-sharing ordinance, not more loopholes that convert affordable housing into illegal hotels in our neighborhoods.

Thank you.

Subject: LA has an affordable housing crisis. Council Item Number 18-1246 would make it much worse.

Council President Nury Martinez,

We face evictions, homelessness, and rising rents. LA has an affordable housing crisis. The proposed Vacation Rental Ordinance would make it much worse by allowing the ultra-wealthy

buy second homes and then list them as vacation rentals instead of housing. That would cost Los Angeles an estimated 14,740 housing units.

I urge you to reject the Vacation Rental Ordinance, Council File Number: 18-1246, which would allow second homes to be used as short-term rentals and listed on platforms like Airbnb and VRBO. We need more aggressive enforcement of the current home-sharing ordinance, not more loopholes that convert affordable housing into illegal hotels in our neighborhoods.

Subject: Your Opposition to Council Item File Number: 18-1246 Is Appreciated

Councilmember Kevin De Leon,

We are in a housing crisis. We appreciate you, Councilmember, for opposing unhosted short-term rentals, which could reduce available housing on the market by allowing the ultra-wealthy to buy second homes and then list them as vacation rentals instead of housing. As you know, this proposed vacation rental ordinance would cost Los Angeles an estimated 14,740 housing units at a time when every unit of housing counts. Thank you for opposing the conversion of homes into de-facto hotels.

We urge the city to enforce the current Home Sharing Ordinance, because we want more housing and a more livable city for us all.

Thank you for doing the right thing.

Subject: Thank you for Opposing Short Term Rentals, Please Vote No on Council Item File Number: 18-1246

Councilmember Kevin De Leon,

As Angelenos, we face evictions, homelessness, and rising rents and are in the midst of an affordable housing crisis. The proposed Vacation Rental Ordinance would make it much worse by allowing the ultra-wealthy to buy second homes and then list them as vacation rentals instead of housing, which would cost Los Angeles an estimated 14,740 housing units. Thank you for standing with your constituents in opposition to unhosted short term rentals.

We urge the city to enforce the current Home Sharing Ordinance, because we want more housing and a more livable city for us all.

Thank you for doing the right thing.
