PLUM Committee Members,

Please don't allow this to happen, we need regular housing, not landlords that will rent short term rentals and reduce the amount of places available to rent for families-

Public Comments Not Uploaded Protect Our Neighborhoods / Vacation Rentals Ordinance (CF #18-1246)1 message

PLUM Committee Members,

I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. The emergence and proliferation of unregulated short term rentals have been proven to demonstrate negative impacts on the existing regional housing crisis, neighborhood character, and local code enforcement. The vacation rentals ordinance will undermine critical protections for our neighborhood that we fought years to achieve. Please vote NO
