PLUM Committee Members,

Please stop the vacation rentals ordinance. Our homes and apartments should be for our neighbors, not turned into hotels.

PLUM Committee Members,

I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. The emergence of unregulated short term rentals have been proven to demonstrate negative impacts on the existing regional housing crisis and neighborhood character. The vacation rental ordinance will undermine critical protections for our neighborhood that we fought years to achieve. Please vote NO

PLUM Committee Members,

I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. Thousands of units have been lost to short-term rentals. The vacation rentals ordinance will undermine critical housing protections that Angelenos fought years to achieve. Please stop the ordinance and protect our housing.

PLUM Committee Members,

Please stop the vacation rentals ordinance. Our homes and apartments should be for our neighbors, not turned into hotels. We already have a huge mountain of neighborhoods in crisis and problems in our decaying city that continues to erode the quality of life. We certainly do not need any more. Please oppose any more delusion in our city.
