Councilmember Cedillo and PLUM Committee Members,

I want to write to thank Councilmember Cedillo for protecting our neighborhood and stopping an upzone / zone change with no affordable housing as part of the James M Wood project. We ask that Councilmember Cedillo continue to stand with us on the final vote at James M Wood project and vote for housing over hotels. Please vote to demand the affordable housing required by law at this project.

We have plenty of places to stay that are extremely expensive and there are hotels downtown that connect to koreatown via bike and train. What we need is to maintain enough affordable housing.

Councilmember Cedillo and PLUM Committee Members,

I want to write to thank Councilmember Cedillo for protecting our neighborhood and stopping an upzone / zone change with no affordable housing as part of the James M Wood project. We ask that Councilmember Cedillo continue to stand with us on the final vote at James M Wood project and vote for housing over hotels. Please vote to demand the affordable housing required by law at this project.
