Hon. Councilmember McOsker,

The Budget and Finance Committee is considering efforts to further study the Vacation Rentals Ordinance. I urge you to vote NO and stop a report on the ordinance from being brought back by removing Recommendation #6 of Item 4 on your agenda.

The City has been working to close enforcement gaps in the Home Sharing Ordinance and exploring stronger legal remedies against illegal listings. Allowing second homes and investor-owned condos as vacation rentals reverses that progress and weakens the City's ability to preserve housing for residents. Los Angeles must not move backward.
