PLUM Committee Members,

The emergence and proliferation of unregulated short term rentals have been proven to demonstrate negative impacts on the existing regional housing crisis and neighborhood character. Please vote NO on the Vacation Rental Ordinance

PLUM Committee Members,

Please stop the vacation rental ordinance. Our homes and apartments should be for our neighbors, not turned into hotels.

PLUM Committee Members,

I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. The emergence and proliferation of unregulated short term rentals have been proven to demonstrate negative impacts on the existing regional housing crisis, neighborhood character, and local code enforcement. The vacation rentals ordinance will undermine critical protections for our neighborhood that we fought years to achieve. Please vote NO
