PLUM Committee Members,

I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. Thousands of units have been lost to short-term rentals. The vacation rentals ordinance will undermine critical housing protections that Angelenos fought years to achieve. Please stop the ordinance and protect our housing.

PLUM Committee Members,

Do you care about the residents of this community? Please stop the vacation rentals ordinance. Our homes and apartments should be for our neighbors, not turned into hotels. The homeless population is growing, they need a place to live.. to pick up their lives. I'm not surprised you're allowing this. You allowed metro to do construction overnight with bulldozers and generators 5-10ft in front of peoples homes for over 6 months and did nothing about it. It's all politics though isn't it. How much are you getting paid? How do you sleep at night?

Best,
Crystal

PLUM Committee Members,

No to the vacation rental ordinance. I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. Thousands of units have been lost to short-term rentals. The vacation rentals ordinance will undermine critical housing protections that Angelenos fought years to achieve. Please stop the ordinance and protect our housing. We don't need more homeless people wandering our streets.

I live in Hollywood and see tourists encounter the homeless on a daily basis. There are so many homeless people in my neighborhood I'm considering leaving LA. Removing housing units is the exact opposite of what should be done. Please convert unused retail space to housing and charge building owners a tax for long term vacancies. Many people in this city are homeless because costs are simply too high. Once they're on the street mental illness sets in and your inaction suddenly becomes our every day problem. Please fix this rather than aggravate an already bad situation.

PLUM Committee Members,

I am writing urging you to oppose the unnecessary, damaging vacation rental ordinance. Thousands of units have been lost to short-term rentals. The vacation rentals ordinance will undermine critical housing protections that Angelenos fought years to achieve. Please stop the ordinance and protect our housing.

I live in Hollywood and see tourists encounter the homeless on a daily basis. There are so many homeless people in my neighborhood I'm considering leaving LA. Removing housing units is the exact opposite of what should be done. Please convert unused retail space to housing and charge building owners a tax for long term vacancies. Many people in this city are homeless because costs are simply too high. Once they're on the street mental illness sets in and your inaction suddenly becomes our every day problem. Please fix this rather than aggravate an already bad situation.

I live in Hollywood and see tourists encounter the homeless on a daily basis. There are so many homeless people in my neighborhood I'm considering leaving LA. Removing housing units is the exact opposite of what should be done. Please convert unused retail space to housing and charge building owners a tax for long term vacancies. Many people in this city are homeless because costs are simply too high. Once they're on the street mental illness sets in and your inaction suddenly becomes our every day problem. Please fix this rather than aggravate an already bad situation.
