PLUM Committee Members,

Thousands of units have been lost to short-term rentals. The vacation rentals ordinance will undermine critical housing protections that Angelenos fought years to achieve. Please stop the vacation rentals ordinance

PLUM Committee Members,

Do you care about the residents of this community? Please stop the vacation rentals ordinance. Our homes and apartments should be for our neighbors, not turned into hotels. The homeless population is growing, they need a place to live.. to pick up their lives. I'm not surprised you're allowing this. You allowed metro to do construction overnight with bulldozers and generators 5-10ft in front of peoples homes for over 6 months and did nothing about it. It's all politics though isn't it. How much are you getting paid? How do you sleep at night?

Best,  
Crystal
