Comments for Public Posting: I support City Council File 25-0193, which references City Council File 19-0002-S101, to end dog and cat meat trade in Hanoi, Vietnam. I am against the abuse and killing of dogs and cats. I would like Los Angeles to do what it can to stop the practice. Please vote yes on this Motion.

Comments for Public Posting: This sick torture (dog and cat meat torture) MUST be stopped A.S.A.P. We are in a supposedly sane world that has no room for these nasty dog and cat torturers and murderers. The idiots who started this barbaric and so-called trade should have been terminated at the outset. Disgusting, outdated and torturous. These scumbags need a taste of their own medicine. There is no room for these demented brained 'sikko's on our planet. A swift death would be good for all of these demented brained so-called humans!!! Thank you - Jonathan White.
