Summary: Honorable City Council members: The Empowerment Congress West Neighborhood Development Council (ECWANDC) is in favor of adopting the recommendation and report of the Chief Legislative Analyst dated March 7, 2019, regarding the opposition of SB50. Council File No. 19-0002-S38 Adopt Resolution (Koretz - Haris-Dawson) to include in the City's 2019-2020 State Legislative Program, OPPOSITION to SB 50 (Wiener), which would allow construction of multi-family residential buildings near major transit stops otherwise prohibited by local land use regulations and procedures, unless the bill is amended to exclude the City of Los Angeles from its provisions. ECWANDC has drafted this community impact statement requesting that the Los Angeles City Council favorably consider this recommendation. Thank you for your consideration.
