Summary: The Lake Balboa NC supports CF19-0002-S50 which opposes the restrictions proposed in AB516 that seek to limit current authority of local law enforcement and local jurisdictions to have vehicles removed from public right of way and impounded under various circumstances including 5 or more unpaid parking citations, registration that is 6 months or more out of date or have been left on a public street for over 72 hours without being moved. We agree that imposing these restrictions would remove a critical law enforcement tool and would have a detrimental effect on the Public Safety and quality of life for residents of our community.
