Los Angeles City Clerk CPS-LAS,

I strongly support the Westside Los Angeles Neighbors Network's CEQA appeal of the finalization of the Great Streets Venice Blvd. project which is scheduled to be on the City Council agenda on Tuesday, March 5, 2019.

There were many significant concerns raised during the one-year pilot project to support a fair argument that the road diet has had significant impacts upon the environment. Concerns that have not been acknowledged, answered or addressed by LADOT, the Great Streets Initiative, or Councilman Bonin's office.

So how can the City of Los Angeles make this project permanent without an environmental review? How can the City go back on its promise made in March 2018 that: "If it (Great Streets Venice Blvd) is made permanent, there will be an environmental assessment and accompanying public process."

Please rectify this error by granting the CEQA appeal brought before you by the Westside LA Neighbors Network.
