Hello,

As a former member of the Mar Vista Community Council and a decade-long resident of Mar Vista, I would like to formally register my support for the changes done to Venice Boulevard in Mar Vista over the past couple of years. There are many reasons for my support, most of which can be found in the document prepared by LADOT.

Thank you for your consideration,
Damien

As someone who drives, walks and bikes on Venice Blvd., I have seen the significant improvement in safety since the upgrades have been put into place. Please keep these improvements and continue to implement these types of safety features across the city.
