

MOTION

The Twelfth Council District (CD 12) has received a request to donate one hundred XTS5000 Motorola Radios to the California Emergency Mobile Patrol (CEMP), a 501 (c)3 non-profit organization based in the San Fernando Valley. The mission of CEMP is to volunteer specialized services such as responding to community needs of search and rescue and providing resources for unusual occurrences and general assistance in times of disaster.

Section 22.547 of the Los Angeles Administrative Code provides that upon Council approval, surplus City equipment may be sold for less than market value to a non-profit organization located in the City of Los Angeles, which has been established exclusively to further the services provided by the City and its departments. The donation one hundred XTS5000 Motorola Radios will further CEMP's humanitarian purposes and benefit residents of the City by enabling it to advance CEMP's mission of providing emergency search and rescue services within the City of Los Angeles. The fair market value is \$50,000 (\$500 each), which will be foregone revenue should it be donated.

I THEREFORE MOVE that the City Council:

1. Find that California Emergency Mobile Patrol (CEMP) is eligible to purchase 100 (one hundred) XTS5000 Motorola Radios at below market value (\$1.00) in accordance with LAAC Sec. 22.547 (Donation of Surplus City Equipment), as the recipient is a non-profit organization that has been established exclusively to further the services provided by the City; and
2. Request the City Attorney to prepare a contract to effectuate the sale and transfer of the above identified surplus equipment at below market value to CEMP; and
3. Instruct the City Clerk to inform CEMP [Mike Panman, President, PO Box 33631, Granada Hills, California 91394, (818) 324-5363] that the surplus equipment must be claimed within 60 days from the date of Council approval of the request after which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services.
