Comments for Public Posting: With all due respect, I've seen VERY little to laud in the way of recent Mayor and City Council activity. In my view, we needed to replace the LAPD police chief (and stop this excessive police overtime!!), and be IMMENSELY "PRO-ACTIVE" in solving the homeless/insufficient low-cost housing problem. And this MUST include the City's securing this old "Morrison Hotel" (at Pico and Hope) (and many other, similar properties)(either via purchasing it or seizure by public domain) and renovating it for low cost housing)!!
