**Comments for Public Posting:** Show me the Los Angeles city council hates affordable housing without telling me the Los Angeles city council hate affordable housing. There's been almost \$600,000 of lobbying for this bill. The letters of support are tied to astroturf groups tied to the National concrete industry. There is 100% no reason to pass this bill. It doesn't protect us from wildfire or make us safer. If you want to do something to benefit Los Angeles, repeal the antiquated fire district 1 in full.
