Comments for Public Posting: Nury Martinez needs to back the fuck off and stop trying the same strategies of criminalization and crackdowns that have completely failed and gotten us to the point where we are now. Why didn't we let the new CARE and CARE+ teams try for longer? This looks like yet another attempt by city officials to sweep this problem under the rug and prioritize the superficial needs of their housed constituents at the expense of their much more needy unhoused constituents. This change will solve nothing and will make the issue worse.
