Summary: The Mar Vista Community Council Board of Directors supports the LA City Council's pursuit of a vacancy tax or similar levy within its jurisdiction. It requests the LA City Council not delay in drafting and approving such a ballot measure for consideration in the 2022 Midterm election cycle, and further encourages the Los Angeles City Council to include the following in the proposed ballot initiative: clear and definitive language on how the revenues from this parcel tax would be spent; creation of a commission for oversight of the funds; clear prohibitions against use of these revenues other than for the specifically identified appropriations listed in the initiative; and language that clearly and definitively addresses properties that will be exempt from this levy, including elderly or disabled individuals who reside in a hospital or care facility.
