Comments for Public Posting: Dear Council Members, I am writing to you to express my disappointment with City Council President Nury Martinez and the rest of the city council for acting too slow on this item "Empty Homes Penalty / Vacant and Habitable Housing Units" (Council File 19-0623). Although this may not solve the homelessness crisis, it is a tool in trying to solve the housing and homelessness crisis by placing a 'Vacancy Tax' on the November 2022 ballot. The Los Angeles City Council is lagging and not doing enough to solve the Housing and Homelessness Crisis. It is shame! Thanks!
