COMMUNITY IMPACT STATEMENT
IN SUPPORT of Council File 19-0781
LEGACY BUSINESS PROGRAM

The Silver Lake Neighborhood Council is in strong support of the motion to initiate a Legacy Business Program in Los Angeles.

In light of recent economic difficulties for small businesses, and especially since COVID-19 pandemic, where many locally run establishments have been forced to close their doors, we urge you to find support for these businesses with the implementation of a Legacy Business Program. Small businesses contribute to the cultural diversity of our neighborhoods and this program will serve to maintain the stability and vibrancy of our communities.

Preservation of small businesses can enhance community character, provide services the neighborhood needs, and help preserve the history of the community.
