Whereas, the Coalition of Los Angeles City Unions ("Coalition") and the City of Los Angeles ("City") have partnered together over many years to address various crises that affected both parties, including but not limited to the financial crisis of 2008, pension reform, targeted local hiring, ADR/Workers' Compensation reform, revenue generation, loan and bond fee review, encumbrance review and redevelopment, health care plan design, and joint advocacy for third party benefits agreements.

Whereas, with each crisis, the Coalition and the City have worked together to solve these problems to everyone's benefits.

THEREFORE, THE COALITION AND THE CITY HEREBY AGREE AS FOLLOWS:

1. The Parties will meet to discuss ways to reduce the City's health care expenditures with a goal of \$22 million by calendar year 2020.
2. The Parties will work together to impress upon health care corporations the importance of cost containment, including the need to constrain rates.
3. The Parties will meet as needed, but no less than twice each year until December 31, 2020.
4. These discussions will not modify the collective bargaining agreements, except by mutual consent of all the Parties.
