We're a 501c3 nonprofit organization here in Los Angeles, mid Wilshire area and we work with different homeless outreach centers, drop in centers, wrap around programs, and recently, the city of Los Angeles. We're involved in the tiny homes movement for the unhoused. We are experienced consultants (via our relationships) with wrap around services , who are proficient in such cares as , shelter, mental health issues, nutritional diet, drug addiction services , and hopelessness. We also offer and are authorized to solicit several brands of Tiny Homes , (direct from the manufacturer) that will surely help meet the needs of the unhoused community , city wide, in a humane manner.
