Honorable Members of the City Council
c/o City Clerk City Hall, Room 395

RE: Nomination of Kathy Schreiner as Alternate Representative to the Community Forest Advisory Committee (CFAC) for CD2

Honorable City Council Members,

As Chair of the City of Los Angeles' Community Forest Advisory Committee (CFAC), I am pleased to accept the nomination of Kathy Schreiner as alternate representative to CFAC for Councilmember Adrin Nazarian in Council District 2.

CFAC was formed in 1993 and is tasked with advocating for the protection and expansion of a healthy and robust tree canopy for the City of Los Angeles and its environs. As members appointed by each Council District and the Mayor's office, our role is to advise City Council and city departments on tree-related policies and help develop programs which protect and expand the city's urban forest for the health and well-being of all Angelenos. We are dedicated to habitat/ecosystem/biodiversity protection and more sustainable land use.

Kathy Schreiner has been attending CFAC regularly as a member of the public for some years and is familiar with its work. She has been a longtime member of the Los Angeles Neighborhood Council Sustainability Alliance Trees Committee, which I also chair. She has shown leadership in her community as president, and previously as vice president, of the Van Nuys Neighborhood Council. She is dedicated to preserving biodiversity in the city, and, as a member of the East San Fernando Valley Light Rail Community Leadership Council, has advocated for native trees to be planted by Metro.

I welcome Kathy Schreiner's participation serving as my CD2 CFAC Alternate.

Sincerely,

a

Joanne D'Antonio, CFAC Chair
