COUNCIL TRANSMITTAL: REQUEST FOR AUTHORITY TO ISSUE TAX-EXEMPT MULTIFAMILY CONDUIT REVENUE BONDS IN THE AMOUNT UP TO \$9,646,426 FOR THE RESEDA THEATER SENIOR HOUSING SUPPORTIVE HOUSING PROJECT

SUMMARY

In accordance with Executive Directive No. 3, the General Manager of the Los Angeles Housing + Community Investment Department (HCIDLA) respectfully requests that your office review and approve this transmittal and forward it to the City Council for further consideration. Through this transmittal, HCIDLA requests authority to issue tax-exempt multifamily conduit revenue bonds or notes in the amount not to exceed \$9,646,426 for the Reseda Theater Senior Housing (Project). The California Debt Limit Allocation Committee (CDLAC) designated October 13, 2020, as the bond issuance deadline for the Project.

RECOMMENDATIONS

- I. That the Mayor review this transmittal and forward to the City Council for further action;
- II. That the City Council, subject to the approval of the Mayor:
 - A. ADOPT the Resolution, provided as Attachment A to this report, authorizing the issuance of up to \$9,646,426 in tax-exempt multifamily conduit revenue bonds or notes for the Reseda Theater Senior Housing Project;
 - B. AUTHORIZE the General Manager of HCIDLA, or designee, to negotiate and execute the relevant bond documents for the Project, subject to the approval of the City Attorney as to form; and;
 - C. AUTHORIZE the General Manager of HCIDLA, or designee, to decrease the interest rate of the

Reseda Theater Senior Housing Project Proposition HHH loan of \$4,060,000, below 3.0% but no lower than 1.0% simple interest rate as needed and determined by the HCIDLA.

BACKGROUND

Project Summary

The proposed development is located at 7221 Canby Avenue, Los Angeles, CA, in Council District 3. The project involves the new construction on vacant land of 26 units with 13 parking spaces provided onsite and off-site. Reseda Theater Senior Housing sits on approximately 0.25-acres. It will consist of a 4-story building in a Spanish architectural style and will be of Type V wood framed construction.

The target demographic for the project will be residents that are at or below 50% of AMI. Of the total 26 units (24 one-bedroom, 1 two-bedroom, and 1 manager's unit), 13 units are designated to serve homeless and chronically homeless seniors. The 13 Supportive Housing (SH) units will receive project-based vouchers.

The project will have 1,990 SF of common space, including a community room, a TV/media room, a kitchen, a gym, and offices for social services. Outdoor community spaces will include a BBQ and seating areas within a central courtyard. Reseda Theater Senior Housing is about a block away from Canby Woods, a 98-unit affordable senior project owned and operated by the project sponsor. Residents of Reseda Theater Senior Housing are expected to use amenities at Canby Woods as well.

Financing History

On September 10, 2019, HCIDLA executed an inducement letter in the amount not to exceed \$11,875,000. The letter evidenced the official intent of the City of Los Angeles to issue its bonds for the development. The letter was executed per previous authority granted to HCIDLA by the City Council and Mayor (C.F. No. 04-2646). On January 21, 2020, on behalf of the Reseda Theater Senior Housing, LP, HCIDLA submitted a bond application to CDLAC requesting \$9,646,426 bond allocation. A copy of the inducement letter and evidence that the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) requirements have been met were included as part of the bond application. Per the TEFRA requirements, on October 25, 2019, a TEFRA Resolution was approved by the City Council and the Mayor (C.F. No. 19-1227). The TEFRA Resolution summarized that a public hearing was publicized, took place, and the hearing minutes were provided to the City Council and the Mayor.

Affordability Restrictions

Pursuant to the City's Affordable Housing Bond Policies and Procedures (AHBPP) for Private Activity Bonds for Multifamily Rental Properties, approved September 2019, the Project must provide long-term affordable housing in the City of Los Angeles. Therefore, in connection with the issuance of the tax-exempt bonds, one or more Bond Regulatory Agreements will be executed and recorded in the official records of the Los Angeles County Recorder's Office. Each Bond Regulatory Agreement will include affordability restrictions throughout a term ending no sooner than the later of: 1) 55 years after the date on which 50% of the dwelling units are first occupied; 2) the date such bonds are paid in full; or, 3) the date on which any Section 8 assistance terminates, if applicable. In addition to the above, the bond award includes a CDLAC Resolution, which requires that the Project's affordable housing units remain affordable for 55 years. The Project will also have affordability restrictions applied under a separate

agreement with the California Tax Credit Allocation Committee (CTCAC) for a term of 55 years, as a result of the April 14, 2020 allocation of the 4% Low Income Housing Tax Credits (LIHTCs).

All 25 supportive housing units will be targeted toward seniors experiencing homelessness and will be rent restricted at or below 50% of Area Median Income (AMI). Table 1, below, provides a summary of the project unit mix, pursuant to the CDLAC Resolution.

Financial Structure

The City, as Issuer, will issue a bond (Bond) that will be unenhanced and unrated but will be subject to the City's AHBPP. The Bond will be privately-placed and initially purchased by R4 Capital Funding LLC (Bank). Bank will fund a loan (Funding Loan) to the Issuer and the Issuer will issue the Bond to Bank. The proceeds of the Funding Loan will be used by the Issuer to make a tax-exempt loan (Borrower Loan) to the Borrower in the amount not to exceed \$9,646,426, pursuant to the terms of a Construction and Permanent Loan Agreement between the Issuer, Bank, and the Borrower. The Borrower will execute a promissory note (Borrower Note) as evidence to repay the Borrower Loan. The Issuer will assign the Borrower Note evidencing the Borrower Loan to Bank as security for the Bond. Among its various functions, the Fiscal Agent (to be determined) will receive funds advanced by Bank in exchange for additional principal amount of the Bond and release such funds to the Borrower for the Project construction. The construction loan will be paid monthly as an interest-only loan, will mature in 30 months with one six-month extension option, and shall bear interest at a rate based upon the 10-year Treasury Index published by Thomson Reuters, plus a spread of 2.70%, subject to a bond interest rate floor of 3.75%. As of June 9, 2020 the 10-year Treasury Index is 0.83%, and the construction loan note rate would be 3.75%.

At conversion to permanent financing, a portion of the construction loan will be paid off from permanent financing sources, including investor equity. The remaining balance of the construction loan, currently estimated at \$2,857,828, will convert to a fixed rate Permanent Bond (Permanent Bond) and will be purchased by R4 Capital Funding LLC. The interest rate on the Permanent Bond is currently estimated at 3.75%. The term of the permanent loan is 16 years.

The financing structure will include funding from the HCIDLA Proposition HHH Supportive Housing Loan Program (HHH), C.F. No. 17-0090-S4, funding from the Los Angeles County Development Authority (LACDA) No Place Like Home Loan Program (NPLH) and credit equity investment (4% federal tax credits) from R4 Capital LLC. In addition, the Project will receive project-based vouchers

through the Housing Authority of the City of Los Angeles (HACLA). The City will provide a Seller Loan to the borrower to enable borrower to purchase the land from the City (C.F. No. 14-1174-S34).

HCIDLA requires that R4 Capital Funding LLC meet the City’s Responsible Banking Ordinance #182138 reporting requirements. At closing, bond counsel will provide the required legal opinions as to the tax-exempt status of the interest on the Bond, under federal and state law. The legal and financing documents will include language that establishes the bond structure as a limited obligation and strictly payable from Project revenues. The Project financing complies with both the City’s MFBPP and Financial Policies. Additionally, the legal and financing documents will require the Borrower to provide annual statements and information as requested by HCIDLA.

Interest Rate Reduction on HHH Loan

Recently approved amendments to the 2018-19 Proposition HHH Regulations (C.F. No. 17-0090-S8) permit HCIDLA to decrease the interest rate up to 2.0% in cases where the equity investor's capital accounts are negative, and/or other demonstrated adverse financial condition(s) are present. The issue of the negative capital accounts is partly due to the 2016 tax reform, which included changes to calculating depreciation. A reduction in interest rate may significantly benefit the Project if the investor’s capital accounts are negative and/or there are other adverse financial conditions present. Subject to the City Council’s authority, HCIDLA will review and may approve an interest reduction from 3% simple to a minimum 1% simple interest rate for the Proposition HHH funds if determined necessary to strengthen the financial viability of the project.

Total	\$18,279,576	\$703,061

The Project’s Total Development Cost (TDC) per unit equals \$703,061. The high cost per unit figure is attributed to the following items:

- Small Project Size.** The fixed costs associated with the project are averaged over only 26 units, which drives up the cost per unit. This development is providing similar infrastructure, services, and amenities that would be included in any supportive housing project. In addition, the height limit on this site was the constraining factor. The developer applied for a density bonus to increase the height to a maximum of 54 feet, to which the project is being built. With such a small site and a tight constraint on height, the project is achieving more than 104 dwelling units/acre. Therefore, the developer is maximizing the density notwithstanding the small lot size.
- Power Poles on a Small Lot.** The land is situated in between five power poles that line the site on two sides on approximately a quarter acre site. The developer is required to design the building to provide requisite clearance to these poles, both during and after construction to meet the City and County mandate. These conditions increase both soft costs, as it is more work for architects and engineers to design the project to comply with these requirements, as well as hard costs, as the contractor must build around these impediments.
- Additional Sustainability Commitments.** Because this location does not score full amenity points for CDLAC, the developer offset the point reduction by making additional sustainability commitments in its second TCAC/CDLAC application. The project will include solar panels to offset 40% of its energy usage. These commitments were necessary to make the cutoff for a TCAC/CDLAC award and are partially responsible for the increase in the construction budget.

HCIDLA's Bond Team for the financing of the Project is as follows:

Bond Issuer Municipal Advisor:	CSG Advisors, Inc. 315 W. 5 th Street, Suite 302 Los Angeles, CA 90013
Bond Issuer Counsel:	Los Angeles City Attorney 200 N. Spring Street, 21 st Floor Los Angeles, CA 90012
Bond Counsel:	Kutak Rock LLP 777 S. Figueroa Street, Suite 4550 Los Angeles, CA 90017

Labor Costs

Labor costs for the Project are subject to California prevailing wage requirements, and/or federal wage requirements under the Davis–Bacon Act of 1931 and Related Acts, as applicable.

FISCAL IMPACT

There is no fiscal impact to the General Fund as a result of the issuance of the Bond. The City is a conduit issuer and will not incur liability for repayment of the Bond. The Bond is a limited obligation, payable strictly from revenue derived from the Project. The City will not be obligated to make payments on the Bond.

Upon deposit by the Purchaser of each installment of the purchase price of each draw-down Bond, the aggregate amount of the Bond purchased shall be deemed Outstanding and shall begin to accrue interest. Notwithstanding anything herein to the contrary, the aggregate purchase price of the Bond funded by the Purchaser may not exceed the authorized amount set forth in Section 3.01 (and no additional amounts may be funded after the last day of the third calendar year following Issue Date) unless there is delivered a Favorable Opinion of Bond Counsel. The Issuer and the Trustee acknowledge that the Borrower and the Purchaser have agreed, pursuant to the Purchase Agreement, that under certain circumstances the Bond may be converted from a draw-down bond issue to a fully-funded issue, and each of the Issuer and the Trustee agrees to take all actions reasonably required of it in connection with such a conversion of the Bond to a fully-funded Bond issue.

Section 3.03. Interest Rate on Bond. The Bond shall bear interest on the amount Outstanding at the Bond Coupon Rate from the Issue Date to the date of payment in full of the Bond, calculated in the manner set forth in the form of the Bond. Interest accrued on the Bond shall be paid in arrears on each Interest Payment Date and on the Maturity Date and any date of redemption prior to the Maturity Date; provided however, that in the event that principal or interest payable on the Bond is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate, as more fully set forth in Section 6.08 hereof. [The Indexing Agent will promptly after each Rate Determination Date notify the Issuer, the Trustee, the Borrower and the Controlling Person via electronic mail of the applicable Bond Coupon Rate. The determination of the Bond Coupon Rate by the Indexing Agent, absent manifest error, shall be conclusive and binding on the Bondholders, the Borrower, the Controlling Person and the Trustee.]

Section 3.04. Redemption of Bond.

(a) *Optional Redemption of Bond.* (i) The Bond is subject to optional redemption in whole but not in part, at the direction of the Borrower upon not less than 45 days written notice to the Trustee and the Controlling Person (which notice shall be unconditional and irrevocable), in Authorized Denominations on any Interest Payment Date occurring on or after the First Optional Call Date, [at a redemption price equal to 100% of the principal amount thereof], [at a redemption price equal to the percentage of principal amount thereof set forth on the Schedule of Financial Terms] plus accrued interest thereon to, but not including, the redemption date.

(ii) [The Bond is subject to optional prepayment in part on any Interest Payment Date specified by the Borrower and consented to by the Controlling Person following Completion, but not later than the Stabilization Date, in an amount not to exceed, in the aggregate, the Mandatory Prepayment Amount at a redemption price equal to 100% of the principal amount of the Bond to be redeemed without premium or penalty, plus interest accrued thereon to, but not including, the redemption date.]

(ii) The Bond is subject to mandatory redemption in whole or in part on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project Facilities are deposited in the Project Fund and are not to be used to repair or restore the Project Facilities at a redemption price equal to 100% of the principal amount of the Bond to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iii) The Bond is subject to mandatory redemption in part on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture, in the amount as specified by the Controlling Person to the Trustee necessary to cause the Project Facilities to meet the requirements of clause (ii) of the definition of "Stabilization," if the Project Facilities have not achieved Stabilization by the Stabilization Date at a redemption price equal to 100% of the principal amount of the Bond to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iv) The Bond is subject to extraordinary mandatory redemption in whole or in part, at the direction of the Controlling Person to the Trustee and the Borrower, at a redemption price equal to 100% of the principal amount of the Bond to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture following receipt by the Trustee of the direction of the Controlling Person, within 180 days of the occurrence of any of the following events:

condition thereof immediately preceding such damage or destruction (2) the Borrower is thereby prevented from carrying on its normal operations at the Project Facilities for a period of three consecutive months, or (3) it would not be economically feasible for the Borrower to replace, repair, rebuild or restore the same;

(B) title in and to, or the temporary use of, all or substantially all of the Project Facilities shall have been taken under the exercise of the power of eminent domain by any Governmental Authority or any Person acting under Governmental Authority (including such a taking as, in the judgment of the Controlling Person, results in the Borrower being prevented thereby from carrying on its normal operations at the Project Facilities for a period of three consecutive months);

(C) as a result of any changes in the Constitution of the State, or the Constitution of the United States of America or by legislative or administrative action (whether state or federal) or by final decree, judgment, decision or order of any court or administrative body (whether state or federal), any material provision of the Loan Agreement or the Bond Documents, in the judgment of the Controlling Person shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein;

(D) unreasonable burdens or excessive liabilities shall have been imposed on the Borrower with respect to the operations of the Project Facilities, including, without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Indenture that, in the judgment of the Controlling Person render the continued operation of the Project Facilities;

(E) changes which the Borrower cannot reasonably control or overcome in the economic availability of materials, supplies, labor, equipment and other properties and things necessary for the efficient operation of the Project Facilities for the purposes contemplated by the Loan Agreement shall have occurred or technological changes that the Borrower cannot reasonably overcome shall have occurred that, in the judgment of the Controlling Person, render the continued operation of the Project Facilities uneconomical;

(F) legal curtailment of the Borrower's use and occupancy of all or substantially all of the Project Facilities for any reason other than that set forth in (ii) above, which curtailment shall, in the judgment of the Controlling Person, prevent the Borrower from carrying on its normal operations at the Project Facilities for a period of three consecutive months; or

(G) the Loan Agreement is terminated prior to its expiration for any reason, including the occurrence of an Event of Default under the Loan Agreement.

(v) The Bond is subject to mandatory redemption in whole at a redemption price equal to 100% of the principal amount of the Bond to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture within 45 days after the occurrence of a Determination of Taxability; provided, however, if mandatory redemption on account of a Determination of Taxability of less than all the Bond would result, in the opinion of Bond Counsel, in the interest on the Bond Outstanding following such mandatory redemption being excludable from the gross income of the Holder of such Bond Outstanding, then the Bond is subject to mandatory redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

(vi) The Bond is subject to mandatory redemption in whole on any Interest Payment Date specified by the Controlling Person on or after the First Put Date, if the Controlling Person directs redemption by providing notice to the Borrower, the Trustee and the Issuer at least 180 days prior to the Interest Payment Date specified in such notice on which the Bond is to be redeemed at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to, but not including, the redemption date. The direction of the Controlling Person to redeem the Bond shall be irrevocable and shall be binding on the Holder of the Bond and on any transferee of such Holder.

(vii) The Series 2020V-2 Bond is subject to mandatory redemption in whole on any Interest Payment Date specified by the Controlling Person following Final Completion but not later than the Stabilization Date at a redemption price equal to 100% of the principal amount of the Series 2020V-2 Bond to be redeemed without premium or penalty plus interest accrued thereon to, but not including, the redemption date.

(c) ***Mandatory Sinking Fund Redemption.*** The Bond is subject to mandatory sinking fund redemption in part on each Principal Payment Date, from amounts paid by the Borrower to the Trustee for deposit into the Redemption Fund pursuant to Sections 2.03(d) and 8.04 of the Loan Agreement (in the amount set forth on the Debt Service Schedule), at a redemption price equal to 100% of the principal amount of the Bond to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(d) ***Recycling Transactions.*** Notwithstanding any provision of this Indenture or the Bond to the contrary, the Issuer shall be permitted to direct payments of the Note prepayments to be transferred to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of the Bond, so long as the Issuer simultaneously causes other funds to be applied to prepay such portion of the Bond. The preceding provisions

shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code. .

(e) ***Debt Service Schedule.***

(i) On or before the Stabilization Date, the Controlling Person shall deliver to the Trustee and the Borrower a schedule of debt service payments providing for level debt service with respect to the Bond calculated on the basis of the fixed Bond Coupon Rate and a 480-month amortization schedule each commencing on the Stabilization Date with principal payments commencing on the First Principal Payment Date (with all remaining principal payable on the Maturity Date, if applicable). In the event of a partial redemption of Bonds other than pursuant to Section 3.04(c) hereof, the Debt Service Schedule shall be adjusted to provide for level debt service in respect of the Bonds remaining Outstanding after such partial redemption, on the basis of the number of months remaining in the original 480-month amortization schedule. The Controlling Person shall provide the Trustee and the Borrower with a new Debt Service Schedule reflecting such adjustment promptly following any such partial redemption.

(ii) The Controlling Person, with the prior written consent of the Borrower, may deliver a modified Debt Service Schedule from time to time hereafter for any other purpose agreed to by Controlling Person and Borrower. In connection with any such modified Debt Service Schedule, the Controlling Person may, at its election and at Borrower’s expense, require a Favorable Opinion of Bond Counsel.

(f) ***Partial Redemption of Bond; Reamortization.*** In case part but not all of a Bond shall be selected for redemption, upon presentation and surrender at the operations office of the Trustee of such Bond by the Holder thereof or his attorney duly authorized in writing (with due endorsement for transfer or accompanied by written instrument of transfer in form satisfactory to the Trustee), the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Holder, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond, at the option of such Holder, of any Authorized Denomination of like tenor, or if less than the minimum Authorized Denomination, an amount necessary to equal the unredeemed portion of the principal amount of the Bond; provided, however, such surrender of the Bond shall not be required for payment of the redemption price pursuant to Section 3.04(c) hereof. For all purposes of this Indenture (including exchange and transfer), the Bond so issued in less than a minimum Authorized Denomination shall be deemed to have been issued in an Authorized Denomination. The Bond so presented and surrendered shall be canceled in accordance with this Indenture.

(g) ***Right of Borrower To Purchase Bond.*** Subject to delivery of a Favorable Opinion of Bond Counsel, provided that such opinion shall not be required if the Bond is held by a Substantial User or Related Person to a Substantial User, the Borrower shall have the option, by written notice to the Trustee and the Controlling Person given not less than five Business Days (45 days in case of a redemption pursuant to Section 3.04(b)(vi)

hereof), in advance of such redemption date, to cause purchase of the Bond in lieu of redemption on the redemption date. The purchase price of the Bond so purchased in lieu of redemption shall be equal to the redemption price thereof, and shall be payable on the redemption date. The Bond so purchased in lieu of redemption shall be registered to or upon the direction of the Borrower.

Section 3.05. Notice of Redemption. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least 30 days before the redemption date to the Holder of the Bond to be redeemed in whole or in part at his/her last address appearing on the Register, with a copy to the Controlling Person, but no defect in or failure to give such notice of redemption to any person shall affect the validity of the redemption as to any other person; provided, however, that no notice of redemption shall be required for mandatory sinking fund redemption pursuant to Section 3.04(c) hereof. A Bond properly called for redemption and for which monies for payment of the redemption price are held by the Trustee will cease to bear interest on the date fixed for redemption, and, thereafter, the Holder of such Bond called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed.

Section 3.06. Payments Due on Non-Business Days. In any case where the date of maturity of, interest on or premium, if any, or principal of the Bond or the date fixed for redemption of the Bond shall not be a Business Day, then payment of such interest, premium or principal need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

(a) There is hereby separately created and established with the Trustee the Bond Fund. There shall be deposited in the Bond Fund (i) all Repayments specified in the Loan Agreement to be deposited in the Bond Fund, including all proceeds resulting from the

enforcement of the Security or its realization as collateral, and (ii) all other moneys received by the Trustee under the Loan Agreement for deposit by it in the Bond Fund.

(b) Moneys in the Bond Fund shall be held in trust for the Holder and, except as otherwise expressly provided herein, shall be used solely for the payment of the interest on the Bond, for the payment of principal of the Bond upon maturity, whether stated or accelerated, or upon mandatory or optional redemption prior to the Maturity Date, and for the payment of the acceleration premium set forth in Section 2.03(c) of the Loan Agreement.

(c) After payment in full of the Bond, or provision for the payment of the Bond having been made pursuant to Section 5.02 hereof, and upon payment of any amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Bond Fund shall be paid to the Borrower.

Section 4.03. Project Fund.

(a) The Trustee shall deposit all amounts specified in Section 4.01 hereof into the specified accounts and subaccounts of the Project Fund. The Trustee will receive and deposit installments of the purchase price of the Bond, as set forth in Section 3.02(e) hereof, into the Bond Proceeds Account of the Project Fund. The Trustee will receive and deposit into the Equity Account amounts received as future installments of Required Equity Funds from the Investor Limited Partner and the General Partner, in accordance with the provisions of the Partnership Agreement and the Assignment of Capital Contributions. The Trustee shall deposit any other amounts received, to the extent not otherwise directed herein, in such Accounts as directed by Controlling Person.

(b) The Trustee is hereby authorized and directed to use moneys in the Project Fund for payment or reimbursement to the Borrower upon the receipt of a fully executed Requisition approved in writing by the Controlling Person in accordance with the provisions of the Loan Agreement. Except as provided in subsection (c) below, the Issuer's acknowledgment of each disbursement from the Project Fund shall be required. The Issuer agrees, however, that if the Issuer has not acknowledged any disbursement within five Business Days of receipt of a request for acknowledgment of such disbursement, the Issuer shall be deemed to have acknowledged such disbursement. The Trustee shall be entitled to conclusively rely upon any Requisition in determining whether to disburse amounts from the Project Fund. Except as otherwise consented to in writing by the Controlling Person, through approval of a Requisition or otherwise, moneys in the Project Fund shall be applied for payment or reimbursement of Project Costs and at least 95% of moneys on deposit in the Bond Proceeds Account of the Project Fund shall be applied to Qualified Project Costs. The amounts on deposit in the Project Fund shall not be applied to the payment of costs of issuance of the Bond. After Final Completion of the Project Facilities, but in no event later than the Stabilization Date, all Surplus Bond Proceeds remaining in the Bond Proceeds Account of the Project Fund shall either be transferred to the Surplus Fund, applied to the Mandatory Prepayment Amount, if any, or applied to another use, in each case as directed in writing by the Controlling Person. All remaining amounts in the Equity Account of the

Project Fund upon Stabilization shall be paid to the Borrower upon receipt of the prior written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed.

(c) The Trustee shall and is hereby authorized to transfer funds from the Capitalized Interest Account to the Bond Fund to pay interest on the Bond accruing up to and including: (i) the Completion Date with respect to amounts in the Bond Proceeds Subaccount; and (ii) achievement of Stabilization with respect to the Equity Subaccount without submission of any Requisition. With respect to any such transfer, the Trustee shall first transfer amounts from proceeds of the sale of the Bond. The Trustee shall transfer any Surplus Bond Proceeds remaining in the Capitalized Interest Account after Final Completion of the Project Facilities, but in no event later than the Stabilization Date, to the Surplus Fund.

(d) Amounts in the Costs of Issuance Account shall be disbursed by the Trustee on the Issue Date or as soon as practicable thereafter to pay (a) to the California Debt and Investment Advisory Commission (“CDIAC”) the CDIAC fee of up to \$[_____] upon receipt of an invoice therefor and (b) the Trustee the sum of \$[_____] as its acceptance fee and fees of legal counsel. Any moneys remaining thereafter only to pay costs of issuance pursuant to a closing memorandum attached to a Requisition signed by the Borrower and the Controlling Person identifying the amount to be paid and the payee. Amounts remaining in the Costs of Issuance Account (including investment proceeds) after the payment of all costs of issuance, and in any event not later than five months following the Issue Date, shall be returned to the Borrower, and the Trustee shall close the Costs of Issuance Account.

(e) Moneys representing a Condemnation Award or Insurance Proceeds shall be deposited into the Insurance and Condemnation Proceeds Account of the Project Fund, and notice of such deposit thereof shall be given by the Trustee to the Controlling Person and the Holder. To the extent there has been a determination pursuant to the Bond Documents to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be expended for such purposes in accordance with the provisions of the Bond Documents. In the event there is a determination pursuant to the Bond Documents not to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Bond Fund and applied to the redemption of the Bond in accordance with Section 3.04 hereof, or (ii) released to the Borrower if the Borrower obtains an Opinion of Bond Counsel that such release will not affect the excludability of the interest on the Bond from gross income for federal income tax purposes, all in accordance with direction of the Controlling Person to the Trustee and subject to the provisions of the Bond Documents.

(f) The Trustee shall transfer moneys between Accounts as directed in writing by the Controlling Person and consented to by the Borrower, provided that no consent shall be required following the occurrence and during the continuance of a Default or Event of Default hereunder. Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Project Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay

costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine.

Section 4.04. Surplus Fund. The Surplus Fund shall receive all Surplus Bond Proceeds transferred thereto in accordance with the direction of the Controlling Person pursuant to Section 4.03(b) above. The deposit of Surplus Bond Proceeds in the Surplus Fund shall be, and shall be deemed to be, a joint direction by the Borrower and the Controlling Person to the Trustee to redeem the greatest principal amount of the Bond possible to be redeemed from such deposit pursuant to Section 3.04(b)(i) hereof on the earliest redemption date on which the Bond may be redeemed, and on such redemption date (or, if such day is not a Business Day, the immediately preceding Business Day) an amount equal to the principal amount of the Bond to be redeemed plus interest accrued thereon to the redemption date shall be transferred from the Surplus Fund to the Bond Fund and used for such redemption. After such transfer, if and to the extent that there are moneys remaining in the Surplus Fund, such moneys in the Surplus Fund shall be transferred to the Bond Fund and shall be used for payment of interest on or principal of the Bond.

Section 4.05. Use of Certain Additional Funds and Accounts.

(a) ***Redemption Fund.***

(i) There shall be deposited in the Redemption Fund (A) all payments specified in Section 8.04 of the Loan Agreement to be deposited in the Redemption Fund, and (B) all other moneys received by the Trustee under the Loan Agreement or this Indenture for deposit by it in the Redemption Fund. Moneys in the Redemption Fund shall be held in trust for the Holder and, except as otherwise expressly provided herein, shall be used solely for the redemption of the Bond pursuant to Section 3.04 hereof. On each Principal Payment Date or redemption date and as otherwise required hereunder or at the written direction of the Controlling Person, the Trustee shall transfer such amounts from the Redemption Fund to the Bond Fund and call and redeem the Bond as provided in Section 3.04 hereof. After payment in full of the Bond, or provision for the payment of the Bond having been made pursuant to Section 5.02 hereof, and the payment of any amounts owing to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Redemption Fund shall be paid to the Borrower.

(ii) Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Redemption Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine.

(b) ***Tax and Insurance Escrow Fund.*** There shall be deposited in the Tax and Insurance Escrow Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to Section 8.02 of the Loan Agreement. Moneys in the Tax and

Insurance Escrow Fund shall be applied to payment of Impositions and insurance premiums at the direction of the Controlling Person; provided, however, that upon the occurrence and continuation of an Event of Default hereunder, all money and investments held in the Tax and Insurance Escrow Fund may be disbursed at the direction of the Controlling Person to pay costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine. Upon the payment in full of the Bond and the fees and expenses of the Issuer and the Trustee, or provision for the payment of the Bond having been made pursuant to Section 5.02 hereof, and upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Tax and Insurance Escrow Fund shall be paid to the Borrower. If the Controlling Person determines that the Tax and Insurance Escrow Fund is over-funded for any reason, the Controlling Person may direct the Trustee to return all or a portion of the moneys in the Tax and Insurance Escrow Fund to the Borrower.

(c) ***Rebate Fund.*** The Issuer recognizes that investment of the Bond proceeds will be at the written direction of the Borrower but agrees that it will commit no act, or omit any action, that would cause the Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the applicable regulations thereunder. There is hereby established with the Trustee a Rebate Fund. Any provisions in this Indenture to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder. The Issuer and the Trustee will observe the covenants contained in the Tax Certificate as if fully set forth herein.

(d) ***Replacement Reserve Fund.*** There shall be deposited in the Replacement Reserve Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to the Replacement Reserve Agreement. Moneys in the Replacement Reserve Fund shall be disbursed by the Trustee upon receipt of a written request therefor executed by the Borrower and approved in writing by the Controlling Person, in accordance with the terms of the Replacement Reserve Agreement; provided that, upon the occurrence and continuation of an Event of Default hereunder, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Upon the payment in full of the Bond, or provision for the payment of the Bond having been made pursuant to Section 5.02 hereof, upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower as soon as practicable. If the Controlling Person determines that the Replacement Reserve Fund is over-funded for any reason, the Controlling Person may direct the Trustee to return all or a portion of the moneys in the Replacement Reserve Fund to the Borrower.

(e) ***Operating Reserve Fund.*** Upon the occurrence of an Operating Reserve Trigger, there shall be deposited in the Operating Reserve Fund all moneys received for such purpose pursuant to Section 8.05 of the Loan Agreement; provided, however, prior to the occurrence of an Operating Reserve Trigger, the Operating Reserve Fund shall be established and maintained by the Borrower, and the funds therein shall be held and disbursed in accordance with Section 8.04 of the Loan Agreement. Upon the occurrence of an Operating Reserve Trigger, Funds shall be disbursed from the Operating Reserve Fund, at the request of the Borrower, but only with the Controlling Person's written consent, to fund any operating deficits or expenses of the Borrower or for any other operating or capital needs of the Project Facilities. Upon receipt by the Trustee from the Borrower of a written request together with the written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed, the Trustee shall disburse funds from the Operating Reserve Fund in accordance with such written request. Following the occurrence of an Operating Reserve Trigger, and upon the occurrence and continuation of an Event of Default,[or for any payments deemed necessary before or upon Stabilization at the direction of the Controlling Person in its sole discretion] all moneys and investments in the Operating Reserve Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay any costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Interest earnings on amounts held in the Operating Reserve Fund shall be released not more frequently than annually to the Borrower upon its written request and with the prior written consent of the Controlling Person. Upon payment in full of the Bond, or provision for the payment of the Bond having been made pursuant to Section 5.02 hereof, and upon payment of amounts payable to the United States of America pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower.

Section 4.06. Records.

(a) The Trustee shall cause to be kept and maintained records pertaining to all funds and accounts maintained by the Trustee hereunder and all disbursements therefrom and shall periodically deliver to the Borrower, with a copy to Controlling Person, monthly statements of activity and statements indicating the investments made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Borrower and the Controlling Person, within a reasonable period of time, with a report stating the principal amount of the Bond Outstanding and the registered owner of the Bond as of the date specified by the Borrower or the Controlling Person in its request.

(b) The Trustee shall provide the Borrower and the Controlling Person with a written report, on a monthly basis through the calendar month in which the last obligation of the Bond is retired, identifying the Permitted Investments in which the moneys held as part of the Accounts were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Borrower and the Controlling Person in its regular monthly investment reports.

Section 4.07. Investment of Funds. Subject to the provisions of Section 4.08 hereof, moneys held as part of all Accounts hereunder shall be invested and reinvested in Permitted Investments as instructed by the Borrower with the prior written consent of the Controlling Person; provided, however, that any moneys held by the Trustee to pay the principal of or interest that has become payable with respect to the Bond shall not be invested. All Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times to be a part of the fund and account which was used to purchase the same. The Trustee may act as principal or agent in the making or disposing of any investment and may utilize its investment department or that of its affiliate and charge its standard investment handling fees. All interest accruing thereon and any profit realized from Permitted Investments shall be credited to the respective fund or account and any loss resulting from Permitted Investments shall be similarly charged. The Trustee is authorized to cause to be sold and reduced to cash a sufficient amount of Permitted Investments whenever the cash balance in any fund or account hereunder is or will be insufficient to make a requested or required disbursement. The Trustee shall not be responsible for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale, so long as the Trustee performs its obligations hereunder in accordance with the terms of this Indenture. Absent specific instructions from the Borrower approved by the Controlling Person to invest cash balances in Permitted Investments hereunder, the Trustee shall invest in Permitted Investments constituting obligations of the U.S. Treasury or its agencies having a term to maturity of not more than 30 days or any money market fund or similar investment fund that purchases and holds exclusively obligations of the United States of America or its agencies that have a term to maturity of not more than 30 days. Notwithstanding the foregoing, upon the written election of the Holder of the Outstanding Bond, after providing written notice to the Borrower, the Trustee and the Servicer of such election, any or all Accounts established under this Indenture may be maintained on behalf of the Holder at a Qualified Custodian and not by the Trustee and all payments required to be made by the Borrower with respect to such Accounts shall be paid directly to such Qualified Custodian.

The Issuer and the Borrower (by its execution of the Loan Agreement) acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the Issuer and the Borrower will not receive such confirmations to the extent permitted by law.

The amounts received upon the sale of the Bond and interest and other investment earnings on those amounts shall be allocated and used for financing Qualified Project Costs of each building and related land in the Project Facilities so that the aggregate basis of each such building and related land within the meaning of Section 42(h)(4) of the Code, shall be financed 50% or more from those amounts.

Section 4.08. Yield Restriction. The Issuer acknowledges (and the Borrower by virtue of its execution of the Loan Agreement acknowledges) that investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of Section 148 of the Code). As set forth in the Tax Certificate, certain funds or accounts will not be invested at an overall yield in excess of the yield on the Bond, unless the Borrower, the Trustee and the Controlling Person receive an Opinion of Bond Counsel that the investment of such funds or accounts at an overall yield in excess of such

amount set forth in the Tax Certificate does not adversely affect the excludability of interest on the Bond by the Holder thereof for federal income tax purposes.

Section 4.09. Transfers Between Funds and Accounts; Use of Amounts in Funds and Accounts. The Trustee shall transfer moneys between Accounts as directed in writing by the Controlling Person and consented to by the Borrower, provided that no consent shall be required following the occurrence and during the continuance of a default hereunder or an Event of Default under the Loan Agreement. Upon the occurrence and continuation of a default hereunder or an Event of Default under the Loan Agreement, all money and investments hereunder may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine.

Section 4.10. Guaranties. Any amounts realized by the Trustee under the Guaranty of Completion, the Guaranty of Debt Service and Stabilization, the Guaranty of Recourse Obligations or the Environmental Indemnity shall be used or applied or invested by the Trustee as directed in writing by the Controlling Person.

ARTICLE V DISCHARGE OF LIEN

Section 5.01. Discharge of Lien and Security Interest. Upon payment in full of the Bond and all other amounts payable under the Loan Agreement and other Bond Documents, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee shall, upon receipt by the Trustee of a Favorable Opinion of Bond Counsel and an opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with, (a) cancel and discharge this Indenture and the Security Interests; (b) execute and deliver to the Issuer and the Borrower, at the Borrower's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the Issuer and the Borrower the Security, and assign and deliver to the Issuer and the Borrower so much of the Security as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying the Bond; and (c) mark as cancelled the Note and satisfy the Mortgage; provided, however, that the cancellation and discharge of this Indenture pursuant to this Section or Section 5.03 hereof shall not terminate the powers and rights granted to the Trustee, with respect to the payment, registration of transfer and exchange of the Bond; provided, further, that the rights of the Issuer and the Trustee to indemnity, non-liability and payment of all reasonable fees and expenses shall survive the cancellation and discharge of this Indenture pursuant to this Section or Section 5.03 hereof.

Section 5.02. Provision for Payment of Bond. The Bond shall be deemed to have been paid within the meaning of Section 5.01 hereof if:

- (a) there shall have been irrevocably deposited in the Bond Fund sufficient money or Government Obligations of such maturities and interest payment dates and

bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also to be held in trust), be sufficient for the payment at their respective maturities or redemption dates prior to maturity of the principal of the Bond not later than the earliest redemption date possible under Section 3.04 (and any earlier partial redemption date required herein) and interest to accrue thereon, and redemption premium, if any, through such maturity or redemption dates, as the case may be;

(b) there shall have been paid or provision duly made for the payment of all fees and expenses of the Issuer and the Trustee, due or to become due; and

(c) if the Bond is to be redeemed on any date prior to its maturity, the Trustee shall have received in form satisfactory to it irrevocable instructions from the Borrower to redeem the Bond on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

(d) Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the Government Obligations described in this Section 5.02 for the purpose of defeasing the lien of this Indenture as to the Bond which has not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary (but subject to Section 5.02(a) hereof), all funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Borrower, in Government Obligations (or in a money market fund that invests solely in Government Obligations and is rated no lower than the second highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the second highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bond and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Section 5.03. Discharge of This Indenture. Notwithstanding the fact that the lien of this Indenture upon the Security may have been discharged and cancelled in accordance with Section 5.01 hereof, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Security may have been discharged and cancelled, shall nevertheless continue and subsist after payment in full of the Bond or the deemed payment in full of the Bond in accordance with Section 5.02 hereof until the Trustee shall have returned to the Borrower all funds held by the Trustee which the Borrower is entitled to receive pursuant to this Indenture after the Bond has been paid at maturity or redeemed. Upon payment in full or defeasance of the Bond, payment of amounts payable to the United States pursuant to

any rebate requirement and payment of all other amounts owing hereunder and under the Loan Agreement, all remaining amounts held by the Trustee shall be paid to the Borrower.

ARTICLE VI DEFAULT

Section 6.01. Default Under Loan Agreement; Acceleration. No default by the Borrower under the Loan Agreement shall constitute an event of default with respect to the Bond. The Issuer's, Trustee's, Borrower's and Bondowner Representative's remedies with respect to a default under the Loan Documents shall be as set forth under the Loan Documents. The Bondowner Representative may, upon the acceleration of the Borrower's obligations under the Loan Documents, direct the Trustee to accelerate the maturity of the Bond and apply any funds available hereunder for such purpose as provided herein (after paying the fees and expenses of the Trustee and the Issuer). Any Bond remaining outstanding shall be deemed paid upon transfer, to or at the direction of the Bondowner Representative, of the Loan Documents and all security therefor free and clear of the lien of this Indenture.

The Issuer shall cooperate with the Bondowner Representative and the Trustee in exercising rights and remedies under the Loan Documents, but only upon being satisfactorily indemnified by the Borrower for any fees or expenses relating thereto as provided in the Loan Agreement and Regulatory Agreement. The Tax Credit Investor (as defined in the Supplemental Loan Agreement) shall be entitled (but not obligated) to cure any event of default under the Loan Documents as permitted under Section 15.5 of the Bond Financing Agreement. The Issuer and the Trustee agree that cure of any default or Event of Default under the Loan Documents made or tendered by the Tax Credit Investor shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 6.02. Limitation of Liability. Notwithstanding anything contained in this Indenture, the Issuer shall not be required to advance any moneys derived from the proceeds of taxes collected by the Issuer, the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Revenues for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bond or for any other purpose of this Indenture.

ARTICLE VII THE TRUSTEE

Section 7.01. Appointment of Trustee. The Issuer hereby appoints [TRUSTEE] as Trustee hereunder, and the Trustee does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The

Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, if the same are selected by the Issuer, approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except as provided in Section 7.08 hereof, the Trustee shall not be responsible for any recital herein or in the Bond, or for the recording, re-recording, filing or re-filing of this Indenture, of any Financing Statements or continuation statements, or for insuring the Security or the Project Facilities or collecting any insurance moneys, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bond issued hereunder or intended to be secured hereby, or for the value of or title to the Project Facilities or otherwise as to the maintenance of the Security. The Trustee shall not be liable to the Borrower, the Holder or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 4.07 hereof in good faith as instructed by the Borrower in accordance with the provisions of this Indenture, and with the prior written consent of the Controlling Person, as applicable. The Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to the Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.

(c) The Trustee shall not be accountable for the use of the Bond authenticated or delivered hereunder after such Bond shall have been delivered in accordance with instructions of the Issuer or for the use by the Borrower of the proceeds of the Bond advanced to the Borrower as provided in the Loan Agreement. The Trustee may become the owner of the Bond secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any notices, directions, consents, approvals or requests provided to the Trustee pursuant to the terms of this Indenture or any of the Bond Documents shall not be effective until provided in writing. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon any future Holder of the same Bond and upon the Bond issued in exchange therefor or in place thereof.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Loan Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its gross negligence, bad faith or willful misconduct in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project Facilities.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holder which may require it to expend its own funds, the Trustee may require satisfactory security or indemnification for the reimbursement of all expenses to which it may be put by reason of any action so taken. The Trustee shall not be entitled to indemnification as a precondition to giving notices of default or taking other actions at the direction of the Holder or the Controlling Person which do not require the Trustee to expend its own funds or for which funds have been advanced by the Holder or the Controlling Person to the Trustee in advance of its taking such action.

(i) All moneys received by the Trustee, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holder of the Bond as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and the Trustee shall not otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Borrower or the Issuer under the Loan Agreement or this Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture (other than under Section 6.01(a) or (b), or Section 6.01(c) hereof if written notice thereof has been received by the Trustee) or the occurrence of a Determination of Taxability, except (i) in the event the Borrower fails to pay any Repayment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest payment on the Bond, (iii) in the event of written notification of a Determination of Taxability by the Holder of the Bond, (iv) in the event of written notification of such Default by the Controlling Person or the Holder, or (v) in the event of receipt of an Opinion of Bond Counsel concluding that a Determination of Taxability has occurred, and in the absence of such notice the Trustee may conclusively presume there is no Determination of Taxability and no default except as aforesaid. The Trustee may nevertheless require the Issuer and the Borrower to furnish information regarding performance of their obligations under the Loan Agreement and this Indenture, but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs.

(l) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel the Bond as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer and the Borrower at all reasonable times. The Bond shall be made available for authentication, exchange and registration of transfer at the principal office of the Trustee.

(m) The Trustee shall have no duty to inspect or oversee the construction or completion of the Improvements or to verify the truthfulness or accuracy of the certifications made by the Borrower in any Requisition.

(n) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bond or the interest thereon; (ii) the consequences of the investment or non-investment of any funds or accounts relating to the Bond under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.

(o) No provision of this Indenture, the Loan Agreement or the Bond shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(p) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part and except as otherwise expressly set forth herein, rely upon a written certificate of the Controlling Person or the Holder.

(q) [Reserved].

(r) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bond.

(s) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in the Bond and may join in any action that the Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the Borrower and may act as depository, trustee or agent for the Holder secured hereby or other obligations of the Borrower, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

(t) Whether or not expressly so provided, each and every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section.

Section 7.02. Compensation and Indemnification of Trustee; Trustee's Prior Claim.

(a) The Loan Agreement provides that the Borrower will pay the reasonable fees and expenses of the Trustee under this Indenture and all other amounts which may be payable to the Trustee under this Section, such fees and expenses to be paid when due and payable by the Borrower directly to the Trustee for its own account. Except as set forth in Section 6.07, the Trustee shall not have a lien on the Security for the payment of its fees or expenses and shall not be entitled to pay its fees and expenses from amounts held in the funds and accounts hereunder.

(b) The Borrower shall (i) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (ii) pay or reimburse the Trustee upon request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Loan Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own gross negligence, willful misconduct or bad faith, and (iii) indemnify the Trustee for, and hold it harmless against, any loss, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of its duties hereunder or under the Loan Agreement, including the reasonable costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to its own gross negligence, willful misconduct or bad faith. "Trustee," for purposes of this Section shall include any predecessor Trustee, but the gross negligence, willful misconduct or bad faith of any Trustee, shall not affect the indemnification of any other Person. The obligations of the Borrower under this Section shall survive the termination of this Indenture.

(c) The Issuer has no obligation to pay the Trustee for services rendered.

Section 7.03. Intervention in Litigation. In any judicial proceedings to which the Issuer is a party, the Trustee may intervene on behalf of the Holder, and shall intervene if requested in writing by the Controlling Person or the Holder of the Bond then Outstanding.

Section 7.04. Resignation; Successor Trustees.

(a) The Trustee and any successor Trustee may resign only upon giving 60 days prior written notice to the Issuer, the Borrower, the Controlling Person and the Holder of Bond then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Controlling Person and the Borrower and the acceptance of such appointment by the

successor Trustee. If no successor is appointed within 60 days after the notice of resignation, the Controlling Person may appoint a Trustee or the resigning Trustee may appoint a successor or petition any court of competent jurisdiction to appoint a successor. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Security to the successor Trustee. The successor Trustee shall be a state banking corporation, national banking association or trust company with the authority to accept trusts in the State, and having either (i) a combined capital and surplus of at least \$50,000,000, as set forth in its most recent published annual report of condition, (ii) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition or (iii) be otherwise acceptable to the Issuer in its sole and absolute discretion. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the Issuer, the Controlling Person and the Borrower.

(b) Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion, reorganization or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any Person, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture. If the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Borrower and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation. Notwithstanding the foregoing, the Trustee shall cause written notice of such succession to be delivered to the Issuer and the Borrower within 30 days of such succession.

Section 7.05. Removal of Trustee. The Trustee may be removed at any time, with 30 days' notice, by an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer, the Controlling Person and the Borrower and signed by the Holder with the written consent of the Issuer or by an instrument or concurrent instruments in writing delivered to the Trustee and the Borrower. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument or concurrent instruments in writing delivered to the Trustee and the Issuer and signed by the Controlling Person, with notice to the Borrower and written consent of the Issuer. Such removal shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Security in the same manner as provided in Section 7.04 hereof.

Section 7.06. Instruments of Holder.

(a) Any instrument required by this Indenture to be executed by the Holder may be in any number of writings of similar tenor and may be executed by the Holder in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the Bond given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof; and

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bond therein mentioned.

(b) The Trustee may rely on such an instrument of the Holder unless and until the Trustee receives notice in the form specified in clauses (a)(i) or (ii) above that the original such instrument is no longer reliable.

Section 7.07. Power To Appoint Co-Trustees.

(a) At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Project Facilities may at the time be located, the Issuer and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holder of the Bond then Outstanding, the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint one or more persons approved by the Trustee and the Borrower either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the Project Facilities, or to act as separate trustee or separate co-trustees of all or any part of the Project Facilities, and to vest in such person or persons, in such capacity, such title to the Project Facilities or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

(b) Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

(c) The Trustee and co-trustee, if any, may by written instrument between them designate and assign either the Trustee or the co-trustee or both of them to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

(d) If the Issuer shall not have joined in such appointment within 30 days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Borrower shall have the power to make such appointment.

(e) The Issuer shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

(f) Every co-trustee or separate trustee appointed pursuant to this Section 7.07, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(i) This Indenture shall become effective at the time the Bond shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(ii) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(iii) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(iv) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(v) The Trustee at any time, by an instrument in writing, with the concurrence of the Issuer, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Issuer. Upon the request of the Trustee, the Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(vi) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(vii) Any moneys, papers, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

(g) Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the security interest in the Security and with such rights, powers, duties, trusts or obligations, as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee.

(h) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the security interest in the Security and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.04 hereof.

Section 7.08. Filing of Financing Statements. The Trustee shall file or record or cause to be filed or recorded, if requested by the Controlling Person, continuation statements for all Financing Statements for which the Trustee is a secured party and which filed Financing Statements have been provided to the Trustee, that are required in order fully to protect and preserve the security interests and the priority thereof and the rights and powers of the Trustee in connection therewith, including without limitation all continuation statements for the purpose of continuing without lapse the effectiveness of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bond in connection with the security for the Bond pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements that shall have been filed as required herein. The Borrower will pay all costs of filing the Financing Statements and all financing and continuation statements required hereunder and under Section 3.02 of the Loan Agreement.

Section 7.09. No Recourse Against Officers or Employees of Trustee. No recourse with respect to any claim related to any obligation, duty or agreement contained in this Indenture or any other Bond Document shall be had against any officer or employee, as such, of the Trustee, it being expressly understood that the obligations, duties and agreement of the Trustee contained in this Indenture and the other Bond Documents are solely corporate in nature.

ARTICLE VIII AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.01. Supplemental Indentures.

(a) The Issuer and the Trustee, with the prior written consent of the Controlling Person, but without the consent of or notice to the Holder, may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holder for one or more of the following purposes:

(i) to grant to or confer upon the Trustee for the benefit of the Holder, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holder or the Trustee;

(ii) to grant or pledge to the Trustee for the benefit of Holder, any additional security other than that granted or pledged under this Indenture;

(iii) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bond for sale under the securities laws of any of the states of the United States;

(iv) to appoint a successor Trustee or co-trustees in the manner provided in Article VII hereof;

(v) [reserved];

(vi) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not materially adversely affect the interest of the Holder; or

(vii) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on the Outstanding Bond from gross income of the Holder thereof for federal income tax purposes.

(b) When requested by the Issuer, and if all conditions precedent under this Indenture have been met, and there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such supplemental indenture is authorized or permitted by this Indenture and complies with its terms and will not adversely affect the excludability of interest on the Bond from the gross income of the Holder thereof for federal income tax purposes, the Trustee will join the Issuer in the execution of such supplemental indenture, but shall not be required to join the Issuer in the execution of any such supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee cover any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower.

(c) The Trustee shall file copies of all such supplemental indentures with the Borrower. The Trustee shall cause notice of any supplemental indenture described above to be given by first-class mail, postage prepaid, to the Holder of the Outstanding Bond then shown on the Register.

Section 8.02. Amendments to Indenture; Consent of Holder and Borrower.

(a) Exclusive of supplemental indentures covered by Section 8.01 hereof and subject to the terms and provisions contained in this Section 8.02 and not otherwise, anything contained in this Indenture to the contrary notwithstanding, no indenture or indentures supplemental hereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture shall be effective without delivery of a Favorable Opinion of Bond Counsel, the written consent of the Holder and execution and delivery by the Trustee (acting upon the direction of the Holder) and the Issuer; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the prior written consent of the Holder of the Outstanding Bond, (i) an extension of the maturity of the principal of, or the optional, extraordinary or mandatory redemption date of, or interest on, any Bond, (ii) a reduction in the principal amount of or the rate of interest on, any Bond, (iii) a preference or priority of the Bond over any other Bond, (iv) the creation of a lien on the Security prior to the lien of this Indenture, or (v) a reduction in the aggregate principal amount of the Bond required for any consent to any supplemental indenture; provided further, however, that without the prior written consent of the Trustee, the Trustee shall not be required to join the Issuer in the execution of any supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee covering any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower. The giving of notice to and consent of the Holder to any such proposed supplemental indenture shall be obtained pursuant to Section 8.05 hereof.

(b) Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental indenture, amendment or other document.

Section 8.03. Amendments to the Loan Agreement or the Note Not Requiring Consent of Holder.

(a) The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement or the Note without the prior written consent of the Trustee, the Borrower and the Controlling Person. The Issuer may, with the consent of the Controlling Person, but without the consent of or notice to the Holder, enter into or permit (and the Trustee shall consent to) any amendment of the Loan Agreement or the Note acceptable to the Borrower as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holder, (ii) to grant or pledge to the Issuer or Trustee, for the benefit of the Holder any additional security, (iii) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on the Outstanding Bond from gross income of the Holder thereof for federal income tax purposes, or (iv) in connection with any other change therein which, in the judgment of the Trustee acting in reliance upon an

opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holder of the Bond; provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

(b) The Issuer and the Borrower shall file copies of any such amendments to the Loan Agreement or the Note with the Trustee and the Controlling Person.

Section 8.04. Amendments to the Loan Agreement or the Note Requiring Consent of Holder. Except as provided in Section 8.03 hereof, the Issuer shall not enter into, and the Trustee shall not consent to, any other modification or amendment of the Loan Agreement or the Note, nor shall any such modification or amendment become effective, without delivery of a Favorable Opinion of Bond Counsel and the prior written consent of the Holder, such consent to be obtained in accordance with Section 8.05 hereof. No such amendment may, without the consent of the Holder of the Outstanding Bond, reduce the amounts or delay the times of payment of Repayments under the Loan Agreement or the Note. The Issuer and the Borrower shall file copies of all such amendments to the Loan Agreement or the Note with the Trustee, the Controlling Person and the Holder.

Section 8.05. Notice to and Consent of Holder. If consent of the Controlling Person or the Holder is required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement, the Note or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid, to the Controlling Person or the Holder then shown on the Register. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the principal office of the Trustee for inspection by the Holder. If, within 45 days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Controlling Person or the Holder of the Bond Outstanding by instruments filed with the Trustee shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Holder shall thereby be conclusively presumed.

The Holder may engage a Person, collaterally assign some or all of its rights hereunder to a Person, or otherwise provide for a Person, at the Holder's sole cost and expense, to act on behalf of the Holder under the Bond Documents as the "Controlling Person." The Holder may at any time and from time to time terminate or remove and replace any such Controlling Person. The Holder shall give written notice to the Trustee, the Issuer and the Borrower of its appointment, termination, removal or replacement of any Controlling Person, and the parties may rely on any such notice until any subsequent notice is given. The Issuer and the Trustee shall not be responsible for monitoring the performance of any Controlling Person or for any acts or omissions of such Controlling Person.

Section 9.02. Servicing.

(i) The Controlling Person shall perform the duties expressly given to the Controlling Person under the Bond Documents and this Indenture.

(ii) The Controlling Person shall prepare monthly bills to the Borrower in accordance with the Bond Documents for payments to the Trustee of principal and interest under the Loan and for deposits into the Tax and Insurance Escrow Fund and the Replacement Reserve Fund. The Controlling Person shall notify the Borrower of the amount payable by the Borrower to the Trustee. Such notification may be delivered by electronic mail or by facsimile. - (viii) To other amounts due under the Bond Documents.

(d) Any payment received by the Controlling Person from or on behalf of the Borrower under this Indenture or the Bond Documents shall be remitted by the Controlling Person to the Trustee no later than the second Business Day after receipt by the Controlling Person, or sooner if so required under this Indenture or Bond Documents. The Controlling Person shall make any remittance to the Trustee by wire transfer in accordance with the instructions received from the Trustee or to any other party entitled to such remittances pursuant this Indenture or the Bond Documents in accordance with the instructions received from the Holder.

(e) The Controlling Person shall review the Tax and Insurance Escrow Fund and the Replacement Reserve Fund on an annual basis and adjust required monthly escrow payments in accordance with terms of Bond Documents. The Controlling Person shall notify the Holder and the Trustee of such adjustment.

(f) Upon request of the Holder, the Controlling Person shall furnish to the Holder monthly account statements received from the Trustee with respect to the Accounts

under this Indenture, including disbursements from the Accounts under this Indenture, loan history schedules, outstanding loan balances and escrow balances.

(g) The Controlling Person shall provide immediate written notice to the Holder of any Event of Default of which it receives notice or has actual knowledge, or any event which, with the giving of notice or the passage of time, or both, would constitute any Event of Default of which it receives notice or has actual knowledge.

(h) The Controlling Person shall refer to the Trustee all Borrower requests for a quote of a payoff amount for the Loan, shall request a copy of any such quote from the Trustee, and shall notify the Holder of the Borrower's request. The Controlling Person shall prepare payoff letters and delinquency and default notices when necessary, as required by the Bond Documents or this Indenture or otherwise as directed by the Holder.

(i) The Controlling Person shall use its best efforts to obtain financial statements and other reports from the Borrower at the times and to the extent required under the Bond Documents and deliver the same to the Holder and, if requested, to the Trustee.

(j) The Controlling Person shall obtain, and shall provide to the Holder a copy of the Borrower's certificates of compliance with the Regulatory Agreement or other evidence of such compliance submitted by the Borrower to the Issuer or the Issuer's designee within 30 days after the later of (i) the date it is required to be submitted to the Issuer or the Issuer's designee, or (ii) the date it is actually so submitted.

(k) The Controlling Person may perform additional duties with respect to the Loan during construction of the Project Facilities or during the period following an Event of Default at the request of the Holder.

The Borrower understands and agrees that no payment by it under any other agreement (whether voluntary or otherwise) shall constitute

a defense to its obligations hereunder, except to the extent that the Loan evidenced hereby has been indefeasibly paid in full, whether owing under this Agreement or under the other Bond Documents.

Section 2.05. Indemnity. (g) any and all claims arising in connection with the issuance and sale of the Bond or any certifications or representations made by any person other than the Indemnified Party seeking indemnification, including, without limitation, any statement or information made by the Borrower with respect to the Borrower or the Project in any offering document or materials regarding the initial offering of the Bond (in connection with their issuance under the Indenture), the Project or the Borrower or the Tax Certificate executed by the Borrower or any other certificate executed by the Borrower which, at the time made, is misleading, untrue or incorrect in any material respect and any untrue statement or alleged untrue statement of a material fact by the Borrower relating to the Borrower or the Project contained in any offering material relating to the initial offering of the Bond, as from time to time amended or supplemented with information provided by the Borrower, or arising out of or based upon the omission or alleged omission to state in such offering material a material fact relating to the Borrower or the Project required to be stated in such offering material or necessary in order to make the statements in such offering material not misleading, or failure to properly register or otherwise qualify the sale of the Bond or failure to comply with any licensing or other law or regulation which would affect the manner in which or to whom the Bond could be sold and the carrying out by Borrower of any of the transactions contemplated by the Indenture or the Bond Documents;

(h) the Borrower's failure to comply with any requirement of this Agreement or the Regulatory Agreement (provided no indemnity shall be required for claims due to nonpayment of the Note);

(i) any act or omission of the Borrower or any of its agents, servants, employees or licensees in connection with the Loan or the Project, including violation of any law, ordinance, court order or regulation affecting the Project or any part of it or the ownership, occupancy or use of it (provided no indemnity shall be required for claims due to nonpayment of the Note);

(j) any damage or injury, actual or claimed, of whatsoever kind, cause or character, to property (including loss of use of property) or persons, occurring or allegedly occurring in, on or about the Project or arising out of any action or inaction of the Borrower, whether or not related to the Project, or resulting from or in any way connected with the acquisition and construction or management of the Project, the issuance of the Bond or otherwise in connection with the transaction contemplated or otherwise in connection with the Project, the Bond or the execution or amendment of any document relating to the Project or the Bond;

(l) any and all claims arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or supervision of work done in or about, or from the planning, design, acquisition, rehabilitation, construction, repair or equipping of, the Project or any part of it, including, but not limited to, the Americans with Disabilities Act, if applicable (as evidenced by an architect's certificate to such effect).

This indemnification shall extend to and include, without limitation, all reasonable costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought with respect to such claim, except:

(i) in the case of the foregoing indemnification of the Trustee, the Holder, the Controlling Person or any of their related Indemnified Parties to the extent such damages are caused by the negligence or willful misconduct of such Person; and

(ii) in the case of the foregoing indemnification of the Issuer or any of its related Indemnified Parties, to the extent such damages are caused by the active negligence or willful misconduct of the Issuer.

In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought under this Agreement, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense of the action or proceeding, including the employment of counsel selected by the Borrower, subject to the approval of the Indemnified Party, which approval shall not be unreasonably withheld, conditioned or delayed, and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion, provided that Issuer, and Trustee, as appropriate, shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense of the action or proceeding, and the Borrower shall be obligated to pay the reasonable fees and expenses of such separate counsel if (A) the Indemnified Party, upon the advice of counsel, determines that a conflict of interest exists between the interests of the Indemnified Party and the interests of the Borrower or (B) such separate counsel is employed with the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

Section 2.06. Amounts Remaining on Deposit Upon Payment of the Bond. After payment in full of the principal of, premium, if any, and interest on the Bond (or defeasance of

the Bond) and upon payment of amounts payable to the United States pursuant to any rebate requirement and the payment of any other amounts owed hereunder or under the Indenture, all amounts on deposit with the Trustee pursuant to the Indenture, this Agreement or any other Bond Document shall be paid by the Trustee to the Borrower.

(h) In connection with the authorization, issuance and sale of the Bond, the Issuer has complied in all material respects with all provisions of the laws of the State, including the Act.

The Borrower will comply with all of its covenants and agreements under the Bond Documents to which it is a party, as the same may hereafter be amended or supplemented from time to time, and each of such covenants is incorporated herein by reference as if fully set forth herein. The Borrower acknowledges that the Indenture imposes certain obligations upon the Borrower and the Borrower agrees to discharge such obligations as if they were fully set forth herein (notwithstanding that the Borrower is not a party to the Indenture). The Borrower shall comply with all of its covenants and agreements under the Subordinate Debt Documents. The Borrower shall comply in all material respects with, or cause to be complied with, all requirements and conditions of all Material Contracts and insurance policies which relate to the Borrower or the Project Facilities.

Section 6.06. Maintenance of Project Facilities. Upon reasonable prior written notice, and upon reasonable advance notice during normal business hours, and subject to the rights of tenants, the Borrower will permit the Engineering Consultant to inspect, or cause to be inspected, the Project Facilities at any reasonable time or times as the Controlling Person may direct. After considering the Engineering Consultant's recommendation, the Controlling Person shall notify the Borrower of the work which the Engineering Consultant recommends be performed in order to comply with the requirements of Section 6.06 hereof and the time period over which, in its professional judgment, such work should be commenced and completed; provided, however, that unless there are immediate needs for safety or habitability, any such work required hereunder shall be paid through an adjustment to the Unit Reserve Amount under the Replacement Reserve Agreement.

(c) The Borrower shall promptly commence and diligently complete the work recommended by the Engineering Consultant within the time period set forth in the report. If the Borrower fails to complete the work within such time period, the Controlling Person, at the Controlling Person's discretion, may complete such work for and on the Borrower's

behalf and may do any act or thing the Controlling Person deems necessary or appropriate to that end. The expenses incurred by the Controlling Person in completing such work shall bear interest at the Default Rate, shall be borne by the Borrower and shall be reimbursed to the Controlling Person immediately upon demand. All work performed by the Borrower shall be performed in a good and workmanlike manner and shall be completely free and clear of any mechanics or materialman's liens and encumbrances and shall be subject to the requirements of Section 6.06 hereof.

Section 6.10. Tax-Exempt Status.

(a) The Borrower covenants, represents and agrees that it will not take or omit to take or permit any action that, if taken or omitted, respectively, would adversely affect the exclusion of interest on the Bond from gross income for federal income tax purposes and, if it should take or permit any such action, the Borrower will take all lawful actions that it can take to rescind such action promptly upon having knowledge thereof and that the Borrower will take such action or actions, including amendment of this Agreement, the Mortgage and the Regulatory Agreement, as may be necessary, in the Opinion of Bond Counsel, to comply fully with all applicable rules, rulings, policies, procedures, regulations or other official statements promulgated or proposed by the Department of the Treasury or the Internal Revenue Service applicable to the Bond or affecting the Project Facilities.

(b) The Borrower will not make or permit any use, and will not direct the Trustee to make any investment or use of the proceeds of the Bond, which would cause the Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations thereunder as the same may be applicable to the Bond at the time of such action, investment or use and agrees to take and cause the Issuer and Trustee to take all actions required to comply with the provisions of Section 148 of the Code. The representations contained in the Tax Certificate (which is incorporated herein by reference) are true and correct, and the Borrower and the Issuer will observe the applicable covenants therein as if set forth herein.

(c) The Borrower further covenants and agrees that it will comply with and will take all action reasonably required to insure that the Trustee complies with all applicable requirements of said Section 148 and the rules and regulations of the United States Treasury Department thereunder relating to the Bond and the interest thereon, including the employment of a Rebate Analyst for the calculation of any rebatable amount (the “Rebate Amount”) to the United States Treasury Department. The Borrower agrees that it will cause a qualified rebate analyst reasonably acceptable to the Controlling Person (the “Rebate Analyst”) to calculate the Rebate Amount not later than 45 days after the fifth anniversary of the Issue Date and each five years thereafter and agrees that the Borrower will pay all costs associated therewith. Within 15 days of the date of each such calculation, the Borrower shall promptly (i) deliver a report or letter from the Rebate Analyst setting forth the Rebate Amount, if any, then due and the methods used to calculate such amount (each, a “Rebate Report”) to the Issuer, the Controlling Person and the Trustee, (ii) deliver the Rebate Amount to the Trustee, and (iii) deliver to the Trustee any forms required by the Internal Revenue Service to be submitted with the Rebate Amount, if any, and the addresses to which such forms must be sent.

(d) Neither the Borrower nor any related person shall, pursuant to any arrangement, formal or informal, purchase the Bond, unless the Borrower or such related person delivers a Favorable Opinion of Bond Counsel to the Trustee, the Controlling Person and the Issuer.

(e) No changes will be made to the Project Facilities, no actions will be taken by the Borrower and the Borrower will not omit to take any actions, which will in any way

adversely affect the exclusion from gross income of interest on the Bond for purposes of federal income taxation.

(f) The Borrower will not make any changes in the Project Facilities that would, at the time made, cause the average reasonably expected economic life of the Project Facilities, determined pursuant to Section 147(b) of the Code, to be less than the average reasonably expected economic life of the Project Facilities set forth in such certificates or letters of representation of the Borrower, unless the Borrower files with the Trustee and the Controlling Person a Favorable Opinion of Bond Counsel.

(g) No portion of the proceeds of the Bond will be used to acquire existing property or any interest therein unless such acquisition meets the rehabilitation requirements of Section 147(d) of the Code.

(h) The Project Facilities will be owned, managed and operated as a “qualified residential rental project” as such phrase is utilized in Section 142(d) of the Code. To that end, the Borrower hereby represents and covenants and agrees that it will comply with the terms, conditions and provisions of the Regulatory Agreement.

(i) The Borrower will permit any duly authorized representative of the Trustee, the Department of the Treasury or the Internal Revenue Service and the Controlling Person to inspect the books and records of the Borrower pertaining to the incomes of qualifying tenants residing in the Project Facilities upon reasonable notice (given at least five days in advance) and at reasonable times during business hours on Business Days.

(j) The Borrower will promptly notify the Trustee and the Controlling Person if at any time the dwelling units in the Project Facilities are not available for occupancy as required by the Regulatory Agreement and, upon request, the Borrower will provide the Trustee and the Controlling Person a copy of the compliance certificates required to be filed by the Borrower under and at the times provided by the Regulatory Agreement.

Section 6.11. Single Purpose Entities.

(a) The Borrower and the General Partner shall (i) not engage in any business or activity, other than the ownership, construction, operation and maintenance of the Project Facilities and activities incidental thereto; and (ii) not acquire, own, hold, lease, operate, manage, maintain, develop or improve any assets other than the Project Facilities and such personal property as may be necessary for the operation of the Project Facilities and shall conduct and operate its business as presently conducted and operated.

Documents and the Subordinate Debt Documents, or unsecured loans or guaranty payments made by the partners of the Borrower or Guarantor pursuant to the Partnership Agreement, or unsecured trade payables or the Developer Fee; (iv) not make any loans or advances to any third Person (including any Affiliate of the Borrower or the General Partner), except as otherwise permitted under this Agreement or the Bond Documents; (v) do or cause to be done all things necessary to preserve its existence; (vi) not amend, modify or otherwise change its partnership certificate, Partnership Agreement, articles of incorporation or bylaws without obtaining the prior written consent of the Controlling Person, not to be unreasonably withheld, conditioned or delayed (and which Controlling Person will endeavor to accept or reject within 10 Business Days of request); provided that no consent shall be required for changes or amendments to the Partnership Agreement to the extent such change or amendment is solely required to effect a Permitted Transfer, and provided that any changes with respect to installments of capital contributions which constitute Required Equity Funds or the timing thereof, or that otherwise, except for a change or amendment solely required to effect a Permitted Transfer, materially and adversely affect the rights and interests of the Holder also require the Holder's consent, which consent shall not be unreasonably withheld, conditioned or delayed; (vii) conduct and operate its business as presently conducted and operated; (viii) maintain its books and records and bank accounts separate from those of its Affiliates; (ix) be, and at all times shall hold itself out to the public as, a legal entity separate and distinct from any other Person (including any Affiliate); (x) file its own tax returns; (xi) maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations and in any event not less than that required under State law in order to remain a separate legal entity; (xii) not seek or consent to the dissolution or winding up, in whole or in part, of the Borrower or the General Partner; (xiii) not (A) consent to the dissolution or liquidation in whole or in part of the Borrower, or (B) permit the General Partner to dissolve, or (C) consent to the dissolution or liquidation of the General Partner; (xiv) not commingle the funds and other assets of the Borrower with those of the General Partner, any Affiliate thereof or any other Person; and (xv) not enter into any transaction with an Affiliate without the prior written consent of the Controlling Person or as permitted pursuant under the Bond Documents.

Section 6.12. Negative Pledge; No Sale.

(a) The Borrower will not create, incur, assume or permit to exist any mortgage, pledge, security interest, encumbrance or other Lien upon the Project Facilities or any property, tangible or intangible, now owned or hereafter acquired (including without limitation property leased to or being acquired by the Borrower under capital leases or installment sale agreements), by the Borrower (the sale with recourse of receivables or any "sale and lease back" of any fixed assets being deemed to be the giving of a lien thereon for money borrowed), other than Permitted Encumbrances.

(b) Other than Permitted Transfers and the making of residential leases, the Borrower shall not sell, assign, transfer, convey or otherwise dispose of the Project Facilities, or any part thereof, or permit or consent to a Sale without in each instance (i) obtaining the express prior written consent of the Controlling Person, which consent shall be withheld or granted (and be subject to the payment of such fees and the satisfaction

of other conditions as set forth in Section 1.12 of the Mortgage) in the Controlling Person's sole and absolute discretion; and (ii) complying with the applicable requirements of the Regulatory Agreement.

Section 6.13. Payment of Indebtedness; Accounts Payable; Restrictions on Indebtedness.

(a) The Borrower will pay, discharge or otherwise satisfy at or before maturity or before they become delinquent, as the case may be, all of the Borrower's Indebtedness under the Bond Documents, the Subordinate Debt Documents and all of its other Obligations, whether now existing or hereafter arising, and comply with all covenants and agreements set forth in agreements evidencing Obligations of the Borrower.

(b) The Borrower shall pay or cause to be paid the Expenses, and capital expenditures and its other accounts payable with respect to and costs of operation and maintenance of the Project Facilities within 30 days of receipt of an invoice therefor, or when the same shall otherwise be due and payable. The Borrower shall make no distribution of funds to its partners unless no Default or Event of Default exists, such distribution is in accordance with the provisions of the Partnership Agreement, and all current accounts payable shall have been paid and funds shall have been set aside for the payment of accounts payable becoming due within 30 days of said distribution.

(c) Without obtaining the prior written consent of the Controlling Person, the Borrower will not create, incur, assume, guarantee or be or remain liable for any indebtedness or Obligations other than (i) Indebtedness under the Bond Documents; (ii) Indebtedness in respect of the Subordinate Debt; (iii) current liabilities of the Borrower relating to the Project Facilities incurred in the ordinary course of business but not incurred through the borrowing of money or obtaining of credit; and (iv) any unsecured loans or guaranteed payments from partners or their Affiliates or the Guarantor pursuant to the Partnership Agreement.

Section 6.14. Environmental Covenants.

(a) The Borrower will cause all activities at the Project Facilities during the term of this Agreement to be conducted in full compliance with all applicable Environmental Laws. The Borrower will obtain all Governmental Actions and will make all notifications, as required by Environmental Laws, and will, at all times, comply with the terms and conditions of any such Governmental Actions or notifications. During the term of this Agreement, if requested by the Controlling Person, the Borrower will provide to the Controlling Person copies of (i) applications or other materials submitted to any Governmental Authority in compliance with Environmental Laws, (ii) any notifications submitted to any Person pursuant to Environmental Laws, (iii) any Governmental Action granted pursuant to Environmental Laws, (iv) any record or manifest required to be maintained pursuant to Environmental Laws, and (v) any correspondence, notice of violation, summons, order, complaint or other document received by the Borrower, its lessees, sub-lessees or assigns, pertaining to compliance with any Environmental Laws with respect to the Project Facilities.

(b) The Borrower will, at all times during the term of this Agreement, cause Hazardous Substances used at the Project Facilities to be handled, used, stored and disposed in accordance with all Environmental Laws and in a manner which will not cause an undue risk of Contamination.

(c) The Borrower will cause all construction of new structures at the Project Facilities during the term of this Agreement to use design features which safeguard against or mitigate the accumulation of radon or radon products in concentrations exceeding the Environmental Protection Agency's recommended threshold of 4.0pCi/L.

(d) The Borrower shall not install or permit to be installed any temporary or permanent tanks for storage of any liquid or gas above or below ground, except after obtaining written permission from the Controlling Person to do so and in compliance with Environmental Laws.

(e) The Borrower shall implement a moisture management and control program (the "Moisture Management Program") for the Improvements at the Project Facilities to prevent the occurrence of mold, dangerous fungi, bacterial or microbial matter contamination or pathogenic organisms that reproduces through the release of spores or the splitting of cells (collectively, "Mold"), at, on or under the Project Facilities, which Moisture Management Program shall include, at a minimum: (i) periodic inspections of the Improvements at the Project Facilities for Mold, (ii) removing or cleaning up any Mold and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by the Controlling Person, and (iii) in the event that the Mold identified at the Improvements at the Project Facilities cannot be removed or cleaned from any impacted building materials (e.g., porous materials such as carpeting, certain types of ceiling materials, etc.) and/or equipment, removing all such impacted building materials and/or equipment from the Project Facilities, all in accordance with the procedures set forth in the United States Environmental Protection Agency's ("EPA") guide entitled "Mold Remediation in Schools and Commercial Buildings", EPA No. 402-K-01-001, dated March 2001 and in a manner consistent with best industry practices and utilizing an experienced remediation contractor acceptable to and approved by the Controlling Person. The Borrower shall include as part of every residential lease a Mold/Mildew Addendum in the form attached hereto as Exhibit C. The Borrower further covenants and agrees that, in connection with any mold remediation undertaken by or on behalf of the Borrower hereunder, the source (e.g., leaking pipe, water damage, water infiltration, etc.) of any Mold at the Improvements at the Project Facilities shall be promptly identified and corrected to prevent the occurrence or re-occurrence of any Mold.

(f) Upon the occurrence and continuation of an Event of Default, or if the Controlling Person has reason, in its reasonable discretion, to believe that there has occurred and is continuing a violation of Environmental Law or that there exists a condition that could give rise to any Governmental Action, in respect of an actual or alleged violation of Environmental Law, the Controlling Person may, at its discretion, commission an investigation at the Borrower's expense of (i) compliance at the Project Facilities with Environmental Laws, (ii) the presence of Hazardous Substances or Contamination at the Project Facilities, (iii) the presence at the Project Facilities of materials which are described

in Section 5.12(b), (iv) the presence at the Project Facilities of Environmentally Sensitive Areas, (v) the presence at the Project Facilities of radon products, (vi) the presence at the Project Facilities of tanks of the type described in Section 5.12(e) or in Section 6.14(d) above, or (vii) the presence of Mold at the Project Facilities. In connection with any investigation pursuant to this paragraph, the Borrower, and its lessees, sub-lessees and assigns, will comply with any reasonable request for information made by the Controlling Person or its agents in connection with any such investigation. Any response to any such request for information will be full and complete. The Borrower will assist the Controlling Person and its agents to obtain any records pertaining to the Project Facilities or to the Borrower and the lessees, sub-lessees or assigns of the Borrower in connection with an investigation pursuant to this paragraph. The Borrower will permit the Controlling Person and its agents access to all areas of the Project Facilities at reasonable times and in reasonable manners in connection with any investigation pursuant to this paragraph. No investigation commissioned pursuant to this paragraph shall relieve the Borrower from any responsibility for its representations and warranties under Section 5.12 hereof or under the Environmental Indemnity Agreement.

(g) In the event of any Contamination affecting the Project Facilities, whether or not the same originates or emanates from the Project Facilities or any contiguous real estate, or if the Borrower otherwise shall fail to comply with any of the requirements of Environmental Laws, the Controlling Person may, at its election, but without the obligation so to do, give such notices, cause such work to be performed at the Project Facilities (after reasonable notice and opportunity to cure by the Borrower and the Investor Limited Partner) and take any and all other actions as the Controlling Person shall deem necessary or advisable in order to remedy said Contamination or cure said failure of compliance and any amounts paid as a result thereof, together with interest thereon at the Default Rate from the date of payment by the Controlling Person, shall be immediately due and payable by the Borrower and until paid shall be added to and become a part of the Indebtedness and shall have the benefit of the lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Project Facilities attaching or accruing subsequent to the lien of the Mortgage on the Project Facilities.

Section 6.15. Controlling Person. The Borrower acknowledges and agrees that (a) the Holder has the sole and exclusive right to arrange for servicing of the Loan and to appoint another person or entity to serve as its representative hereunder, under the other Bond Documents and under the Indenture; (b) the Holder has appointed R4 Servicer LLC to serve in the capacity of Controlling Person hereunder, under the other Bond Documents, and under the Indenture; and (c) the Holder retains the sole and exclusive right to appoint, remove or replace the Controlling Person, without the consent or approval of the Borrower. The Borrower shall comply with the directions of the Controlling Person made on behalf of the Holder.

Section 6.16. Tax Returns. The General Partner will timely file all tax returns for itself and for the Borrower, pay or cause to be paid prior to delinquency all taxes imposed on their operations, assets, income or properties, and, upon request, provide to the Controlling Person copies of such returns and receipts for payment of such taxes.

Section 6.17. Leases. The Borrower hereby represents that there are no leases or agreements to lease all or any part of the Project Facilities now in effect except for leases to residential tenants in compliance with the Regulatory Agreement. Except for leases to residential tenants in compliance with the Regulatory Agreement and leases for services associated with residential rental properties (such as laundry and cable lease), the Borrower shall not enter into or become liable under, any leases or agreements to lease all or any part of the Project Facilities without the prior written approval thereof and of the prospective tenant by the Controlling Person. Each lease of residential units in the Project Facilities to a residential tenant shall be on a form of lease approved by the Controlling Person and shall be in compliance with the requirements of the Regulatory Agreement.

Section 6.18. Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the Issuer, the Trustee or the Controlling Person to carry out the purposes and provisions of this Agreement and the other Bond Documents, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and to assure the Controlling Person and the Holder of the subrogation and security rights in favor of the Trustee for the benefit of the Holder of the Bond contemplated by this Agreement, by the other Bond Documents and by the Indenture. The Borrower shall obtain any approvals required under the Subordinate Debt Documents in connection with any of the foregoing.

Section 6.19. Management Agreement. The Borrower has entered into a property management agreement in a form approved by the Controlling Person with the Manager (together with any extension and replacements thereof and as the same may be amended, modified or supplemented from time to time the "Management Agreement"). Under the Management Agreement, the Manager shall provide certain management services and shall be entitled to receive as compensation for those services an amount not in excess of the Underwritten Management Fee. Any amounts due the Manager in excess of the Underwritten Management Fee shall be subordinated to the payment by the Borrower of all principal of, premium, if any, and interest due on the Bond, all Third Party Costs and all required deposits into the Accounts. The Borrower shall not replace the Manager for the Project Facilities without the Controlling Person's prior written approval, and the Management Agreement shall not be terminated or modified without the Controlling Person's prior written approval. In the event the Manager resigns or is removed, the Borrower shall promptly seek a replacement Manager and submit such Manager and its proposed form of Management Agreement to the Controlling Person for approval; if the Borrower has not done so within 30 days of becoming aware of such resignation or removal, the Controlling Person may (but shall not be required to) engage a new Manager on terms satisfactory to the Controlling Person in its sole discretion and at the expense of the Borrower. The sole and exclusive compensation (exclusive of reimbursement for expenses pursuant to the applicable Management Agreement) paid to manage the Project Facilities under the Management Agreement shall be as described in this Section 6.19. The Borrower shall have no employees whatsoever. The Manager shall execute a consent to the Assignment of the Management Agreement pursuant to which the Manager shall confirm the subordination provisions described above and agree that the Management Agreement shall be terminable by the Controlling Person, with or without cause, on 30 days' notice following and during the existence of an Event of Default.

Section 6.20. Determination of Taxability. Neither the Borrower nor the General Partner shall admit in writing to the Issuer or the Trustee or to any Governmental Authority that interest on the Bond has become includable in gross income for purposes of federal income taxation without first providing reasonable advance notice to the Controlling Person and the Holder and permitting the Controlling Person or the Holder, at its sole discretion and at its expense, to contest such conclusion. Promptly after the Borrower first becomes aware of any Determination of Taxability or an event that could trigger a Determination of Taxability, the Borrower shall give written notice thereof to the Issuer, the Trustee, the Controlling Person and the Holder.

Section 6.21. [Reserved].

Section 6.22. Use of Proceeds. The Borrower agrees that the proceeds of the Bond will be allocated exclusively to pay Project Costs and that, for the greatest possible number of buildings, the Bond proceeds will be allocated on a pro rata basis to each building in the Project Facilities and the land on which such building is located, so that each building and the land on which it is located will have been financed 50% or more by the proceeds of the Bond for the purpose of complying with Section 42(h)(4)(B) of the Code.

Section 6.23. Compliance With Anti-Terrorism Regulations. Neither the Borrower, the General Partner nor any Person holding any legal or beneficial interest whatsoever in the Borrower shall at any time during the Term be described in, covered by or specially designated pursuant to or be affiliated with any Person described in, covered by or specially designated pursuant to Executive Order 13224—Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended, or any similar list issued by OFAC or any other department or agency of the United States of America. Notwithstanding the foregoing, the Borrower and the General Partner hereby each confirm that if it becomes aware or receives any notice of any violation of the foregoing covenant and agreement (an “OFAC Violation”), the Borrower or the General Partner, as applicable, will immediately (i) give notice to the Controlling Person of such OFAC Violation, and (ii) comply with all Legal Requirements applicable to such OFAC Violation, including, without limitation, Executive Order 13224; the International Emergency Economic Powers Act, 50 U.S.C. Sections 1701-06; the Iraqi Sanctions Act, Pub. L. 101-5 13, 104 Stat. 2047-55; the United Nations Participation Act, 22 U.S.C. Section 287c; the Antiterrorism and Effective Death Penalty Act, (enacting 8 U.S.C. Section 219, 18 U.S.C. Section 2332d, and 18 U.S.C. Section 2339b); the International Security and Development Cooperation Act, 22 U.S.C. Section 2349 aa-9; the Terrorism Sanctions Regulations, 31 C.F.R. Part 595; the Terrorism List Governments Sanctions Regulations, 31 C.F.R. Part 596; and the Foreign Terrorist Organizations Sanctions Regulations, 31 C.F.R. Part 597 (collectively, the “Anti-Terrorism Regulations”), and the Borrower and the General Partner hereby authorize and consent to the Controlling Person’s taking any and all reasonable steps the Controlling Person deems necessary, in its sole discretion, to comply with all Legal Requirements applicable to any such OFAC Violation, including the requirements of the Anti-Terrorism Regulations. Notwithstanding anything to the contrary in this Section, the Borrower shall not be deemed to be in violation of the covenants and agreements set forth in the first sentence of this Section if the Borrower timely complies with all requirements imposed by the foregoing sentence and all requirements of the Antiterrorism Regulations and all other applicable Legal Requirements relating to such OFAC Violation.

Section 6.24. Adoption of Capital and Operating Budgets.

(a) On or before December 1 of each Fiscal Year, the Borrower shall submit to the Controlling Person for approval a proposed capital and operating budget with respect to the Project Facilities to be effective for the next following Fiscal Year (the “Proposed Budget”). The Controlling Person shall have the right to approve or disapprove any Proposed Budget, which approval shall not be unreasonably withheld or delayed. Third party costs not within the Borrower’s control and costs associated with remediation of emergency conditions shall be permitted variances to the Annual Budget. If any Proposed Budget is not disapproved by the Controlling Person within 30 days following submission by the Borrower, such budget shall be deemed approved. If any budget is disapproved, the Borrower shall thereafter consult with the Controlling Person in an effort to achieve a mutually acceptable Annual Budget for an additional 30 days. To the extent the proposed operating budget is disapproved, the operating budget for the previous Fiscal Year shall remain in effect increased by 5% over the previous Fiscal Year (except for costs of utilities, Impositions and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Annual Budget may be revised from time to time with approval of Controlling Person to reflect changes to Expenses and proposed Capital Expenditures set forth in the then-current Annual Budget.

(b) Without limiting the generality that each Proposed Budget must be approved by the Controlling Person, each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect all amounts projected to be deposited in the Replacement Reserve Fund and the projected revenues and Expenses of the Project Facilities;

(iii) shall reflect all projected Capital Expenditures which are reasonably expected to be made in connection with the Project Facilities during the Fiscal Year covered by such Proposed Budget; and

(iv) shall be in such form as is reasonably acceptable to the Controlling Person and containing such other information as reasonably may be requested by the Controlling Person.

Section 6.25. Borrower’s Approval of Indenture. The Borrower understands that the Issuer will, pursuant to the Indenture and as security for the payment of the principal of, acceleration premium, if any, and the interest on the Bond, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to this Agreement (including all payments hereunder) reserving, however, the Reserved Rights; and the Borrower hereby agrees and consents to such assignment and pledge. The Borrower acknowledges that it has received a copy of the Indenture for its examination and review. By its

execution of this Agreement, the Borrower acknowledges that it has approved, has agreed to and is bound by the applicable provisions of the Indenture. The Borrower agrees that the Trustee shall be entitled to enforce and to benefit from the terms and conditions of this Agreement that relate to it notwithstanding the fact that it is not a signatory hereto.

Section 6.26. Conditions Precedent; Payment of Certain Fees, Deposits and Expenses. On the date of execution and delivery hereof, (a) the Controlling Person shall have received, in immediately available funds, an amount equal to the fees set forth in Section 2.02(a) hereof, and the fees of the Engineering Consultant set forth in Section 2.02(b) hereof incurred as of the date of the execution and delivery hereof, and (b) the Trustee shall have received the deposits required to be made in the Accounts on such date pursuant to Article VIII hereof.

Section 6.27. Additional Conditions Precedent. The rights of the Borrower to draw the initial advance of funds from the Project Fund under this Agreement shall be subject to the conditions precedent set forth in Section 9.12 hereof and on Schedule 7 hereof.

Section 6.28. No Amendments. The Borrower shall not amend, modify or otherwise change the Subordinate Debt Documents without the prior written consent of the Controlling Person.

Section 6.29. Construction of Improvements. The Borrower shall construct the Project Facilities in a true, thorough and workmanlike manner and substantially in accordance with the Plans and Specifications and in compliance with all applicable Governmental Actions and Legal Requirements. The Borrower shall provide, at the Borrower's expense all manner of materials, labor, implements and cartage of every description for the due completion of construction of the Project Facilities. The Borrower shall take all necessary steps to assure that commencement of construction of the Project Facilities shall begin within 30 days following the Issue Date, shall proceed continuously and diligently and in a commercially reasonable manner, and shall be completed lien free in a timely manner substantially in accordance with the Plans and Specifications and in all instances in compliance with all applicable Governmental Actions and Legal Requirements, on or before the Completion Date, as may be extended hereunder, and subject to delays caused by a Force Majeure.

Section 6.30. Evidence of Payment of Costs. If requested by the Controlling Person, the Borrower shall furnish, before each advance agreed to be made and on completion of construction, all receipted bills, certificates, affidavits, conditional releases of lien and other documents which may be reasonably required by the Controlling Person, as evidence of full payment for all labor and materials incident to the construction of the Project Facilities for each requested draw with copies of unconditional releases of lien from each prior draw and will promptly secure the release of the Project Facilities from all liens by payment thereof or transfer to bond or other security.

Section 6.31. Correction of Deficiencies in Improvements. The Borrower agrees that it will correct any work performed and replace any materials that do not comply with the Plans and Specifications in any material respect. In the event of any dispute between the Borrower and the Controlling Person with respect to the interpretation and meaning of the Plans and

Specifications, the same shall be determined by an independent engineer selected by the Borrower from the list of engineers approved by the Controlling Person.

Section 6.32. Loan Rebalancing. If, for any reason, the Controlling Person shall, in the reasonable exercise of the Controlling Person's judgment, determine that the combined total of (a) the remaining proceeds of the Loan, (b) the capital contributions from Borrower's partners; (c) any other source of funds shown in the Development Budget attached hereto; and (d) any other sums deposited by the Borrower with the Trustee are insufficient to pay through completion of the Project Facilities, all of the following sums: (x) all remaining costs of construction, marketing, ownership, maintenance and leasing of the Project Facilities; and (y) all remaining interest and all other remaining sums which may accrue or be payable under the Bond Documents, then the Controlling Person may require the Borrower to deposit with the Trustee for deposit into the Project Fund, within 10 days after written request by the Controlling Person, the projected deficiency, and such deposit shall be first disbursed in the same manner as the Loan is to be disbursed as provided herein before any further disbursements of the proceeds of the Loan shall be made. Notwithstanding the foregoing, if, at any time, Controlling Person determines, in Controlling Person's reasonable discretion, that it is unlikely that Borrower will receive all or a portion of the sources of funds shown on the Development Budget (other than Loan proceeds), Controlling Person may exclude such amount from its determination of whether the Loan is "in balance" as provided above.

Section 6.33. Use of Loan Proceeds. All labor and materials contracted for and in connection with the construction of the Project Facilities shall be used and employed solely for the Improvements and in said construction and only in accordance with the Plans and Specifications. Moneys disbursed from Accounts held under the Indenture to or for the account of the Borrower under this Agreement shall constitute a trust fund in the hands of the Borrower or other payee and shall be used solely by such payee for the payment of the Qualified Project Costs and for no other purpose unless another use is specifically provided for in this Agreement or consented to in writing by the Controlling Person. Nothing in this paragraph shall be deemed to impose a trust on the undisbursed portion of the Loan or any other amounts held under the Indenture or to impose any duty on the Controlling Person with respect thereto.

Section 6.34. Special Servicing Costs. The Controlling Person, as servicer of the Loan, may charge the Borrower additional servicing fees and costs for special servicing requests. The Borrower shall pay as and when due all such special servicing fees or costs.

Section 6.35. Developer Fee. The Borrower will not pay any Developer Fee unless permitted under Section 2 of the Developer Fee Pledge.

Section 6.36. Payment and Performance Bonds. The Borrower shall furnish to the Controlling Person and shall maintain in effect through Final Completion such Payment and Performance Bonds with respect to the Contractor, or if the Contractor does not obtain such Payment and Performance Bonds, such Payment and Performance Bonds shall be obtained with respect to each contractor that enters into a Major Contract; provided, however, that if Payment and Performance Bonds have been provided by any contractor under a Major Contract in accordance with the terms hereof, any subcontractor of such contractor shall not be required to post any Payment and Performance Bonds in respect of such subcontract. The Borrower shall

take such action and require such performance as the Controlling Person deems necessary under the Payment and Performance Bonds. In the event that any payments under any Payment and Performance Bonds are issued jointly to the Borrower and the Trustee or the Borrower and the Controlling Person, the Borrower shall endorse any such jointly issued payments to the order of the Trustee or the Controlling Person, as determined by the Controlling Person in its discretion, promptly upon the Controlling Person's demand. Notwithstanding the foregoing, provided no Default or Event of Default exists, the Borrower may request that the Controlling Person consent in writing to the release of the Payment and Performance Bonds following achievement of Substantial Completion.

Section 6.37. Extension of the Outside Stabilization Date.

(a) The Borrower may, upon 30 days prior written notice to the Controlling Person, extend the deadline for the Project Facilities to achieve Stabilization so long as:

(i) there is no uncured Default or Event of Default exists and the Borrower is then in compliance with its obligations under the Bond Documents;

(ii) the extended deadline for the achievement of Stabilization is no later than six months after the initial Outside Stabilization Date;

(iii) and an extension fee equal to 0.25% times the principal amount of Bonds Outstanding at the date of extension is paid to the Controlling Person with respect to such extension; and

(iv) the Borrower certifies in writing to the Controlling Person that cash flows generated from property operations and/or funds on deposit with the Trustee (or other sources approved by the Controlling Person) will be sufficient to pay debt service during the term of the extension.

(b) [INCLUDE IF AMORTIZATION COMMENCES AFTER STABILIZATION-In connection with such extension, the First Principal Payment Date shall be extended to commence on the first Interest Payment Date following achievement of Stabilization.]

Section 6.38. Cooperate in Legal Proceedings. The Borrower shall cooperate fully with the Issuer, the Trustee, the Holder and the Controlling Person with respect to, and permit the Issuer, the Trustee, the Holder and the Controlling Person, at their option, to participate in, any proceeding before any Governmental Authority that may in any way affect the rights of the Issuer, the Trustee, the Holder and/or the Controlling Person under any of the Bond Documents.

ARTICLE VII

(h) The Borrower fails to maintain in full force and effect any insurance required pursuant to this Agreement;

(i) The Project Facilities suffer a loss by fire or other casualty and such loss is not fully insured and any deficiency in the amount of insurance proceeds paid with respect to such loss is not posted with the Trustee within 30 days of the determination of such deficiency;

(m) Failure by the Borrower or the Guarantor (i) to make any payment or payments in respect of any Obligation or Indebtedness (unless a bona fide dispute exists as to whether such payment is due), when such payment or payments are due and payable (after the lapse of any applicable grace period) (ii) to perform any other obligation or covenant under any such obligation or obligations or (iii) to pay or perform any obligation or covenant under any Material Contract, any of which (A) results in the acceleration of such Obligation or Indebtedness or enables the holder or holders of such Obligation or Indebtedness or any person acting on behalf of such holder or holders to accelerate the maturity of such obligation or (B) would have, in the Controlling Person's reasonable opinion, a materially adverse effect on either the Borrower's or the Guarantor's ability to pay its obligations and comply with the covenants under this Agreement or any of the other Bond Documents;

(n) Construction of the Improvements shall have been discontinued for 30 consecutive working days for any reason whatsoever, except such reason as the Controlling Person shall deem reasonable;

(q) The Improvements have not been completed in accordance with the Plans and Specifications by the Completion Date, as may be extended hereunder.

(r) An event of default shall have occurred under the Subordinate Debt Documents.

(a) Declare the principal of the Bond then Outstanding and the interest accrued thereon to be due and payable; and

(b) Declare the Borrower's obligations hereunder, under the Note and under the other Bond Documents to be, whereupon the same shall become, immediately due and payable, provided, no such declaration shall be required, and acceleration shall be automatic, upon occurrence of an event set forth in Section 7.01(g) hereof; and

(c) Enter upon the Project Facilities and take possession thereof, together with the Improvements in the course of construction or completed, and all of the Borrower's

materials, supplies, tools, equipment and construction facilities and appliances located thereon, and proceed either in the name of the Trustee or in the name of the Borrower as the attorney-in-fact of the Borrower (which authority is coupled with an interest and is irrevocable by the Borrower) as the Controlling Person shall elect, to complete the construction of the Improvements at the cost and expense of the Borrower; if the Controlling Person elects to complete or cause the construction of the Improvements to be so completed, it may do so according to the terms of the Plans and Specifications and as the Controlling Person shall deem expedient or necessary, and the Trustee may enforce or cancel all contracts entered into as aforesaid or make other contracts which in the Controlling Person's reasonable opinion may seem advisable, and the Borrower shall be liable, under this Agreement and under the Note or any other note given by it pursuant to the provisions hereof, to pay the Trustee upon demand any amount or amounts expended by the Trustee or its representatives for such performance, together with any costs, charges or expenses incident thereto or otherwise incurred or expended by the Trustee or its representatives on behalf of the Borrower in connection with the Improvements, and the amounts so expended shall bear interest at the default rate specified in the Note, and shall be considered part of the indebtedness evidenced by the Note and secured by the Mortgage; and

(d) In the event the Contractor shall have defaulted as aforesaid, and the Contractor has no surety, the Controlling Person shall proceed to negotiate or invite bidding to procure, within an additional 15 days, a successor Contractor to complete the Improvements under a performance bond and labor and material payment bond approved by the Controlling Person in the full amount of the new contract price; if the Contractor has a surety, but the surety refuses or fails to commence completion of the Improvements within 15 days after notice from the Borrower to do so, the Controlling Person shall proceed, within 10 days, to negotiate or invite bidding as herein provided or to take action against the entity; and

(f) Subject to all Legal Requirements, require the Borrower to transfer all security deposits to the Trustee; and

(g) Exercise, or cause to be exercised, any and all such remedies as it may have under this Agreement, the other Bond Documents or at law or in equity.

Section 7.03. No Waivers; Consents. No waiver of, or consent with respect to, any provision of this Agreement shall in any event be effective unless the same shall be in writing and signed by the Trustee at the direction of the Controlling Person (or by the Issuer if the same relates to Reserved Rights), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

Section 7.04. No Waiver; Remedies Cumulative. No failure on the part of the Issuer, the Trustee, the Controlling Person or any Bondholder to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; and no single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies available under any other document or at law or in equity.

Section 7.05. Set-Off. Upon the occurrence and during the continuation of an Event of Default hereunder, the Trustee is hereby authorized at any time and from time to time without notice to the Borrower or the General Partner (any such notice being expressly waived by the Borrower and the General Partner) and, to the fullest extent permitted by applicable Legal Requirements, to set off and to apply any and all balances, credits, deposits (general or special, time or demand, provisional or final), accounts or moneys at any time held (including any amounts in the Accounts except for the Rebate Fund and the Tax and Insurance Escrow Fund) and other indebtedness at any time owing by the Issuer to or for the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement, the Bond Documents or any other agreement or instrument delivered by the Borrower to the Issuer in connection therewith, whether or not the Issuer shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. The rights of the Trustee under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Trustee may have.

Section 7.06. Issuer and Borrower To Give Notice of Default. The Issuer and the Borrower severally covenant that they will, at the expense of the Borrower, promptly give to the Trustee, the Controlling Person and the Investor Limited Partner and to each other written notice of the occurrence of any Event of Default under this Agreement, and any act, event or circumstance which, with the passage of time, or notice, or both, would constitute such an Event of Default of which they shall have actual knowledge or written notice, but the Issuer shall not be liable for failing to give such notice.

Section 7.07. Cure by Investor Limited Partner. Notwithstanding anything to the contrary contained herein, the Issuer hereby agrees that any timely cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower, and shall be accepted or rejected on the same basis as if made or tendered by the Borrower; provided, however, that the Investor Limited Partner shall not have any obligation or duty to take any action to cure any default or to cause any default to be cured.

Section 7.08. Default Rate; Acceleration Premium. In the event there shall have occurred an acceleration of the obligations of the Borrower hereunder following an Event of Default on or before the First Optional Call Date, any tender of payment of an amount necessary to satisfy the indebtedness evidenced by this Agreement shall include the acceleration premium set forth in Section 2.03(c) hereof. In addition, in the event that principal or interest payable hereunder is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 7.09. Reserved Rights; Regulatory Agreement Defaults.

(a) Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Bond Documents and exercise the permitted remedies with respect thereto against the Borrower, subject to the provisions of subparagraph (c) below.

(b) If there shall have occurred and be then continuing an event of default under the Regulatory Agreement which would, in the reasonable judgment of the Issuer or the Trustee, jeopardize the exclusion from gross income of interest on the Bond (a “Regulatory Agreement Default”) and such Regulatory Agreement Default remains uncured or unwaived for a period of 60 days after the Borrower, the Controlling Person and the Holder receive written notice from the Trustee or the Issuer stating that a Regulatory Agreement Default has occurred and specifying the nature of such default, then, if authorized by the Bond Documents, the Issuer and the Trustee may, without the consent of the Controlling Person or the Holder, exercise the remedy of pursuing specific performance of the Bond Documents on account of such default, unless:

(i) The Issuer and the Trustee, prior to the end of such 60-day period, are provided with an opinion of Bond Counsel to the effect that the failure to cure such default will not have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Bond (which opinion may be requested and obtained by the Controlling Person or the Holder);

(ii) The Controlling Person, the Holder or the Borrower institutes action to cure such Regulatory Agreement Default within such 60-day period and diligently pursues such action thereafter until such Regulatory Agreement Default is cured; or

(iii) If such Regulatory Agreement Default is not reasonably curable by the Controlling Person or the Holder without the Trustee's first securing possession of the Project Facilities and/or operational control of the Borrower and the Controlling Person or the Holder (subject to extension during any stay on account of the bankruptcy of the Borrower) (x) instructs the Trustee, subject to the terms of the Indenture, to institute, within such 60-day period, proceedings or other action for the purposes of obtaining such possession or control pursuant to the Bond Documents; (y) thereafter instructs the Trustee, pursuant to the terms of the Indenture, to pursue diligently such proceedings until such possession or control is obtained; and (z) diligently pursues action to cure such default after the Trustee or other designee of the Controlling Person or the Holder obtains possession or control of the Project Facilities, until such default is cured; provided, however, that any extension, of the period within which a Regulatory Agreement Default must be cured shall only be effective if and to the extent that, in the opinion of Bond Counsel provided to the Trustee, such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bond; and provided further, that the Trustee, upon five Business Days' prior written notice to the Controlling Person and the Holder following any such Regulatory Agreement Default, may reduce the 60-day period provided above to such shorter period of time as is specified in such notice (but in no event less than 15 Business Days), but only if the Trustee, the Controlling Person and the Holder shall have been provided with an opinion of Bond Counsel to the effect that such reduction of such period is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the Bond.

(c) In the event of a default in respect of Reserved Rights or a Regulatory Agreement Default which remains uncured after written notice thereof to the Borrower, the Controlling Person and the Holder, nothing in this Section 7.09 shall restrict or in any way limit the right of the Issuer or the Trustee to take any action for specific performance available under the Regulatory Agreement or at law or in equity in order to enforce the terms of the Regulatory Agreement or to enforce Reserved Rights hereunder, so long as neither the Issuer nor the Trustee takes any action (i) to declare the Outstanding balance of the Bond or the Loan to be due on account of such default, (ii) to have a receiver appointed in respect of the Project Facilities, (iii) to foreclose any liens upon or security interests or to enforce any other similar remedy against any of the property described in the Mortgage, or (iv) to enforce any other similar remedy which would cause such liens or security interests to be discharged or materially impaired thereby.

(a) [On the Issue Date, the Borrower shall pay, or cause to be paid, to the Trustee, to be deposited in the Tax and Insurance Escrow Fund, the amount specified in Section 4.01 of the Indenture, if any.]

(b) Thereafter, unless otherwise directed by the Controlling Person, two Business Days before each Interest Payment Date, commencing the First Interest Payment Date, and continuing each month thereafter, the Borrower shall pay, or cause to be paid, to the Trustee an amount equal to the Monthly Tax and Insurance Amount for the Project Facilities to be deposited in the Tax and Insurance Escrow Fund.

Section 8.03. [Reserved].

Section 8.04. Deposits to Redemption Fund. Two Business Days before each Principal Payment Date, commencing on the First Principal Payment Date and continuing thereafter until the date on which the Bond is no longer Outstanding or have been defeased, the Borrower shall pay to the Trustee the monthly amount shown on the Debt Service Schedule as modified from time to time pursuant to Section 3.4(e) of the Indenture for deposit into the Redemption Fund pursuant to Section 4.05(a) of the Indenture. Following any partial redemption of the Bond (other than pursuant to Section 3.04(c) of the Indenture), the Controlling Person shall adjust the monthly amount due pursuant to this provision to account for any partial redemption of the Bond in the manner set forth in Section 3.04(e) of the Indenture and shall provide the Borrower and the Trustee with the revised Debt Service Schedule. The Borrower shall also pay to the Trustee for deposit in the Redemption Fund all amounts required to redeem the Bond pursuant to Section 3.04(b)(vi) of the Indenture on or before the Interest Payment Date specified in the notice of the Controlling Person as provided in Section 3.04(b)(vi) of the Indenture. The Borrower shall also pay to the Trustee for deposit in the Redemption Fund all other amounts required to redeem the Bond pursuant to Section 3.04 of the Indenture, as provided therein.

Section 8.05. Establishment of Operating Reserve Fund. The Borrower shall, upon receipt of the Final Installment under the Partnership Agreement of the Borrower establish and maintain at a bank approved by Controlling Person, an operating reserve fund (the "Operating Reserve Fund") in the amount of \$[_____]. Moneys in the Operating Reserve Fund may be used by the Borrower only to fund any operating deficits of the Borrower, Expenses, or for any other

operating or capital needs approved by the Controlling Person and Investor Limited Partner in writing. During the continuance of an Event of Default or in order to prevent an Event of Default, the Operating Reserve Fund shall be applied to by the Borrower, at the direction of the Controlling Person: (i) first to pay current debt service on the Bond; (ii) second to pay other operating deficits of the Project Facilities; and (iii) thereafter to payment of other amounts owed by the Borrower. The Borrower additionally covenants and agrees that promptly following the date that the Investor Limited Partner, or an Affiliate of Investor Limited Partner, is no longer a partner under the Partnership Agreement of the Borrower (the “Operating Reserve Trigger”), the Operating Reserve Fund shall be transferred to the Trustee and held as additional security for the Bond.

Section 8.06. Investment. Funds in the Accounts shall be invested in Permitted Investments upon the direction of the Borrower with the consent of the Controlling Person, as set forth in Section 4.07 of the Indenture. Earnings on the Accounts hereunder shall be held or disbursed as set forth in Article IV of the Indenture. The Trustee shall have the right to invest or withdraw any deposited funds or to direct the liquidation of any investments held in order to pay the amounts required under this Agreement and the other Bond Documents. The Trustee shall not be liable for any loss sustained as a result of any liquidation of any collateral prior to its maturity. Any income or gain realized on such investments shall be credited to and become part of the respective Account and reinvested and applied as provided in the Indenture. Provided that no Default or Event of Default exists, the Borrower from time to time may request the Controlling Person to consent to the disbursement to or upon the order of the Borrower of the investment income previously credited to the Accounts, which consent by the Controlling Person shall not be unreasonably withheld, conditioned or delayed.

Section 8.07. Security Interest in Accounts. The Borrower hereby assigns and pledges to the Issuer, and grants the Issuer a security interest in, as additional collateral security for the Borrower’s obligations to the Issuer hereunder (and the Borrower acknowledges and agrees that the Issuer shall have a continuing security interest in) all of the Borrower’s right, title and interest, if any, in all Accounts, all cash, cash equivalents, instruments, investments and other securities at any time held in the Accounts, all proceeds of the foregoing, and all of the Borrower’s rights associated with such Accounts, if any. The Issuer hereby directs the Trustee to hold all moneys in the Accounts from time to time as assignee of the Issuer.

Section 8.08. Reports. The Trustee shall provide to the Borrower detailed monthly reports on or before the fifth day of the month following the month to which such report relates showing receipts, disbursements, balances and investments of each Account. Within 10 days of a written request of the Borrower to such effect, the Trustee shall deliver to the Borrower an accounting of receipts, disbursements and balances in one or more of the Accounts as necessary and appropriate to assist the Borrower in complying with its covenants to calculate and pay any rebate amount or yield reduction payments due and owing to the United States of America with respect to the Bond.

Section 8.09. No Liability of Trustee. In performing any of its duties hereunder, the Trustee shall not incur any liability to anyone for any damages, losses or expenses, except for its gross negligence, bad faith or willful misconduct; and the Trustee shall not incur any liability with respect to any action taken or omitted in good faith in the performance of its duties and responsibilities under this Agreement.

ARTICLE IX

CONSTRUCTION AND FUNDING OF ADVANCES

Section 9.01. Construction of Project Facilities; Final Completion. The Borrower shall commence performance of the Work in respect of the Improvements no later than 30 days' following the Issue Date, and shall achieve Completion of such Work in accordance with the Plans and Specifications on or before the Completion Date and Stabilization on or before the Stabilization Date; provided, however, that at the request of the Borrower and with the prior written approval of the Controlling Person, the Completion Date may be extended one or more times for such periods as the Controlling Person may approve in its sole discretion and upon delivery of such other information and funds as the Controlling Person may require in its sole discretion and the Stabilization Date may be extended as provided in Section 6.37 hereof.

Section 9.02. Making the Advances.

(a) At such time as the Borrower desires to obtain an advance from the Project Fund, an Authorized Person shall complete, execute and deliver a Requisition to the Controlling Person for its approval; no Requisition shall be delivered to the Trustee until it has been approved by the Controlling Person, and each advance by the Trustee of the amounts in the Project Fund shall be subject to the prior approval of the Requisition by the Controlling Person and acknowledgment by the Issuer as provided in the Indenture. The Controlling Person shall endeavor to approve or object to any Requisition within 10 Business Days of its submission and the submission of all additional information required in connection with such Requisition and shall endeavor to provide specific information concerning the nature of any objection it may have.

(b) Each Requisition shall be submitted to the Controlling Person at least 15 Business Days prior to the date of the requested Advance, and no more frequently than once each month (excluding the month in which the initial advance is requested). The Borrower shall open and maintain a checking account with a financial institution reasonably satisfactory to the Controlling Person. Except as otherwise provided for herein, the Controlling Person shall direct the Trustee to deposit the proceeds of each Requisition into such account.

Section 9.03. Advances to Contractors; to Others. At its option during the existence of any Event of Default or Default, the Controlling Person may direct the Trustee, with notice to the Borrower, to make any or all advances: (a) for costs incurred under any construction contract directly to a contractor, subcontractor or vendor, (b) through the Title Company, or (c) to any Person to whom the Controlling Person in good faith determines payment is due.

Section 9.04. Requisition. Each Requisition shall be in the form set forth on Exhibit B hereto, shall be signed on behalf of the Borrower by an Authorized Person, shall be subject to approval by the Controlling Person, prior to payment and shall state with respect to each disbursement to be made: (a) the number of the Requisition; (b) the amount to be disbursed; (c) that each obligation therein for which such disbursement is being requested has been properly

incurred and has not been the basis for any previous disbursement; and (d) that the expenditure of such disbursement, when added to all previous disbursements, will result in not less than 97% of all disbursements having been used to pay or reimburse the Borrower for Qualified Project Costs.

Section 9.05. Project Costs. The Development Budget reflects the purposes and the amounts for which funds to be advanced by the Trustee from the Project Fund are to be used. Subject to Section 9.07 hereof, the Controlling Person shall not be required to approve any Requisition requiring disbursement of funds from the Project Fund for any item of Work in an amount exceeding the amount specified for any item in the Development Budget. Subject to Section 9.07 hereof, in no event shall the Controlling Person approve any Advance in an amount exceeding (a) the total cost (as determined by the Controlling Person) of the labor, materials, fixtures, machinery and equipment completed, approved and incorporated into the Project Facilities prior to the date of such Requisition, less (b) Retainage (if required) less (c) the total amount of any advances previously made by the Trustee from the Project Fund for such costs.

Section 9.06. Retainage. The Controlling Person shall approve disbursement of Retainage upon completion of the Work or category of Work by the contractor or subcontractor under the contract for which the Retainage was held. No advance of funds from the Project Fund shall be approved unless all Work done at the date the Requisition for such advance is submitted is done in a good and workmanlike manner and without defects, as confirmed by the report of the Engineering Consultant.

Section 9.07. Contingency Reserve. The amount allocated to “contingency” in the Development Budget is not intended to be disbursed without, and will only be disbursed upon, the prior approval of the Controlling Person. The disbursement of a portion of the contingency reserve shall in no way prejudice the Controlling Person from directing the Trustee to withhold disbursement of any further portion of the contingency reserve.

Section 9.08. Stored Materials. The Controlling Person shall approve Requisitions for funds for materials, furnishings, fixtures, machinery or equipment not yet incorporated into the Improvements, provided that any such disbursement shall be subject to and shall be contingent upon the Controlling Person’s receiving satisfactory evidence that:

- (a) such materials are components in a form ready for incorporation into the Improvements and shall be so incorporated within a period of 30 days; and
- (b) such materials are stored at the Project Facilities, or at such other site as the Controlling Person shall approve, and are insured and protected against theft and damage.

Within five days after receiving notice from the Controlling Person (or the Engineering Consultant), the Borrower will commence or cause to be commenced the removal of all materials, whether worked or unworked, and all portions of the construction which the Controlling Person (or the Engineering Consultant) may condemn as failing in a substantial way to conform with the Plans and Specifications, and will prosecute diligently or cause to be prosecuted diligently such removal. The Borrower further agrees to make good all portions of the construction and other materials damaged by such removal.

Section 9.09. Cost Overruns and Savings.

(a) If the Borrower becomes aware of any change in the costs of the Work which will increase or decrease the projection of the costs reflected on the Development Budget by \$50,000 or more, the Borrower shall immediately notify the Controlling Person in writing and promptly submit to the Controlling Person for its approval a revised Development Budget. If the Controlling Person otherwise becomes aware of any such change in costs of the Work, the Controlling Person shall have the right to prepare and to authorize disbursements on the basis of a revised Development Budget.

(b) If the revised Development Budget indicates an increase in costs of the Work for the Project Facilities (in excess of the aggregate contingency amount, developer fee and savings), no further Requisitions for the Work at the Project Facilities need be approved by the Controlling Person unless and until the Borrower has deposited with the Trustee any required funds necessary to cause the amount remaining on deposit in the Project Fund and any Required Equity Funds yet to be deposited with the Trustee to be sufficient to complete fully the construction of the Improvements in accordance with the Plans and Specifications to the extent applicable, and to pay all other Projected costs in connection with the Work.

(c) If the revised schedule indicates a decrease in costs of the Work for the Project Facilities, no savings may be reallocated by the Borrower unless and until the Borrower has furnished the Controlling Person and the Engineering Consultant with evidence satisfactory to them that the labor performed and materials supplied in connection with such line item of costs have been satisfactorily completed and paid for in full. At such time, such savings may be reallocated by the Borrower, with the consent of the Controlling Person, to other line items.

(d) The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Project Costs will be sufficient to pay all of the Project Costs. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Project Costs as required herein, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, nor shall the Borrower be entitled to any diminution of the amounts payable under this Agreement or under the Note.

Section 9.10. Right To Retain the Engineering Consultant.

(a) Prior to Stabilization, the Trustee shall have the right to retain, at the direction of the Controlling Person and at the Borrower's cost and expense, the Engineering Consultant to perform various services on behalf of the Controlling Person, including, without limitation, to make periodic inspections for the purpose of assuring that construction of the Improvements to date is in accordance with the Plans and Specifications, to advise the Controlling Person of the anticipated cost of and time for completion of construction of the Improvements and to review all construction contracts and subcontracts.

(b) The fees of the Engineering Consultant during the performance of the construction shall be paid by the Borrower in accordance with Section 2.02(b) hereof.

(c) Neither the Controlling Person, the Holder, nor the Engineering Consultant shall have any liability to the Borrower on account of (i) the services performed by the Engineering Consultant, (ii) any neglect or failure on the part of the Engineering Consultant to properly perform its construction of the Improvements. Neither the Controlling Person nor the Engineering Consultant assumes any obligation to the Borrower, the General Partner or any other Person concerning the quality of the Work performed or the absence of defects from the Improvements.

Section 9.11. Inspections. The Borrower agrees to provide and cause to be provided to the Controlling Person and its authorized agents, at all times, facilities commonly made available by responsible general contractors for the inspection of the Improvements, and to afford full and free access to the Controlling Person and its authorized agents to all plans, drawings and records with respect to the construction of the Improvements. The Borrower further agrees to promptly send to the Controlling Person a copy of all construction inspection reports made by the Borrower's Architect or engineer.

Section 9.12. Initial Advances. The right of the Borrower to draw the initial Advance on the Issue Date shall be subject to the satisfaction of the conditions precedent listed on Part A of Schedule 6 attached hereto.

Section 9.13. Subsequent Advances. The right of the Borrower to draw any subsequent advances of funds from the Project Fund shall be subject to the satisfaction of the conditions listed on Part B of Schedule 6 attached hereto.

Section 9.14. Construction Information and Verification. From time to time, within 10 days after the written request of the Controlling Person, the Borrower shall deliver to the Controlling Person any and all of the following information and documents, to the extent applicable to the construction of the Project Facilities, that the Controlling Person may request, all in forms acceptable to the Controlling Person, as applicable:

(a) Current Plans and Specifications for the Improvements certified by the Architect as being complete and accurate, and a line item cost breakdown for the proposed construction of the Improvements;

(b) A current, complete and correct list showing the name, address, telephone number and license information of each contractor, subcontractor and material supplier engaged in connection with the construction of the Improvements, and the total dollar amount of each contract and subcontract (including any changes) and the scope of work involved, together with the amounts paid through the date of the list and all other information reasonably requested by Controlling Person;

(c) True and correct copies of the most current versions of all executed contracts and subcontracts with each party identified in the list described in clause (b) above, including any changes;

(d) True and correct copies of all grading, foundation, building and all other construction permits, licenses and authorizations from all applicable Governmental Authorities or third parties necessary for the construction of the Improvements and the operation of, and access to, the Project;

(e) Copies of (i) owner/architect/contractor project meeting minutes; (ii) requests for information (RFI), submittal logs, proposed change orders (PCO), and change order logs; (iii) independent test results, (iv) quality inspection reports; and (v) anticipated cost reports, buy-out logs and Major Contracts;

(f) A construction schedule showing the progress of construction and the projected sequencing and completion times for uncompleted Work, all as of the date of the schedule; and

(g) Any update to any item described above which Borrower may have previously delivered to Controlling Person.

(h) Borrower expressly authorizes Controlling Person to contact Architect, Contractor or any contractor, subcontractor, material supplier, surety or any Governmental Authority to verify any information disclosed in accordance with this Section 9.14. Controlling Person shall give notice to Borrower of any such contacts, provided that neither Controlling Person nor Trustee shall incur any liability to Borrower by reason of the failure to give such notice, and Borrower's obligations under the Bond Documents shall not be affected in any manner by any failure to give such notice. The Construction Contract shall require the Contractor to disclose such information to Trustee and Controlling Person. Any defaulting architect, contractor, subcontractor, material supplier or surety shall be promptly replaced, and Borrower shall promptly deliver all required information and documents to Controlling Person and Trustee regarding each replacement architect, contractor, subcontractor, material supplier and surety. Controlling Person may disapprove any architect, contractor, subcontractor, material supplier, surety or other party whom Controlling Person in its reasonable judgment may deem financially or otherwise unqualified, however, the absence of any such disapproval shall not constitute a representation of qualification.

Section 9.15. Effect of Approval. Approval of any Requisition by the Controlling Person shall not constitute an approval or acceptance of the Work or materials, nor shall such approval give rise to any liability or responsibility relating to: (a) the quality of the work, the quantity of the work, the rate of progress in completion of the Work, or the sufficiency of materials or labor being supplied in connection therewith; and (b) any errors, omissions, inconsistencies or other defects of any nature in the Plans and Specifications. Any inspection of the work that the Controlling Person may choose to make, whether through any consulting engineer or architect, agent or employee or officer, during the progress of the work shall be solely for the Controlling Person's information and under no circumstances will they be deemed to have been made for the purpose of supervising or superintending the Work, or for the information or protection of any right or interest of any person or entity other than the Controlling Person and the Holder.

Section 10.02. Successors and Assigns; Third Party Beneficiaries. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns, including, without limitation, the Trustee. The Controlling Person and the Holder are express third party beneficiaries of this Agreement and the rights of the Trustee (as assignee of the Issuer) hereunder, with full rights of enforcement thereof. The Borrower may not assign its interests in or its rights, duties or obligations under this Agreement without the prior written consent of the Controlling Person. The Borrower and the Issuer intend that no person other than the parties hereto, the Holder, the Controlling Person, and their respective successors and assigns as permitted hereunder, shall have any claim or interest under this Agreement or right of action hereon or hereunder.

Section 10.03. Survival of Covenants. All covenants made by the Borrower herein and in any document delivered pursuant hereto shall survive the issuance, sale and delivery of the Bond, the delivery of this Agreement and the payment of any amounts under the Bond Documents.

Section 10.04. Counterparts; Electronic Signature. The execution hereof by each party hereto shall constitute a contract between them for the uses and purposes herein set forth, and this Agreement may be executed in any number of counterparts, with each executed counterpart constituting an original and all counterparts together constituting one agreement. To the fullest extent permitted by applicable law, facsimile or electronically transmitted signatures shall be treated as original signatures for all purposes hereunder.

Section 10.05. Costs, Expenses and Taxes. The Borrower agrees to pay on the Issue Date and thereafter within 30 days after demand, all reasonable costs and expenses of the Issuer, the Trustee, the Controlling Person and the Holder in connection with the preparation, execution, delivery and administration of this Agreement, the other Bond Documents and any other documents that may be delivered in connection with this Agreement or the other Bond Documents or any amendments or supplements thereto, including, without limitation, the fees and expenses of the Engineering Consultant, the cost of an annual appraisal (but only upon the occurrence and during the continuation of an Event of Default) of the Project Facilities by an appraiser selected by the Controlling Person, and the reasonable fees and expenses of counsel for the Holder and the Controlling Person with respect thereto and with respect to advising the Holder and the Controlling Person as to their respective rights and responsibilities under this Agreement, the other Bond Documents and such other documents, and all costs and expenses, if any, (including, without limitation, reasonable counsel fees and expenses of the Controlling Person and the Holder) in connection with the enforcement of this Agreement, the other Bond Documents and such other documents.

Section 10.06. Severability; Interest Limitation. If any provision hereof is found by a court of competent jurisdiction to be prohibited or unenforceable in any jurisdiction, it shall be ineffective as to such jurisdiction only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability shall not invalidate the balance of such provision as to such jurisdiction to the extent it is not prohibited or unenforceable, nor invalidate such provision in any other jurisdiction, nor invalidate the other provisions hereof, all of which shall be liberally construed in favor of the Issuer in order to effect the provisions of this Agreement. Notwithstanding anything to the contrary herein contained, the total liability of the Borrower for payment of interest pursuant hereto shall not exceed the maximum amount, if any, of such interest permitted by applicable Legal Requirements to be contracted for, charged or received, and if any payments by the Borrower to the Trustee include interest in excess of such a maximum amount, the Trustee shall apply such excess to the reduction of the unpaid principal amount due pursuant hereto, or if none is due, such excess shall be refunded to the Borrower; provided that, to the extent permitted by applicable Legal Requirements, in the event the interest is not collected, is applied to principal or is refunded pursuant to this sentence and interest thereafter payable pursuant hereto shall be less than such maximum amount, then such interest thereafter so payable shall be increased up to such maximum amount to the extent necessary to recover the amount of interest, if any, theretofore uncollected, applied to principal or refunded pursuant to this sentence. Any such application or refund shall not cure or waive any Event of Default. In determining

whether or not any interest payable under this Agreement exceeds the highest rate permitted by applicable Legal Requirements, any non-principal payment (except payments specifically stated in this Agreement to be “interest”) shall be deemed, to the extent permitted by applicable Legal Requirements, to be an expense, fee, premium or penalty rather than interest.

Section 10.07. Conflicts. Insofar as possible the provisions of this Agreement shall be deemed complementary to the terms of the other Bond Documents, but in the event of conflict the terms hereof shall control to the extent such are enforceable under applicable Legal Requirements.

Section 10.08. Complete Agreement. Taken together with the other Bond Documents and the other instruments and documents delivered in compliance herewith, this Agreement is a complete memorandum of the agreement of the Borrower, the General Partner, the Guarantor, the Controlling Person, the Trustee, the Issuer and the Holder of the Bond, with respect to the subject matter hereof.

Section 10.09. Consent to Jurisdiction; Venue; Waiver of Jury Trial. The parties hereby irrevocably (a) agree that any suit, action or other legal proceeding arising out of or relating to this Agreement or the other Bond Documents may be brought in any federal court located in the Central District of the State and consents to the jurisdiction of such court in any such suit, action or proceeding; (b) agree that any suit, action or other legal proceeding relating to the Bond Documents shall be brought solely in a federal or state court located in the Central District of California or the County of Los Angeles, as applicable and (c) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any such court and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. The parties hereby irrevocably consent to the service of any and all process in any such suit, action or proceeding by mailing of copies of such process to such party at its address provided under or pursuant to Section 10.01 hereof. The parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable legal requirements. All mailings under this Section shall be by certified or registered mail, return receipt requested. Nothing in this Section shall affect the right of the Controlling Person and the Holder to serve legal process in any other manner permitted by applicable Legal Requirements. **THE PARTIES HERETO, EXCEPT FOR THE ISSUER, HEREBY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING UNDER THIS AGREEMENT, ANY OF THE OTHER BOND DOCUMENTS OR OTHERWISE IN CONNECTION HEREWITH.**

Section 10.10. Governing Law. This Agreement shall be governed by, and construed in accordance with, the Legal Requirements of the State without reference to its principles of conflicts of law.

Section 10.11. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.12. Sale of Bond and Secondary Market Transaction.

(a) At the Controlling Person or the Holder's request (to the extent not already required to be provided by the Borrower under this Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Controlling Person or the Holder customarily adheres or which may be reasonably required in the marketplace or by the Controlling Person or the Holder in connection with obtaining a rating or one or more sales or assignments of the Bond or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in the Bond (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower nor the Issuer shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs including, without limitation, any costs associated with receiving a rating on the Bond, shall be paid by the Controlling Person or the Holder, and shall not materially modify the Borrower's rights or obligations; and provided that any such Secondary Market Transaction shall be in compliance with the requirements of the Indenture. Without limiting the generality of the foregoing, the Borrower and the Issuer shall, so long as the Loan is still outstanding:

(i) (A) provide financial and other customary information with respect to the Bond, and with respect to the Project Facilities, the Borrower, the General Partner, the Manager, or the contractor of the Project Facilities, (B) provide financial statements, audited, if available, relating to the Project Facilities with customary disclaimers for any forward looking statements or lack of audit, and (C) at the expense of the Controlling Person or Holder, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports, termite and other insect infestation reports and other due diligence investigations of the Project Facilities, the Borrower, the General Partner, the Guarantor, the Manager, the Contractor and other third parties in connection with the Bond, as may be reasonably requested from time to time by the Controlling Person or the Holder or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Controlling Person or the Holder pursuant to this paragraph (i) and the other information provided pursuant to this Agreement and the other Bond Documents used in connection with a Secondary Market Transaction being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Controlling Person or the Holder and the Rating Agencies;

(ii) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project Facilities, the Borrower, the General Partner, the Guarantor, the Manager, the Contractor or other third parties and the Bond Documents reasonably acceptable to the Controlling Person or the Holder, consistent with the facts covered by such representations and

warranties as they exist on the date thereof, including a “bringdown” of the representations and warranties contained in the Bond Documents as of the date thereof and a representation that no default or event of default has occurred and is continuing; and

(iii) execute such amendments to the Bond Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Bond Documents and is not otherwise adverse to such party in its reasonable discretion.

(b) The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a “Secondary Market Disclosure Document”), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 10.12(c) hereof, with the Controlling Person and the Holder in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower and the Project Facilities necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information.

(c) In connection with a Secondary Market Disclosure Document, the Borrower, the General Partner or the Guarantor shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Controlling Person or the Holder pertaining to the Borrower, the General Partner or the Guarantor, the Project Facilities or such third party (and portions of any other sections reasonably requested by the Controlling Person or the Holder pertaining to the Borrower, the General Partner or the Guarantor, the Project Facilities or the third party). The Borrower shall, if requested by the Controlling Person or the Holder, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, the General Partner or the Guarantor, the Project Facilities or the third party, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, the Project Facilities or the third party) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such third parties; provided further that the Borrower will be required to cause such third parties to provide similar certification with respect to any information not so certified by the Borrower. Furthermore, the Borrower hereby indemnifies the Holder, the Controlling Person, the Trustee, the Issuer and issuer, sponsor, guarantor and the underwriter group for any securities, and their affiliates, officers, directors, partners, members, agents, attorneys

and controlling persons (the “Underwriter Group”) for any liabilities to which any such parties may become subject to the extent such liabilities arise out of or are based upon the use of the Provided Information used in a Secondary Market Disclosure Document.

(d) In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) defend and indemnify the Controlling Person, the Holder, the Trustee, the Issuer, its members, and the Underwriter Group for any liabilities to which the Holder, the Controlling Person, the Issuer, the Trustee or the Underwriter Group may become subject insofar as such liabilities arise out of or are based upon the omission or alleged omission known by the Borrower to state in the Provided Information of a material fact required to be stated by the Borrower in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading, and (ii) reimburse the Controlling Person, the Holder, the Trustee, the Underwriter Group and other indemnified parties listed above for any legal or other expenses reasonably incurred by the Controlling Person, the Holder, the Trustee or the Underwriter Group in connection with defending or investigating the liabilities; provided that the Borrower shall not provide any indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties, but shall require such third parties to provide such indemnification with respect to information they certify.

(e) Promptly after receipt by an indemnified party under this Section 10.12 of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by Written Notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 10.12 and provided that the Borrower duly provides the defense and indemnity herein described, including payment of all required fees, expenses and liabilities, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior Written Consent of the Borrower.

(f) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in this Section 10.12 is for any reason held to be unenforceable by an indemnified party in respect of any liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Section 10.12, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such liabilities (or action in respect thereof); provided,

however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Section 10.13. Nonrecourse.

(a) Notwithstanding anything to the contrary contained in this Agreement (other than Sections 10.13(b) through (e) hereof) or the other Bond Documents, the Issuer agrees that, in connection with the exercise of any rights or remedies available to the Issuer under this Agreement or any of the other Bond Documents (other than the Environmental Indemnity and the other guaranty agreements of the Guarantors), the Issuer shall look solely to the enforcement of the lien and security interests created by this Agreement and the other Bond Documents and to the collateral and other security held by the Trustee.

(b) Notwithstanding the preceding subsection, the Borrower and the Guarantor shall have full recourse and personal liability for, and be subject to, judgments and deficiency decrees arising from and to the extent of any loss or damage suffered or incurred by the Issuer, the Trustee, the Controlling Person or the Bondholder as a result of the occurrence of any of the following events:

(i) the Borrower fails to pay to the Trustee upon demand after an Event of Default all Rents to which the Trustee is entitled under Section 2 of the Mortgage and the amount of all security deposits collected by the Borrower from tenants then in residence. However, the Borrower will not be personally liable for any failure described in this Section 10.13(b)(i) if the Borrower is unable to pay to the Trustee all Rents and security deposits as required by the Mortgage because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(ii) the Borrower fails to apply all insurance proceeds or casualty or condemnation proceeds as required by the Bond Documents. However, the Borrower will not be personally liable for any failure described in this Section 10.13(b)(ii) if the Borrower is unable to apply insurance or casualty or condemnation proceeds as required by the Bond Documents because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(iii) if an Event of Default has occurred and is continuing, the Borrower fails to deliver all books and records relating to the Mortgaged Property or its operation in accordance with the provisions of Section 6.08 or 6.09 of this Agreement;

(iv) the Borrower engages in any willful act of material waste of the Project Facilities;

(v) the Borrower or the General Partner fails to comply with any provision of Section 6.11(b) hereof;

(vi) the occurrence of any of the following transfers:

(A) any Person that is not an Affiliate creates a mechanic's lien or other involuntary lien or encumbrance, other than a Permitted Encumbrance, against the Project Facilities and Borrower has not complied with the provisions of this Agreement.

(B) a transfer of property by devise, descent or operation of law occurs upon the death of a natural person in violation of the requirements set forth in the Bond Documents.

(C) the Borrower grants an easement that does not meet the requirements set forth in the Bond Documents (other than easements for utilities or similar purposes in the ordinary course, provided such easements do not impair the use of the Project Facilities or diminish the value of the Project Facilities).

(D) the Borrower executes a Lease that does not meet the requirements set forth in the Bond Documents;

(vii) any act of fraud or willful misconduct or any criminal act of the Borrower, the General Partner or the Guarantor;

(viii) the Borrower's misappropriation of funds or other Collateral; or

(ix) any litigation or other legal proceeding related to the Obligations filed by any of the Borrower, Guarantor, or any of their Affiliates, or any other action of any such Person that delays, opposes, impedes, hinders, enjoins or otherwise interferes with or frustrates the efforts of Trustee to exercise any rights and remedies available to Trustee provided herein or in the other Bond Documents.

(c) The Borrower and the Guarantor shall have full recourse and personal liability for all of the Indebtedness (and the limitation on liability in the first sentence of Section 10.13(a) hereof shall be null and void) as a result of the occurrence of any of the following:

(i) a violation of Section 6.11(a), 6.12(b) or 6.13(c) hereof;

(ii) the Borrower's taking any action which adversely affects the exclusion from gross income of interest on the Bond for federal income tax purposes, or the Borrower's omitting or failing to take any action required to

maintain the exclusion from gross income of interest on the Bond for federal income tax purposes;

(iii) the Borrower or the General Partner fails to comply with any provision of Section 6.11(b) hereof and a court of competent jurisdiction holds or determines that such failure or combination of failures is the basis, in whole or in part, for the substantive consolidation of the assets and liabilities of the Borrower or the General Partner with the assets and liabilities of a debtor pursuant to Title 11 of the Bankruptcy Code;

(iv) a transfer that is an Event of Default under Section 7.01 hereof occurs (other than a transfer described in Section 10.13(b)(vi) above, for which the Borrower will have personal liability for any loss or damage); provided, however, that Borrower will not have any personal liability for a transfer consisting solely of the involuntary removal or involuntary withdrawal of the General Partner;

(v) there was fraud or written material misrepresentation by the Borrower or any officer, director, partner, member or employee of the Borrower in connection with the application for or creation of the Indebtedness or there is fraud in connection with any request for any action or consent by the Issuer, the Trustee, the Controlling Person or the Holder;

(vi) the Borrower or the General Partner voluntarily files for bankruptcy protection under the Bankruptcy Code;

(vii) the Borrower or the General Partner voluntarily becomes subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(viii) the Project Facilities or any part of the Project Facilities becomes an asset in a voluntary bankruptcy or becomes subject to any voluntary reorganization, receivership, insolvency proceeding, or other similar voluntary proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(ix) an order of relief is entered against the Borrower or the General Partner pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights in any involuntary bankruptcy proceeding initiated or joined in by a Related Party; or

(x) an involuntary bankruptcy or other involuntary insolvency proceeding is commenced against the Borrower or the General Partner (by a party other than the Trustee or the owner of the Bond) but only if the Borrower or the General Partner, as applicable, has failed to use commercially reasonable efforts to dismiss such proceeding or has consented to such proceeding. "Commercially reasonable efforts" will not require any direct or indirect interest holders in the Borrower or the General Partner to contribute or cause the contribution of additional capital to the Borrower or the General Partner.

(d) The Borrower and the Guarantor shall have full recourse and personal liability for all of the following:

(i) the performance of and compliance with all of Borrower's obligations under Sections 5.12 and 6.14 of this Agreement (relating to environmental matters) or the Borrower's failure to comply with the provisions of the Environmental Indemnity;

(ii) the costs of any audit under Section 6.08 of this Agreement;

(iii) any costs and expenses incurred by the Issuer, the Trustee, the Controlling Person and the Holder in connection with the collection of any amount for which Borrower is personally liable under this Section 10.13, including attorneys' fees and costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability; and

(iv) the Borrower's indemnity obligations pursuant to Sections 2.05 and 10.12.

(e) Further, nothing contained in this Section shall be deemed to limit, vary, modify or amend any obligation owed under any guaranty, master lease or indemnification agreement, including the Environmental Indemnity and the other guaranty agreements of the Guarantors, furnished in connection with financing of the acquisition, construction and equipping of the Project Facilities, recourse under which is not, by its terms, expressly limited in accordance with this Section 10.13.

(f) Notwithstanding anything to the contrary, the Issuer, the Trustee, the Controlling Person and the Holder shall not be deemed to have waived any right such Persons may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of Borrower's and Guarantor's Obligations under the Bond Documents or to require that all collateral shall continue to secure all Obligations under the Bond Documents.

Section 10.14. Publicity. The Borrower hereby authorizes the Controlling Person or the Holder and their respective affiliates, without further notice or consent, to use the Borrower's and its affiliates' name(s), logo(s) and photographs related to the Project Facilities in its advertising, marketing and communications materials on a national and/or international basis. Such materials may include web pages, print ads, direct mail and various types of brochures or marketing sheets, and various media formats other than those listed (including without limitation video or audio presentations through any media form). In these materials, the Controlling Person or the Holder also may discuss at a high level the types of services and solutions the Controlling Person or the Holder has provided the Borrower. This authorization shall remain in effect unless the Borrower notifies the Controlling Person in writing in accordance with the notice provisions set forth herein that such authorization is revoked. The Controlling Person or the Holder shall also have the right to publicize its involvement in the financing of the Project Facilities, including the right to

maintain a sign indicating such involvement at a location at the Project Facilities reasonably acceptable to the Borrower and Controlling Person.

Section 10.15. Determinations by the Holder and Controlling Person. Subject to specific provisions in this Agreement to the contrary, in any instance under this Agreement where the consent or approval of the Controlling Person or the Holder may be given or is required, or where any determination, judgment or decision is to be rendered by the Controlling Person or the Holder under this Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Controlling Person or the Holder (or its designated representative) at its sole and absolute discretion. The Trustee may, and shall at the written direction of the Holder of the Bond, by separate instrument delegate, assign, transfer and set over unto the Controlling Person any or all of the rights, remedies, duties and obligations of the Trustee under this Indenture and the other Bond Documents, in which event the Controlling Person shall have each of the rights, remedies, duties and obligations delegated to it as if specifically named herein and in the other Bond Documents, as applicable, and shall be entitled to act in its own name, but if necessary in the name and stead of the Trustee, to enforce each of the remedies provided to the Trustee hereunder or under the other Bond Documents.

Section 10.16. Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the Issuer, the Trustee or the Controlling Person to carry out the purposes and provisions of this Agreement and to the other Bond Documents, to make elections or take actions (or, as requested, to refrain from making elections or taking actions) related to the audit procedures involving the Borrower and/or its partners set forth in the Bipartisan Budget Act of 2015 so that the Borrower's members, equityholders, shareholders and partners will be directly responsible for any audit adjustments, changes or modifications rather than the Borrower, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and the other Bond Documents and to assure the Controlling Person and the Holder of the subrogation and security rights in favor of the Trustee for the benefit of the Holder of the Bond contemplated by this Agreement, by the other Bond Documents in connection with any of the foregoing and such approvals shall be in form satisfactory to the Controlling Person.

Section 10.17. Reliance by Issuer. Anything in the Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Agreement that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, the Borrower, the Controlling Person, or the Holder as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under the Indenture or this Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee, the Controlling Person or by the Holder and (c) none of the provisions of the Indenture, this Agreement, the Regulatory Agreement or any Bond Document shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under the Indenture, this Agreement, the Regulatory Agreement and any Bond Document unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may

incur as a result of taking such action. It is recognized that notwithstanding any other provision of this Agreement, neither the Borrower nor the Holder shall look to the Issuer or the members of its City Council, officers, program participants, attorneys, accountants, financial advisors, agents or staff for damages suffered by the Borrower or such Holder as a result of the failure of the Issuer to perform any covenant, undertaking or obligation under this Agreement, the Bond, the Regulatory Agreement, any of the Bond Documents or any of the other documents referred to herein, or as a result of the incorrectness of any representation made by the Issuer in any of such documents, nor for any other reason except for representations made by the Issuer in any certificate of the Issuer and the opinion of counsel to the Issuer delivered on the Issue Date.

Section 10.18. Non Discrimination and Affirmative Action. The Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the Issuer. The Borrower shall not discriminate in its employment practices against any employee or applicant for employment or deny family and medical care leave, pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower shall also comply with all rules, regulations, and policies of the Issuer's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the Issuer. Any subcontract entered into by the Borrower relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 10.19. Business Tax Registration Certificate. Subject to any exemption available to it, the Borrower represents that it has obtained or will obtain the Business Tax Registration Certificate(s) required by the City of Los Angeles' Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Agreement, the Borrower shall maintain, or obtain as necessary, any such Business Tax Registration Certificate required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 10.20. Child Support Assignment Orders. This Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, the Borrower certifies that (a) it will fully comply with all State and Federal employment reporting requirements applicable to Child Support Assignment Orders; (b) the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) it will maintain such compliance throughout the term of the Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower as appropriate, under the terms of this Agreement, subjecting the Borrower to the remedies provided herein where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower by the Issuer. Any subcontract entered into by the Borrower relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower to obtain compliance of its subcontractors shall constitute a default by the Borrower under the terms of this Agreement, subjecting the Borrower to the remedies provided herein where such failure shall continue for more than 90 days after notice of such failure to the Borrower by the Issuer.

The Borrower shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower hereby affirms that to the best of its knowledge, it is fully complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of Section 7110 of the Public Contract Code.

Section 10.21. Americans With Disabilities Act. The Borrower hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Exhibit I of the Regulatory Agreement). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of: (i) the Americans with Disabilities Act, 42 U.S.C. 12101 et seq., and its implementing regulations and the American Disabilities Act Amendments Act (ADAAA) Pub. L. 110 325 and all subsequent amendments; (ii) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. §794, the implementing regulations at 24 C.F.R. Part 8, as well as the requirements of Uniform Federal Accessibility Standards 24 C.F.R §40, Appendix A; (iii) the Fair Housing Act, 42 U.S.C. §§3601 3620; 24 C.F.R. Parts 100, 103, and 104, and its implementing regulations; and (iv) applicable California building codes. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to this Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this Section.

Section 10.22. Disclosure of Border Wall Contracting Ordinance. The Borrower shall comply with Los Angeles Administrative Code Section 10.50 et seq., “Disclosure of Border Wall Contracting”. The Issuer may declare a default under this Agreement if the Issuer determines that the Borrower failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in Los Angeles Administrative Code Section 10.50.1.

Section 10.23. Pet Ownership in Publicly-Financed Housing Developments. The Borrower shall comply with the Pet Ownership in Publicly-Financed Housing Developments Ordinance, Los Angeles Municipal Code Sections 51.20., et seq., as amended from time to time.

Section 10.24. Reference Date. This Agreement is dated for reference purposes only as of [_____] 1, 2020, and will not be effective and binding on the parties hereto unless and until the Issue Date occurs.

Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of

the Project) shall constitute “Qualified Project Costs” unless, at the time Bond proceeds are expended to pay such costs, the Borrower and the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition, construction and equipping of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Bond proceeds pursuant to the Indenture and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Bond proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Trustee with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Bond will not be adversely affected if less than the aforesaid percentage, but not less than 97%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Bond expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Bond will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Bond proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any “related person” (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the

sale of the Bond to be applied in a manner contrary to the Indenture, the Loan Agreement, the Law, the Act or the Code.

(h) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Trustee and the City, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist. The Construction Completion Certificate shall be delivered to the Trustee no later than the date 30 months from the Closing Date unless the Borrower delivers to the Trustee a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Bond being included in gross income for federal income tax purposes.

(i) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Bond proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Bond proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any related person (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation 1.103-8(a)(1)) so that the amount of Bond proceeds expended on such Qualified Project Costs is at least 97% of the amount of Bond proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Trustee and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(j) No Bond proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Subsection 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants

(for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units that are required to be leased or rented to Low Income Tenants and persons 62 years of age and older, (2) to the extent not otherwise inconsistent with the requirements of this Section 3(e), the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference Borrower gives to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law, and (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a

single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, and subject to the provisions of the Indenture and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after the date on which 50% of the dwelling units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing and Community Investment Department, Occupancy Monitoring Section, 1200 West 7th Street, 8th Floor, Los Angeles, CA 90017), and a copy to CDLAC and the Trustee, a Certificate of Qualified Project Period.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least [40]% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than [40]% of the total number of completed units of the Project (excluding units

occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of subsection (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each June and December until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Trustee, no later than the fifteenth day of each month following the receipt by the Trustee of the Construction Completion Certificate to and including the month in which such report indicates that [40]% of the occupied units (excluding units occupied by property managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each June and December until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 25 units plus 1 manager unit of which at least 25 qualified residential units shall be rented or held vacant for rental for persons or families whose income is at or below 50% of the area median income as shown in the chart below:

Unit Type	Units at or below 50% AMI	Unrestricted (Manager Unit)	Total Number of Units
1-bedroom	24	0	24
2-bedroom	1	1	1
Total	25	1	26

Section 5. Tax-exempt Status of the Bond. The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Bond from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Bond and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Bond becomes taxable to a person solely because such person is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Bond being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee’s compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Bond in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than [40%] of the total number of units in the Project (excluding units occupied by property managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed [60]% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times [60]% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5 and the Borrower shall provide to the California Debt and Investment Advisory Commission the annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Bond is no longer outstanding or the proceeds of the Bond have been fully spent.

(d) No portion of the Bond shall be used to finance the acquisition, construction, equipping, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the Housing Act that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Bond, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty (30) years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of the City. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Bond as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age (except restrictions upon occupancy of units to tenants aged 62 years of age and older), sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect thereto from the Borrower or the City; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) the general prevailing rate of per diem wages (“Prevailing Wages”) as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis-Bacon Act under 40 U.S.C.S. 3141–3148 and implementing regulations (“Davis-Bacon Wages”), if applicable; and (iii) the “Living Wage” as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the City’s prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable HCIDLA-approved program. The fee for the LCP Tracker, or comparable HCIDLA-approved program, will be in the amount equal to Three One-Hundredths Percent (0.03%) of the total construction cost, which fee shall be paid in full to the City within 30 days of execution of this Agreement.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to Low Income Tenants, at the following five points in time:

(i) Upon initial move-in/lease execution, the Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. The Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be for a term equal to the later of the expiration of: (a) the Qualified Project Period; or (b) the CDLAC Conditions. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Thirty-six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development, and the Los Angeles Housing and Community Investment Department. In addition, the Borrower, within 36 months of a scheduled expiration of rental restrictions, shall also provide notice of the scheduled expiration of rent restrictions to any prospective tenant at the time he or she is interviewed for eligibility.

(iii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development and the Los Angeles Housing and Community Investment Department.

(iv) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the

Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, the California Department of Housing and Community Development and the Los Angeles Housing and Community Investment Department.

(v) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels.

Unless the Borrower meets the requirements of California Government Code Section 65863.13, pursuant to California Government Code Section 65863.11, prior to or concurrently with the 12 month notice referenced above in (iii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly. The notice shall conform to the requirements of California Government Code Section 65863.11(h) and shall be sent to the entities by registered or certified mail, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Closing Date, pay to the City its initial fee and thereafter pay to the City its ongoing fees with respect to the issuance of the Bond as follows. The Borrower shall pay the City an initial fee immediately upon issuance of the Bond equal to \$[] (.25% of the aggregate maximum principal amount of the Bond issuable under the Indenture (\$[9,646,426])). In addition, the Borrower shall, as compensation for the City's monitoring of the provisions of this Regulatory Agreement, pay to the City, semiannually in arrears, prorated for the initial payment, on the first day of each [] and [] commencing [] 1, 2021 for the period from the date of issuance of the Bond through the later of: (i) the end of the Qualified Project Period; or (ii) the termination of the CDLAC Conditions, prorated for the initial and any subsequent partial period, a semiannual amount equal to: (A) during the period from the Closing Date to the Stabilization Date, the greater of \$1,250 or one-half of 0.125% of the maximum principal amount of the Bond issuable under the Indenture (\$[9,646,426]); and (B) from and after the Stabilization Date, the greater of \$1,250 or one half of 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Stabilization Date; or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes. Throughout the term of this Agreement, the Trustee, or the City, as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the City) and shall collect such payments from the Borrower and immediately remit such funds to the City. In the event of any prepayment of the Bond in whole, prior to the later of: (i) the end of the Qualified Project Period; or (ii) the termination of the CDLAC Conditions, the Borrower, at its election, shall either: (A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable hereunder, as calculated by the City, using a discount rate

equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the later of: (1) the end of the Qualified Project Period or (2) the termination of the CDLAC Conditions, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes; or (B) enter into a trustee agreement with a corporate trustee acceptable to the City requiring the trustee appointed thereunder to bill and collect from the Borrower and to pay to the City on an annual basis, in arrears on or before each [____] 1, the annual fee described above. The Borrower shall bear the cost of such trustee through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding sentences if the Bond is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to: (i) prior to the Stabilization Date, the greater of \$5,000 or 0.125% of the maximum principal amount of the Bond issuable under the Indenture and (ii) following the Stabilization Date, the greater of \$5,000 or 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Stabilization Date, plus any expenses incurred by the City, including, without limitation, Bond Counsel, City attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Bond. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Trustee shall report to the City in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Bond outstanding as of such June 30 or December 31, as appropriate.

(r) [Reserved].

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower, any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an "Owner/Developer"); (ii) any Immediate Family Member of an Owner/Developer ("Immediate Family Members" consists of: (A) spouses, (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister-in-law and mother/father-in-law and son/daughter-in-law or (F) significant other or domestic partner); or (iii) any elected official or his or her

spouse/partner, who participated in the deliberative process, vote or consideration of legislative action regarding the issuance of the Bond or other loan in support of the Project.

(u) The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Bond or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/ per unit.

(v) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify the City as the source of the financing provided for the Project, without the prior written approval of the City (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the City as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

Any of the foregoing requirements of the City may be expressly waived by the City in writing in the City's sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Trustee and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower (with a copy to the Controlling Person), impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Bond, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower (with a copy to the Controlling Person), impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Trustee and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Bond. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Trustee shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Trustee shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Trustee to execute an amendment to this Regulatory Agreement on behalf of the City.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the City and the Trustee and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the “Indemnified Parties”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Bond made or given to the City or the Trustee, or any underwriters or purchaser of the Bond, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Bond or the Tax-exempt status of interest on the Bond; (d) the failure or alleged failure of any person or entity (including the Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project; or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project

(whether before or after the date of this Agreement and whether or not the Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Trustee, its negligence, fraud or willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Trustee from (i) any lien or charge upon payments by the Borrower to the City and the Trustee hereunder or under the Bond Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Trustee shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Trustee shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Trustee and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Bond or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Bond or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified

Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Trustee shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Trustee's own income and operations.

Section 10. Consideration. The City has issued the Bond to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and equip the Project. In consideration of the issuance of the Bond by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bond and in the exemption from federal income taxation and California personal income taxation of the interest on the Bond. In performing their duties and obligations hereunder, the City and the Trustee may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Trustee may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Trustee may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Trustee by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City of Los Angeles. The Borrower hereby represents and warrants that the Project will be located entirely within the City.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions

of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and is capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects or (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and the Trustee shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Bond, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by City, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Nothing contained in this Section 13 shall affect any provision of the Deed of Trust, or any of the other Bond Documents to which the Borrower is a party, which requires the Borrower to obtain the consent of the Controlling Person as a precondition to sale, transfer or other disposition of, or any direct or indirect interest in, the Project or of any direct or indirect interest in the Borrower or which otherwise gives the Controlling Person the right to accelerate the maturity of the Loan or any obligations of the Borrower under the Bond Documents, or to take some other similar action with respect to the Loan or any obligations of the Borrower under the Bond Documents, upon the sale, transfer or other disposition of the Project or any such other interest.

Notwithstanding the foregoing, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Trustee's acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the interest of Borrower's limited partners shall, with prior written notice to the City, be transferable under this Regulatory Agreement to any affiliate of the limited partners of Borrower, without the consent of the City and/or Trustee but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14 shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided in Section 33 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond, discharge of the Loan and termination of the Indenture and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Trustee, survive the term of this Regulatory Agreement or the replacement of the Trustee, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Trustee's tenure as Trustee under the Indenture, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Trustee from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Bond attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Trustee to the effect that the exclusion from gross income for federal income tax purposes of interest on the Bond will not be adversely affected thereby. The provisions of the preceding

sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any “related party” (within the meaning of Section 1.150-1(b) of the Regulations) or “related person” (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants To Run With the Land. The Borrower hereby subjects its interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower’s successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Trustee, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower’s legal interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bond was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an “Event of Default” to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Bond. The Trustee hereby consents to any correction of the default by the City on behalf of the Borrower. The City hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower’s limited partners on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to Borrower’s limited partners at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Trustee, as directed by the City and subject to the provisions of the Indenture relative to the Trustee’s duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Trustee hereunder;
- (b) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower’s default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to [40]% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower or the Trustee has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by

the Borrower, the Trustee or the City, of compliance with the requirements of Section 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Trustee for credit against payments due under the Loan Agreement. The Trustee shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Indenture, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Trustee shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Trustee incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Indenture has been discharged, the City may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Trustee. The Trustee shall act as specifically provided herein and in the Indenture. The Trustee is entering into this Regulatory Agreement solely in its capacity as trustee under the Indenture, and the duties, powers, rights and liabilities of the Trustee in acting hereunder shall be subject to the provisions of the Indenture.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Trustee and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles. The Trustee and the Borrower shall not discriminate in its employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee and the Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Regulatory Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 27. Business Tax Registration Certificate. Subject to any exemption available to it, the Trustee and Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an "owner" hereunder during its period of ownership.

Section 29. [Reserved].

Section 30. Child Support Assignment Orders. This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Any subcontract entered into by the Borrower or the Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Trustee to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Trustee to termination under the Indenture where such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City.

Any contract and subcontract entered into by the Borrower or the Trustee, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

Section 32. Slavery Disclosure Ordinance. This Regulatory Agreement is subject to the Slavery Disclosure Ordinance, Section 10.41 et seq., as amended from time to time. Any subcontract entered into by Borrower for work to be performed under this Regulatory Agreement must include an identical provision. The Borrower acknowledges and agrees that failure to fully and accurately complete the required affidavit and disclosures may result in a default under this Regulatory Agreement.

Section 33. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6

hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and is attached hereto as Exhibit G. (b) The Borrower acknowledges that the City shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the City in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions is the responsibility of the Borrower to report to the City.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the term of the CDLAC Conditions, a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the term of the CDLAC Conditions, a Self-Certification Certificate in the form provided by CDLAC.

(e) Any of the foregoing requirements of CDLAC contained in this Section 33 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 33 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Code, the Act and the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 33 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Trustee or to cause the City or the Trustee to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Bondholder and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

- h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Hearing/Vision Features.
- i. The 4% and 11% calculations shall each be based on the total number of Housing Units in the Housing Development. In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.
- j. While additional Accessible Housing Units may be provided, *i.e.*, up to twenty percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the target number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with HUD (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.
- k. The Accessible Units shall be affordable for households pursuant to the terms of the Loan Agreement and Regulatory Agreement, including any and all amendments, revisions, or modifications.
- l. The Project shall comply with the City's Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.
- m. The Borrower shall adopt and comply with the City's Fair Housing Policy Related to Disability, as amended.
- n. The Borrower and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City's Fair Housing for People with Disabilities workshops.
- o. The Borrower shall register the Housing Development on the City's Online Accessible Housing Registry, provide and update required information about the Housing Development and the Accessible Units,

allow people with disabilities to apply for the Accessible Units when they become available and to place themselves on the waiting list for the Accessible Units, and comply with all other requirements of the Online Accessible Housing Registry.

- p. Following reasonable notice to the Borrower, Borrower shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City's Fair Housing Policy Related to Disability.
- q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.
- r. The Borrower shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit ("Housing Unit with Hearing/Vision Features" or "Housing Unit with Mobility Features").

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City's Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

- a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;
- b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;
- c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;
- d. Fourth, the Borrower will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the City's Accessible Housing Program Website; and
- e. Fifth, Borrower will offer the unit to qualified applicants who need the accessible features of the Accessible Unit and are registered with the City's Accessible Housing Program Website.

- f. If there are no eligible current tenants or applicants in need of Accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://www.Housing.LACity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the Housing.LACity.org website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City's Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then the Borrower may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall adopt the City's rental policies that meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. The Borrower shall develop and utilize a Property Management Plan ("PMP"), approved by the City, which describes affirmative marketing, tenanting, and other procedures to ensure that the Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

- a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.
- b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the housing units in the Project, except to the extent that:
 - (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above;
 - (2) any Housing Units are required to be leased or rented to low income tenants or persons 62 years of age and older,
 - (3) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City),
 - (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, and
 - (5) any preference the Borrower may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, the Borrower shall submit and the City shall review and approve a CASp Inspection Report of the Housing Development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect the construction and/or rehabilitation to verify that the legally required number of

Accessible Units have been produced and that the necessary and required design elements have been constructed to make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant's report.

The City will utilize the Housing Development's City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Indenture.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond.

Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD's Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of

compliance, and providing a date by which the Borrower must comply. The Order shall give the Borrower not more than 30 days to correct the violation, or such additional time as the City may grant if the Borrower is taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

- a. **Inspection Fee for Non-Compliance.** In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of HCIDLA. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with HCIDLA within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Borrower’s failure to pay in a timely manner.

- b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;
- c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;
- d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and

- e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 *et seq.*, the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 13. Governing Law. The Covenants shall be governed by the laws of the State of California.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the

Covenants may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

Section 18. Conflicts. If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Bond Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

Section 19. Recording and Filing. The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve Borrower of any of the obligations specified herein.
