Dear Councilmembers,

I am writing to express my support for LADOT's reports relative to the Los Angeles Green New Deal Active Transportation Implementation Plan to support walking, bicycling, and micromobility (item #5) and maximizing traffic signal priority for the Expo Line (item #6) as well as the City Attorney's report and ordinance relative to Zero-Emission Vehicle Commercial Loading Zones for exclusive use and access by zero-emission commercial delivery vehicles (item #8).

These items align with Mayor Garcetti's Executive Directive 25: LA's Green New Deal. The transportation sector is California's biggest contributor to greenhouse gases. We must prioritize sustainable transportation methods if we are to meet our climate goals.

Moreover, these plans contribute to enhancing the livability of our city. Let's catch up with other great cities that have seen the positive results obtained when we make it easier to get around.

Thank you,

Karen Canady

Hello,

I am writing to express my support for LADOT's reports relative to the Los Angeles Green New Deal Active Transportation Implementation Plan that supports walking, bicycling, and micromobility (item #5) and maximizing traffic signal priority for the Expo Line (item #6). Additionally, I'd like you to know that I support the City Attorney's report and ordinance relative to Zero-Emission Vehicle Commercial Loading Zones for exclusive use and access by zero-emission commercial delivery vehicles (item #8). These items align with Mayor Garcetti's Executive Directive 25: LA's Green New Deal. The transportation sector is California's biggest contributor to greenhouse gases. We must prioritize sustainable transportation methods if we are to meet our climate goals.

Thank you,
Erin Sullivan

You are viewing an attached message. City of Los Angeles Mail can't verify the authenticity of attached messages.

Good afternoon Committee Members,

As a local parent who goes to great lengths to teach my children the benefits of walking, bicycling, transit, and other sustainable modes of mobility, I am writing to express my support for LADOT's reports relative to the Los Angeles Green New Deal Active Transportation Implementation Plan to support walking, bicycling, and micromobility (item #5) and maximizing traffic signal priority for the Expo Line (item #6), as well as the City Attorney's report and ordinance relative to Zero-Emission Vehicle Commercial Loading Zones for exclusive use and access by zero-emission commercial delivery vehicles (item #8).

LA continues to have some of the worst air pollution in the United States, primarily due to diesel and gas vehicles. Local air quality has been getting worse in recent years after decades of steady improvements. The transportation sector is also California's biggest contributor to greenhouse gases.

We must prioritize zero emission mobility if we are to meet our clean air, health, and climate goals.

Thank you,

--

I am writing to express my support for LADOT's reports relative to the Los Angeles Green New Deal Active Transportation Implementation Plan to support walking, bicycling, and micromobility (item #5) and maximizing traffic signal priority for the Expo Line (item #6) as well as the City Attorney's report and ordinance relative to Zero-Emission Vehicle Commercial Loading Zones for exclusive use and access by zero-emission commercial delivery vehicles (item #8).

These items align with Mayor Garcetti's Executive Directive 25: LA's Green New Deal. The transportation sector is California's biggest contributor to greenhouse gases. We must prioritize sustainable transportation methods if we are to meet our climate goals.

Thank you,

Jacob Wasserman

The Honorable City Council
City of Los Angeles
City Hall, Room 303
Los Angeles, CA 90012

Dear Honorable City Council Members:

REQUEST FOR EXEMPTION PURSUANT TO CHARTER SECTION 1001 (d)(4)

At its February 11, 2021 meeting, the Board of Civil Service Commissioners approved the civil service exemption for a Senior Project Coordinator position. This position will be responsible for overseeing the administration of the 2020 CARES Act contracts and ensuring that HCIDLA meets the separate tracking and reporting requirements. A copy of the specific section of the Board of Civil Service Commissioners' agenda reflecting approval of this exemption, is attached.

Each year, the United States Department of Health and Human Services allocates funding to states, which in turn award Community Service Block Grant (CSBG) funds to designated Community Action Agencies (CAA), as established under grant requirements. HCIDLA is the designated CAA for the City and administers the CSBG award on behalf of the City. The State has notified the City that the 2020 CARES Act will allocate an additional \$9,070,545 in supplemental funding earmarked to help mitigate the economic hardships on low-income families during this public health emergency. Additionally, the State has advised the City that emphasis should be placed on services providing the most immediate impact and emergency services consistent with the CSBG program and the City's adopted Community Action Plan.

The Senior Project Coordinator will be allocated 100% to the CSBG CARES Supplemental Funding. Accordingly, the department is requesting for exemption under Charter Section 1001(d)(4), and not under Charter Section 1001(b) – thus this exemption approval will have no impact on the 150 position limit associated with exemptions under Charter Section 1001(b), as well as having no impact on the City's General Fund.

RECOMMENDATION

The General Manager of HCIDLA requests that the City Council:

Approve the action taken by the Board of Civil Service Commissioners on February 11, 2021 to exempt from civil service the above grant-funded position in the Los Angeles Housing + Community Investment Department to support the Homeless Services Unit.

If you have any questions, or require additional information, please contact Stephen Cross, Los Angeles Housing + Community Investment Department Acting Personnel Director, at (213) 820-5124.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ann".

Ann Sewill, General Manager

Los Angeles Housing + Community Investment Department

CITY OF LOS ANGELES BOARD OF CIVIL SERVICE COMMISSIONERS
