Summary:

On June 25, 2020, your Committee considered a November 19, 2019 Board report relative to the acceptance of the FY 2018 Urban Search and Rescue Task Force Cooperative Agreement Grant. According to the Board, on April 4, 1993, a Memorandum of Agreement (MOA) was executed between the City, the Governor's Office of Emergency Services and FEMA, establishing the LAFD as a sponsoring agency of a FEMA Urban Search and Rescue (US&R) Task Force, California Task Force 1 (CA-TF1). An Amendment to the MOA was executed in 2011 (Council File No. 10-2283- S1). Since 1993, the City has been awarded annual FEMA Cooperative Agreement grants to fund equipment, supplies, training, contractual services, and LAFD personnel to administer and manage the US&R CA-TF1 Program. The LAFD was awarded \$1,191,990 for the FY 2018 FEMA US&R program, with a period of performance from September 30, 2018 through September 29, 2021. No matching funds are required, but the grant is on a reimbursement basis requiring the LAFD to front-fund expenditures. Following submission of appropriate supporting documentation, FEMA reimburses the City for those expenditures. After consideration and having provided an opportunity for public comment, the Committee moved to recommend acceptance of the grant as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
