(Re: Claim Nos. C17-10481 and C17-10485)

Honorable Members:

This office recommends that discussions with, and advice from, legal counsel regarding the recommendation for City Council action in this pending litigation be scheduled and held in closed session pursuant to California Government Code Section 54956.9(d)(1). Government Code Section 54956.9(d)(1) requires you to state publicly prior to the closed session, what subdivision of this section authorizes the closed meeting, and that the closed session is being held to confer or discuss with, or receive advice from, legal counsel regarding pending litigation.

This matter arises from a high voltage electrical shock caused by wires protruding from a vandalized electrical pull box in a sidewalk at Whittier Blvd. and Boyle Ave.

If you have any questions regarding this matter, please contact Deputy City Attorney Karen Woodward at (213) 978-6921. She or another member of this Office will be present when you consider this matter to answer any questions you may have.

Very truly yours,

MICHAEL N. FEUER, City Attorney
