Dear Honorable Councilmembers,

I would like to express my strong support for CGI's La Brea project located on [639 S. La Brea Ave.](#) This project will benefit all of us who live and work in the Mid-City West Community by creating jobs, generating money for the local economy, and creating much-needed housing in [Los Angeles](#).

[639 S. La Brea Ave.](#) is a new mixed-use commercial and residential building consisting of 121 residential units with 19 affordable units, 125 hotel rooms and 13,037 sf of commercial space. The project will bring crucially needed housing to Los Angeles, including affordable units and will activate the La Brea Corridor so close to the new Metro Purple Line Extension.

CGI's investment in the community will encourage transit use, generate new economic activity, promote smart growth and create a place that fits in well with our community.

I strongly support CGI's La Brea project located on [639 S. La Brea Ave.](#) and respectfully urge your approval to continue this important housing project in my neighborhood.

If you have any questions, please feel free to contact me at nickrowe77821@gmail.com. Thank you for your consideration.

Sincerely,
Nick Rowe
