Sec. 1.1. Notwithstanding other provisions of this ordinance or of Los Angeles Administrative Code Section 4.108, a full eight-hour day of work shall be deemed to have been fully performed and completed on any day when any employee who is assigned to a refuse collection crew reports for duty at the time and place designated and fully performs all work assigned to him/her on that day. Compensation for overtime shall be allowed for time worked in any one day in excess of eight hours except that all time worked on legal holidays shall be compensated at the rate of time and one-half. Persons referred to in this section who are required to work on legal holidays shall receive not less than eight hours pay at the rate of time and one-half for each legal holiday worked.

Sec. 1.1.1. The Director of the Bureau may prescribe varying work schedules consisting of 40 hours per week for all employees of the Bureau. These schedules may include as part of a five-day workweek Saturdays, Sundays and holidays. Notwithstanding any provision of the Los Angeles Administrative Code or Section 1.1 of this ordinance to the contrary, Sunday shall not be considered a holiday for any employee of the Bureau assigned to a work schedule that includes Sunday, and these employees shall be compensated at the regular rate of compensation for the first eight hours actually worked on a Sunday.

Sec. 1.2. The appointing authority may, subject to the provisions of Los Angeles Municipal Code Section 52.32, authorize the issuance and use of Uniform Departmental Badges to persons employed in the following class positions:

<u>Code</u>	<u>Title</u>
7875	Principal Environmental Engineer
7871	Environmental Engineering Associate
7872	Environmental Engineer
7874	Senior Environmental Engineer
4289	Chief Environmental Class Inspector
4292	Environmental Compliance Inspector
4293	Senior Environmental Compliance Inspector

Sec. 1.3. Effective July 1, 1999 through July 4, 2018, Eugene Greene, while employed as a Landscape Architectural Associate III, Code 7933-3, and responsible for the Japanese Garden Program at the Tillman Water Reclamation Plant, shall receive salary at the appropriate step rate of the salary range for a Landscape Architect Associate IV, Code 7933-4.

Sec. 2. Upon approval from the Office of the City Administrative Officer, or City Council if required pursuant to Council instruction, substitute authority positions may be filled using any class of position specified in Schedule "A" of the Los Angeles Administrative Code or approved Memoranda of Understanding (MOU). The approval shall specify the period during which the position shall be filled. The Office of the City

Administrative Officer shall maintain a record of the positions approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a substitute position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72 or an approved MOU, payment of the adjusted compensation may then be made to the person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation.

Sec. 2.1. No seasonal position authorized by this ordinance shall be filled unless the City Administrative Officer first approves. The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a seasonal position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72, payment of the adjusted compensation may then be made to the person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation. During the period in which seasonal positions are being utilized, no regular position of Maintenance Laborer, Code 3112-6, contained in Section 1(a), vacated as a result of the incumbent's appointment to a seasonal position of Truck Operator shall be filled.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational class series, including related training classes, which have been authorized in the appropriate department personnel ordinance or by resolution of the City Council. If the employee's classification is not in the related occupational class series of the vacant position, then approval is required from the Office of the City Administrative Officer and the Personnel Department prior to such in-lieu filling. The vacant positions into which employees are to be hired on an in-lieu basis, whether or not in a related occupational series, must have a salary or salary range equal to or higher than the salary or salary range for the classification and pay grade in which the persons are to be employed. At no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Whenever a vacant position used for the in-lieu filling of a classification provided under this section qualifies to receive adjusted compensation in accordance with the Los Angeles Administrative Code Section 4.61 Salary Notes of Schedule "A" and Section 4.72, payment of the adjusted compensation may then be made to the person employed in lieu if that person otherwise qualified to receive such adjusted compensation.

Sec. 4. The personnel authority contained in this ordinance shall be limited by the amount of money available on the records of the Controller for the payment of salaries and wages in the appropriate departmental account.

Sec. 5. Pursuant to the provisions of Charter Section 252, this ordinance shall become effective upon its publication and shall remain operative until superseded by ordinance.

Sec. 6.
