City of Los Angeles

[Q] QUALIFIED CONDITIONS

As modified by the Planning and Land Use Management Committee on January 28, 2020

Pursuant to Section 12.32 G of the Municipal Code, the following limitations are hereby imposed upon the use of the subject property, subject to the "Q" Qualified classification.

1. **Site Plan.** The use and development of the subject property shall be in substantial conformance with the site plan labeled Exhibit "A" dated November 19, 2019. Prior to the issuance of building permits, detailed development plans including a site plan illustrating elevations, facades, and architectural treatment, and a landscape/irrigation plan shall be submitted for review and approval by the Central Project Planning Bureau of the Department of City Planning. The plans shall comply with provisions of the Municipal Code, the subject conditions, and the intent of the subject permit authorization.
2. **Affordable Housing.** Prior to the issuance of a permit, projects of ten or more dwelling units shall submit proof of compliance with the Affordable Housing provisions of Los Angeles Municipal Code Section 11.5.11.
3. **Use.**
 - a. Residential uses shall be limited to a 100 percent affordable housing building, exclusive of the managers' units, with a maximum density of 302 dwelling units subject to Condition No. 3.
 - b. A maximum of 10,230 square feet of commercial uses permitted in the C2 Zone may be permitted.
 - c. A maximum of 15,945 square feet of residential floor area may also be utilized for ancillary on-site residential supportive services, subject to the following:
 - i. Supportive services uses shall be ancillary to a 100 percent affordable housing development, excluding the manager units.
 - ii. Lines for supportive services uses shall occur on-site and shall not block the public right-of-way adjacent to the site.
4. **Labor Requirement.** Pursuant to Los Angeles Municipal Code Section 11.5.11, certified by City Council on December 13, 2017 and codified as Section 5.522 of the Administrative Code, the applicant shall confer with Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, and shall provide the following to the Department of City Planning:
 - a. A signed Preconstruction Checklist Agreement between the Applicant and the Bureau of Contract Administration (maintained in the case file), prior to clearing any Building Permit, which covers the following:
 - i. **Licenses.** All building and construction work on the project will be performed at all tiers by contractors that are licensed by the State of California and the City of Los Angeles. The project will employ only construction workers that possess all licenses and certifications required by the State of California and the City of Los Angeles.

- ii. **Local Hire.** At least 30% of all respective workforces' construction workers' hours of Project Work will be performed by permanent residents of the City of Los Angeles. Of these, at least 10% of all their respective workforces' construction workers' hours of Project Work shall be performed by Transitional Workers whose primary place of residence is within a 5-mile radius of the covered project. If such minimums are not met, evidence of a good faith effort to solicit such local workers shall be evidenced.
 - iii. **Wages.** The project will pay construction workers performing Project Work hourly wage rates for those classifications in compliance with the applicable prevailing wage rate determination established pursuant to the California Labor Code.
 - iv. **Training.** At least 60% of construction workforces employed on the project will be:
 - (1) Workers who graduated from a Joint Labor Management apprenticeship training program approved by the State of California.
 - (2) Alternatively, workers employed that have minimum hours of on-the-job experience in the applicable craft which would be required to graduate from such a state-approved apprenticeship training program.
 - (3) Workers who are registered apprentices in an apprenticeship training program approved by the State of California or an out-of-state, federally-approved apprenticeship program.
- ii) **Bond.** A Bond may be required to ensure compliance.
- b. After the project has completed construction, and prior to any Certificate of Occupancy, a signed report from the Bureau of Contract Administration that indicates compliance with the above licenses, local hire, wages and training requirements shall be added to the case file.

“D” DEVELOPMENT LIMITATIONS

Pursuant to Section 12.32 G of the Municipal Code, the following limitations are hereby imposed upon the use of the subject property, subject to the “D” Development Limitations.

1. **Floor Area.** The total floor area of all buildings or structures located on the lot shall not exceed a Floor Area Ratio (FAR) of 3.55:1.
2. **Height.** The height of all buildings or structures located on the lot shall not exceed a height of 212 feet. Roof structures and equipment that comply with LAMC Section 12.21.1 B.3 may exceed this height limit.

Sec. __. The City Clerk shall certify to the passage of this ordinance and have it published in accordance with Council policy, either in a daily newspaper circulated in the City of Los Angeles or by posting for ten days in three public places in the City of Los Angeles: one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall; one copy on the bulletin board located at the Main Street entrance to the Los Angeles City Hall East; and one copy on the bulletin board located at the Temple Street entrance to the Los Angeles County Hall of Records.

Pursuant to Section 559 of the City Charter, I **DISAPPROVE** this ordinance on behalf of the City Planning Commission and recommend that it **NOT BE ADOPTED**.
