Summary: The Los Feliz Neighborhood Council supports city action to extend the rent-repayment period for commercial tenants following the lifting of the COVID-19 state of emergency.

Furthermore, LFNC requests that the City of LA continue to pursue avenues for strengthening its residential eviction moratorium, including an outright prohibition on evictions due to rent-debt accrued during the COVID-19 pandemic. We will support the city in pursuing any relevant state or federal action necessary to protect our tenants during this crisis.
