Comments for Public Posting: I am a "Mom and Pop Landlord" in Mar Vista. I have an ADU on my property that I rent. I'm a single mom and the rent on my ADU is a significant part of my income to support myself and my two children. My tenant has not paid rent in two months and has submitted no reason for not paying. She is able-bodied and is employed full-time. I am in desperate need of my rental income and I urge you not to extend the deadline for tenant protection. People are taking advantage of these protections. Thank you.
