Comments for Public Posting: The addition of Special Enforcement Cleaning Zones to ABH shelters is counterproductive, cruel, and wasteful. "CARE" is a heinous misnomer for sweeps. Shuffling people, seizing belongings, and issuing citations to our most vulnerable communities during a pandemic is a public health nightmare. You are disgusting. Do NOT carry out sweeps around SECZs and do NOT approve this motion, agenda item #46.

Comments for Public Posting: Criminalizing encampments around shelters and “cleaning” aka throwing away people’s things, is cruel and I don’t would like to request that we do NOT want to resume “care + cleanups.” There’s no care here. Embarrassed by homelessness? Help solve it. We need services, not sweeps.
