Comments for Public Posting: Please hold a hearing on the above referenced motion to re-enforce the tents up/tents down policy. The lack of enforcement has led to the creation of unlawful and unsafe shanty towns in our communities.

Comments for Public Posting: I am writing to request that Nury Martinez hold a hearing on Motion CF 20-0147, requiring that tents be taken down from 6 AM to 9 PM . This would improve public access to the streets and restore our neighborhoods .

Comments for Public Posting: I have lived in Venice for 17 years. I find myself venturing out less and less often to walk to the beach, walk to dinner, or even just take my kids on an evening stroll because of the conditions of the sidewalks and how dangerous it is to be a pedestrian in many, many areas. Please vote to hear this ordinance and make our sidewalks safe for residents (especially those with small children).

Comments for Public Posting: I fully support Councilman Buscaino's motion to limit camping and support the "tents down" at 9am - 6pm, and limiting/eliminating the possessions on the sidewalks of our community.
