Comments for Public Posting: Hello; I would like to voice my opposition to the motion Councilman Buscaino is putting forward to arm Los Angeles Park Rangers. I do not believe that this is a necessary provision Park Rangers will need to do their jobs properly. Access to weapons has the risk of putting the offenders as well as everyday Los Angeles residents Rangers come into contact with at a greater risk of injury or death should they use their weapons against them. As the previous month of protests have shown, those with access to weapons do not always use them as advised, and instead may use them to injure people as they see fit without justifiable cause. We do not need more violence than is necessary in any area of the city. I hope that Councilman Buscaino will understand that this is a true concern, and that the motion will be revised. Thank you,
Hannah
