Comments for Public Posting: Councilman Joe Buscaino's motion to arm park rangers is absurd and dangerous. There is no need for arming park rangers. Doing so would only put our citizens, especially our unhoused citizens, at risk of not only injury but possibly losing their life. There is no logical reason I can think of for park rangers to be armed. If they are worried about safety with animals, they should be trained for that. And if they are worried about protecting themselves against criminals, they should be trained to deal with that as well. But neither of those scenarios warrant a park ranger being armed. I do not agree with Councilman Buscaino's motion to arm park rangers.

Comments for Public Posting: I demand that Councilman Joe Buscaino's motion to arm park rangers be REJECTED. This motion particularly puts unhoused individuals and families living in parks at risk. The last thing we need to do is arm more law enforcement officials. This job does NOT require arms and should be rejected immediately.
