**Comments for Public Posting:** I urge the City Council to vote no to arming LA City park rangers when it comes to a full vote before the Council. Firearms in the hands of more people leads to more gun violence and will, as history shows us, disproportionately impact poor people and people of color. Please look forward and honor your commitment made after the George Floyd uprising to reimagine public safety. Thank you.

**Comments for Public Posting:** I urge the City Council to represent a large majority of their constituents, organizations, and experts and vote NO to arming LA City park rangers when it comes to a full vote before the Council. After the George Floyd uprising, the community made it clear that alternative approaches to public safety were necessary. And ... the Council agreed! Please remember your commitments and do not put firearms in the hands of more people.
