Council File No: 20-0331

Comments for Public Posting: Be sure Mr. Fauble gets a 20% bonus for filing those 2 TRO applications against "Wayne From Encino." Strefan, If I may have the honor of calling him that by his first name, did a really good one on Wayne. The day he had the 2 LAPD detectives serve him the same day filed TRO in May 2019, Spindler (as we call him) was parked across the Street from the Royball Federal Building and set to meet Federal authorities to negotiate a bond that was going to be breached for his client, an immigrant who was cheated from a green card grant by the Gov't and the client's prior lawyer missed his earlier court. Because Strefan succeeded in getting Spindler to have to stay in the Mosk court all day to fight the TRO, Spindler's Client lost his \$15,000 bond and almost got picked up from ICE. It was a damn shame that Spindler managed to overturn the deportation order for the client (we've had some success in getting ICE to target some of his clients.) Spindler got so upset, he was seen bleeding from his nose the next day at City Hall. Then Strefan forced Spindler to go with another guy and have to fight off a 3 year injunction. Unfortunately, this Judge, named Jennifer Cops, couldn't be paid off (like we usually do at the Mosk Court) the judge denied the 3 year injunction. Spindler then filed a claim. We made sure to reject it, get this, by falsely claiming his claim was late (even though the last day fell on a weekend) and Spindler filed it on the first business day after that weekend. So far Spindler hasn't figured that one out, and wont because WAYNE SPINDLER IS A FUCKING RETARD. Even if Spindler sues, we'll be sure to get the Judge to deny the case. So, again, great job guys and may we have a blessed 2020. WE AT THE CITY ATTORNEY'S OFFICE WILL CONTINUE TO VIGOROUSLY FEND OFF ALL ATTEMPTS TO STOP THE POWER THAT THE COUNCIL, MAYOR, AND OUR BOSS ENJOYS, AND RIGHTFULLY SO! Thank you for the new contract and your cooperation in "jamming it" today when we can do it without Public oversight, given this crisis. NEVER EVER LET A CRISIS GO UNREWARDED.
